Board— Agenda Item 6
June 11, 2024

Fillmore-Geary Underpass Community Planning Study (SFCTA) Planning

Prop L request: \$601,000

Total Cost: \$2,751,000

Community-driven process for a multimodal-oriented and connected neighborhood

- Identifies community goals, develop alternatives and recommend transportation and land use concepts within the study area
- Provides local match to \$2M federal Reconnecting Communities and Neighborhoods Grant
- SFCTA staff will present the final report to the Board for adoption, anticipated Fall 2026

Project Scope

- Community Collaboration
- Data Collection
- Market and Feasibility Analysis
- Transportation and Land Use Concepts
- Concept Evaluation and Refinement
- Engineering and Cost Estimates
- Urban Design and Architectural Guidance
- Funding and Implementation Plan

Project Partners

SFMTA

SF Planning

Agency Partnerships

Memorandum of Agreements needed between SFCTA and each agency to reimburse costs with federal grant and Prop L funds

SF Planning

- Leading the land use related tasks
- Providing \$150,000 in in-kind funds, will receive \$150,000 in federal grant and Prop L funds

SFMTA

- Supporting various tasks including community collaboration and concept evaluation
- Will receive \$190,000 in federal grant and Prop L funds

Community Collaboration

Community Council

Qualification based selection representing Japantown, Western Addition/Fillmore, Black, Japanese, and Jewish Communities that were displaced during construction
