RECITALS

WHEREAS, the Authority wishes to maintain its revolving line of credit (the “*Line of Credit*”) with the Lender hereunder and the Lender is willing to maintain such Line of Credit for the Authority in order for the Authority to pay for or refinance capital expenditures in the Expenditure Plan (as hereinafter defined), costs of issuance in connection with this Agreement or for any other purpose permitted under the Act, the Ordinances and the Indenture (each as hereinafter defined);

WHEREAS, the Authority and the Lender have agreed to certain amendments to the Revolving Credit Agreement dated October 7, 2021 (as amended, restated, or otherwise modified to date, the “*Original Revolving Credit Agreement*”), by and between the Authority and the Lender, and for purposes of clarity and convenience have agreed to amend and restate the Original Revolving Credit Agreement in accordance with the terms and conditions set forth herein; and

WHEREAS, all obligations of the Authority to repay the Lender for extensions of credit made by the Lender under the Line of Credit and to pay all other amounts payable to the Lender arising under or pursuant to this Agreement or the Bank Note (as hereinafter defined) to be issued to the Lender hereunder are created under and will be evidenced by this Agreement and the Bank Note. The Reimbursement Obligations (as hereinafter defined) hereunder will be secured by a pledge of and lien on the Revenues (as hereinafter defined) of the Authority on a parity with the Authority’s Parity Debt (as hereinafter defined) now existing or hereafter incurred and the Obligations (as hereinafter defined) (other than Reimbursement Obligations) hereunder will be secured by a pledge of and lien on the Revenues (as hereinafter defined) of the Authority on a subordinate basis to the Authority’s Parity Debt. The Authority herein covenants to pay all Obligations (as hereinafter defined) to the Lender from the Revenues.

NOW, THEREFORE, in consideration of the foregoing Recitals and other consideration, the receipt and sufficiency of which are hereby acknowledged, and to induce the Lender to extend to the Authority the Line of Credit, the Authority and the Lender hereby agree as follows:

Section 1.1. Definitions. In addition to the terms defined in the recitals and elsewhere in this Agreement and the Indenture, the following terms shall have the following meanings:

“*Act*” means the Bay Area County Traffic and Transportation Funding Act, Division 12.5 (Section 131000 *et seq.*) of the Public Utilities Code of the State of California, as now in effect.

“*Advance*” means each Revolving Loan requested by the Authority under the Commitment and the terms hereof to pay for or refinance capital expenditures in the Expenditure Plan, costs of issuance in connection with this Agreement or for any other purpose permitted under the Act, the Ordinances and/or the Indenture.

“*Advance Date*” means the date on which the Lender honors a Request for Advance and makes the funds requested available to the Authority hereunder.

“*Affiliate*” means, as to any Person, a corporation, partnership, association, agency, authority, instrumentality, joint venture, business trust or similar entity organized under the laws of any state that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such Person.

“*Agreement*” has the meaning set forth in the introductory paragraph hereof.

“*Amortization End Date*” means the earlier to occur of (A) the fifth (5th) anniversary of the Commitment Expiration Date; and (B) the date on which the Term Loan has been accelerated in accordance with Section 9.2 hereof.

“*Amortization Payment*” has the meaning set forth in Section 4.5 hereof.

“*Amortization Payment Date*” means (a) the Initial Amortization Payment Date and the corresponding date in every third month occurring after the Initial Amortization Payment Date occurring thereafter which occurs prior to the Amortization End Date and (b) the Amortization End Date.

“*Amortization Period*” has the meaning set forth in Section 4.5 hereof.

“*Annual Debt Service*” means the aggregate amount, without duplication, of principal and interest on all Senior Lien Debt, all Parity Debt and all Subordinate Obligations due and payable in the related Fiscal Year. For purposes of calculating Annual Debt Service, the following assumptions shall be utilized to calculate the principal and interest becoming due in any Fiscal Year:

(1) in determining the principal amount due on Advances and the related Loans in each Fiscal Year, the following assumptions shall be utilized:

(a) there shall be deemed to be principal outstanding on all Advances and the related Loans in an aggregate amount equal to the Available Commitment plus an amount equal to any outstanding Advances and the related Loans;

(b) the principal amount due on all Advances and the related Loans in each Fiscal Year shall be assumed to be amortized in substantially equal annual installments of principal and interest over a term of twenty-five (25) years or, if less, the remaining term of the Expenditure Plan and any amounts currently constituting a Term Loan shall amortize in accordance with Section 4.5 hereof, commencing in the year in which the annual debt service is being calculated and the interest on all Advances and the related Revolving Loans shall be calculated at an interest rate equal to the SIFMA Index Rate as of the date of determination and the interest on the Term Loan shall be calculated at an interest rate equal to the Lender Rate as of the date of determination;

(c) there shall be deemed to be no Obligations (other than Reimbursement Obligations) outstanding hereunder.

(2) in determining the principal amount due in each Fiscal Year on all debt other than Advances and the related Loans, payment shall (unless a different subsection of this definition applies for purposes of determining principal maturities or amortization) be assumed to be made in accordance with any amortization schedule established for such debt, including any mandatory sinking account payments or any scheduled redemption or payment on the basis of accreted value (as such term is defined in the document pursuant to which such debt was issued or incurred), and for such purpose, the redemption payment or payment of accreted value shall be deemed a principal payment and interest that is compounded and paid as accreted value shall be deemed due on the scheduled redemption or payment date of such debt;

(3) if any debt constitutes Variable Rate Indebtedness (except to the extent subsection (1) or (5) applies), the interest rate on such debt shall be calculated at the greatest of: (a) the annual average of the SIFMA Municipal Swap Index for the ten years preceding the date of calculation plus two percent (2%) per annum, (b) the most recently-determined SIFMA Municipal Swap Index as of the date of calculation, and (c) five and one-half percent (5.5%) per annum; provided that if such Variable Rate Indebtedness has been issued in connection with an interest rate swap agreement, the interest rate for computing Annual Debt Service shall be determined by (x) calculating the annualized net amount paid by the Authority under such Variable Rate Indebtedness and interest rate swap agreement (after giving effect to payments made under the Variable Rate Indebtedness and made and received by the Authority under such interest rate swap agreement) during the twelve (12) months ending with the month preceding the date of calculation or such shorter period as such interest rate swap agreement shall have been in effect, and (y) dividing the amount calculated in clause (x) by the average daily balance of the related debt during the period contemplated by clause (x);

(4) if any debt proposed to be issued constitutes Variable Rate Indebtedness (except to the extent subsection (5) applies), then such debt shall be assumed to bear interest at an interest rate equal to the greatest of (a) the annual average of the SIFMA Municipal Swap Index for the ten years preceding the date of calculation plus two percent (2%) per annum, (b) the most recently-determined SIFMA Municipal Swap Index as of the date of calculation, and (c) five and one-half percent (5.5%) per annum; *provided* that if such Variable Rate Indebtedness will be issued in connection with an interest rate swap agreement, the interest rate for computing Annual Debt Service shall be determined by (x) calculating the net amount to be paid by the Authority under such Variable Rate Indebtedness and interest rate swap agreement (after giving effect to payments made under the Variable Rate Indebtedness and made and received by the Authority under such interest rate swap agreement) and for purposes of this proviso to subsection (4) any variable rate of interest agreed to be paid under the interest rate swap agreement shall be deemed to be the rate at which the related debt shall be assumed to bear interest, and (y) dividing the amount calculated in clause (x) by the average daily amount of the related debt to be outstanding during the first year after issuance of such debt;

(5) if any debt features an option, on the part of the owners thereof or an obligation under the terms of such debt, to tender all or a portion of such debt to the Authority, the Trustee, or other fiduciary or agent and requires that such debt or portion thereof be purchased if properly presented, then for purposes of determining the amounts of principal and interest due in any Fiscal Year on such debt payment shall (unless a different subsection of this definition applies for purposes of determining principal maturities or amortization) be assumed to be made in accordance with the amortization schedule set forth in such debt or in the letter of credit or standby bond purchase agreement or standby note purchase agreement or line of credit entered into in connection with such debt, or if no such amortization schedule is set forth, then such debt shall be deemed to be amortized in substantially equal annual installments of principal and interest over a term of twenty-five (25) years or, if less, the remaining term of the Expenditure Plan, commencing in the year in which such debt was first subject to tender, interest to be calculated at an assumed interest rate equal to the average of The Bond Buyer Revenue Bond Index during the twelve (12) months ending with the month preceding the date of calculation.

(6) if any fixed to floating interest rate swap agreement is in effect with respect to, and is payable on a parity with the debt to which such interest rate swap agreement relates (which debt is not Variable Rate Indebtedness), the interest rate of such debt shall be calculated as follows: (a) if such interest rate swap is in effect on the date of calculation, the interest rate shall be calculated in the same manner as is specified in subsection (3) above; and (b) if such interest rate swap agreement is not in effect on the date of such calculation, the interest rate shall be calculated in the same manner as is specified above in subsection (4) above;

(7) principal and interest payments shall be excluded to the extent such payments are to be paid from amounts then currently on deposit with the Trustee or other fiduciary in escrow specifically therefor and to the extent that such interest payments are

to be paid from the proceeds of Senior Lien Debt, Parity Debt and Subordinate Obligations held by the Trustee or other fiduciary as capitalized interest specifically to pay such interest by the Trustee or other fiduciary.

“*Anti-Corruption Laws*” means the Foreign Corrupt Practices Act of 1977, as amended, and the rules and regulations thereunder, and any other anti-corruption law applicable to the Authority.

“*Applicable Law*” means (i) all applicable common law and principles of equity and (ii) all applicable provisions of all (A) constitutions, statutes, rules, regulations and orders of all governmental and non-governmental bodies, (B) Governmental Approvals and (C) orders, decisions, judgments and decrees of all courts (whether at law or in equity) and arbitrators.

“*Applicable Spread*” means, initially 55 basis points (0.55%), which is subject to maintenance of the current Authority Rating. In the event of a change in the Authority Rating, the Applicable Spread shall equal the number of basis points set forth in the Level associated with the applicable Authority Rating set forth in the schedule below:

	AUTHORITY RATING			APPLICABLE SPREAD
	MOODY’S	S&P	FITCH	BASIS POINTS (%)
Level I	Aa2 or above	AA or above	AA or above	55 bps (0.55%)
Level II	Aa3	AA-	AA-	65 bps (0.65%)
Level III	A1	A+	A+	85 bps (0.85%)
Level IV	A2	A	A	105 bps (1.05%)
Level V	A3	A-	A-	125 bps (1.25%)
Level VI	Baa1	BBB+	BBB+	155 bps (1.55%)
Level VII	Baa2	BBB	BBB	190 bps (1.90%)

In the event of a split Authority Rating (i.e., one of the Rating Agency’s Authority Rating is at a different Level than the Authority Rating of either of the other Rating Agencies), the Applicable Spread shall be based upon the Level in which the lowest Authority Rating appears (for the avoidance of doubt, Level VII is the lowest Level, and Level I is the highest Level for purposes of the above pricing matrix). Any change in the Applicable Spread resulting from a change in the Authority Rating shall be and become effective as of and on the date of the announcement of the change in the Authority Rating. References to the Authority Rating above are references to rating categories as presently determined by the Rating Agencies and in the event of adoption of any new or changed rating system by any such Rating Agency, including, without limitation, any recalibration of the Authority Rating in connection with the adoption of a “*global*” rating scale, each Authority Rating from the Rating Agency in question referred to above shall be deemed to refer to the rating category under the new rating system which most closely approximates the applicable rating category as currently in effect. If any Authority Rating is suspended or

withdrawn by any Rating Agency or upon the occurrence of and during the continuance of an Event of Default (including without limitation an Event of Default under Section 9.1(i) hereof), the interest rate on the Advances, Revolving Loans and the Term Loan shall immediately and automatically increase to the Default Rate, without notice to the Authority. If, after the Effective Date, there shall occur any change in GAAP from those used in the preparation of the financial statements referred to in Sections 8.2(a) hereof and such change shall result in a change in the

method of calculation of any financial covenant, standard or term found in this Agreement including, without limitation, a recharacterization of operating leases to the effect that certain operating leases are to be treated as capital leases, either the Authority or the Lender may by notice to the other party hereto, require that the Lender and the Authority negotiate in good faith to amend such covenants, standards, and terms so as equitably to reflect such change in accounting principles, with the desired result being that the criteria for evaluating the financial condition of the Authority shall be the same as if such change had not been made. No delay by the Authority or the Lender in requiring such negotiation shall limit their right to so require such a negotiation at any time after such a change in accounting principles. Until any such covenant, standard, or term is amended in accordance with this Section 1.2, financial covenants shall be computed and determined in accordance with GAAP in effect prior to such change in accounting principles.

Section 1.3. Interpretation. The following rules shall apply to the construction of this Agreement unless the context requires otherwise: (i) the singular includes the plural, and the plural the singular; (ii) words importing any gender include the other gender; (iii) references to statutes are to be construed as including all statutory provisions consolidating and amending, and all regulations promulgated pursuant to, such statutes; (iv) references to “writing” include printing, photocopy, typing, lithography and other means of reproducing words in a tangible visible font; (v) the words “including,” “includes” and “include” shall be deemed to be followed by the words “without limitation”; (vi) references to the introductory paragraph, recitals, articles, sections (or clauses or subdivisions of sections), exhibits, appendices, annexes or schedules are to those of this Agreement unless otherwise indicated; (vii) references to agreements and other contractual instruments shall be deemed to include all subsequent amendments and other modifications to such instruments, but only to the extent that such amendments and other modifications are permitted or not prohibited by the terms of this Agreement; (viii) section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose; (ix) references to Persons include their respective permitted successors and assigns; and (x) in the computation of a period of time from a specified date to a later specified date, the word “from” means “from and including” and the words “to” and “until” each means “to but excluding.” All references to “funds” herein shall include all accounts and subaccounts therein unless the context clearly requires otherwise.

Section 1.5. Relation to Other Documents; Acknowledgment of Different Provisions of Program Documents; Incorporation by Reference. (a) Nothing in this Agreement shall be deemed to amend, or relieve the Authority of its obligations under, any Program Document to which it is a party. Conversely, to the extent that the provisions of any Program Document allow the Authority to take certain actions, or not to take certain actions, with regard for example to permitted liens, transfers of assets, maintenance of financial ratios and similar matters, the Authority nevertheless shall be fully bound by the provisions of this Agreement.

No amendment, modification, consent, waiver or termination with respect to any of such Sections shall be effective as to this Agreement until specifically agreed to in writing by the parties hereto with specific reference to this Agreement.

ARTICLE II

FACILITIES; APPLICATION AND ISSUANCE OF THE LOANS; PAYMENTS

Section 2.1. Revolving Credit Commitments. Subject to the terms and conditions hereof, the Lender, by its acceptance hereof, agrees to make Revolving Loans in U.S. Dollars to the Authority from time to time up to the amount of the Commitment, subject to any reductions thereof pursuant to the terms hereof, before the Termination Date. The sum of the aggregate principal amount of Revolving Loans at any time outstanding shall not exceed the Available Commitment in effect at such time. Revolving Loans may be repaid and the principal amount thereof reborrowed prior to the Termination Date, subject to the terms and conditions hereof.

Section 2.2. Application. The Authority hereby applies to the Lender for and authorizes and instructs the Lender to issue for the Authority's account, the Commitment in an initial amount equal to the Initial Commitment Amount.

Section 2.3. Making of Advances; Use of Proceeds. (a) Subject to the terms and conditions of this Agreement, the Lender agrees to make Advances from time to time on any Business Day, commencing on the Effective Date and ending on the Revolving Loan Maturity Date, in amounts not to exceed at any time outstanding its Commitment available hereunder; *provided*, that the Lender shall not be required to make more than two (2) Advances during any calendar month. Each Advance requested shall be in a minimum principal amount of \$1,000,000 or any integral multiples of \$1,000 in excess thereof. Each Advance shall be made solely for the purpose of providing funds to pay for or refinance capital expenditures in its Expenditure Plan, costs of issuance in connection with this Agreement or any other purpose permitted under the Act, the Ordinances and/or the Indenture. The aggregate amount of all Advances made on any Advance Date shall not exceed the Available Commitment (calculated without giving effect to any Advances made on such date) at 9:00 a.m. New York time on such date.

(b) *Reborrowing.* Within the limits of this Section 2.3, the Authority may borrow, repay pursuant to Sections 3.4 and 3.5 hereof and reborrow under this Section 2.3. Upon any prepayment

of the related Revolving Loan, the related Available Commitment shall be reinstated as set forth in the definition thereof.

(c) *Method of Borrowing.* (i) Upon receipt of a Request for Advance by the Lender not later than 11:00 a.m. New York time on the Business Day which is three New York Banking Days immediately prior to the day of the proposed borrowing (*provided, however,* with respect to the proposed borrowing to be made on the Effective Date, the Authority shall only be required to provide the Lender the Request for Advance two New York Banking Days prior to the Effective Date), the Lender, subject to the terms and conditions of this Agreement, shall be required to make an Advance by 4:00 p.m. New York time on such day of the proposed borrowing for the account of the Authority in an amount equal to the amount of the requested borrowing. Notwithstanding the foregoing, in the event such Request for Advance is received by the Lender after 11:00 a.m. New York time on the Business Day which is three New York Banking Days immediately prior to the day of the proposed borrowing, the Lender shall be required to make the related Advance by 4:00 p.m. New York time on the fourth New York Banking Day after receipt of the related Request for Advance. Any Request for Advance shall be signed by an Authorized Representative set forth on the Authorized Representative Certificate and may be delivered to the Lender by facsimile or e-mail transmission (with the duly executed Request for Advance attached thereto as a “pdf” (portable document format) or other replicating image attached to the e-mail message), with receipt immediately confirmed telephonically and an original version of the Request for Advance promptly delivered to the Lender postage prepaid, U.S. mail; *provided* that the receipt of such original is not a condition to the Lender’s obligation to honor a Request for Advance. Pursuant to Section 3.3 hereof, the Lender shall determine the initial SIFMA Index Rate for each Advance two New York Banking Days prior to the related Advance Date. Each Advance shall be made by the Lender by wire transfer of immediately available funds to the Trustee (on behalf of the Authority) in accordance with written instructions provided by the Authority. If, after examination, the Lender shall have determined that a Request for Advance does not conform to the terms and conditions hereof, then the Lender shall use its best efforts to give notice to the Authority to the effect that documentation was not in accordance with the terms and conditions hereof and stating the reasons therefor. The Authority may attempt to correct any such nonconforming Request for Advance, if, and to the extent that the Authority is entitled (without regard to the provisions of this sentence) and able to do so.

Section 2.4. Conditions Precedent.

(a) *Conditions Precedent to Effective Date.* The obligations of the Lender to amend and restate the Original Revolving Credit Agreement and make its Commitment available hereunder shall be subject to the fulfillment of each of the following conditions precedent on or before the Effective Date in a manner satisfactory to the Lender:

(4) an executed certificate of an authorized official of the Authority dated the Effective Date certifying as to the authority, incumbency and specimen signatures of the authorized officials authorized to sign this Agreement and the Bank Note and any other documents to be delivered by it hereunder and who will be authorized to represent the Authority in connection with this Agreement, upon which the Lender may rely until it receives a new such certificate;

No law, regulation, ruling or other action of the United States, the State of California or the State of New York or any political subdivision or authority therein or thereof shall be in effect or shall have occurred, the effect of which would be to prevent the Authority or the Lender from fulfilling its respective obligations under this Agreement and the other Program Documents.

(iii) The Lender shall have received an opinion addressed to the Lender and dated the Effective Date from [Meyers Nave], counsel to the Authority, in form and substance reasonably satisfactory to the Lender and its counsel, which provides for, among other opinions, the following: (1) the execution, delivery and performance by the Authority of this Agreement, the Bank Note and the Indenture are within the Authority's powers, have been duly authorized by all necessary action, and require no action by or in respect

of, or filing with, any governmental body, agency or official that has not been accomplished and such execution, delivery and performance does not violate the constitution or laws of the State, (2) this Agreement, the Bank Note and the Indenture have been duly authorized, executed and delivered and this Agreement and the Bank Note are valid, binding and enforceable against the Authority, and (3) such other matters as the Lender may reasonably request, in form and substance satisfactory to the Lender and its counsel.

(1) (A) the representations and warranties of the Authority contained in the Indenture, the Bank Note and this Agreement are true and correct on and as of the Effective Date as though made on and as of such date (except to the extent any such representation or warranty specifically relates to an earlier date, then such representation or warranty shall be true and correct as of such earlier date); (B) no Default or Event of Default has occurred and is continuing or would result from the Authority's execution and delivery of this Agreement or the Bank Note or the acceptance of the Commitment by the Authority; (C) the audited annual financial statements of the Authority for the Fiscal Year ended June 30, 2023, including the balance sheet as of such date of said period, all examined and reported on by Eide Bailly LLP as heretofore delivered to the Lender correctly and fairly present the financial condition of the Authority as of said date and the results of the operations of the Authority for such period, have been prepared in accordance with GAAP consistently applied except as stated in the notes thereto; (D) since June 30, 2023, except as disclosed to the Lender in writing, there has been no Material Adverse Change or Material Adverse Operational Effect; (E) the acceptance of the Commitment by the Authority pursuant to this Agreement is an arm's length commercial transaction between the Authority and the Lender; (F) the Authority has consulted with its own respective legal and financial advisors in connection with the acceptance of the Commitment by the Authority pursuant to this Agreement; (G) the Lender has not acted as a fiduciary in favor of the Authority with respect to the Bank Note or the acceptance of the Commitment by the Authority; (H) all conditions precedent set forth in the Indenture with respect to issuance of the Bank Note shall have been satisfied and (I) to the best knowledge of the Authority, the Authority Rating has not been reduced, withdrawn or suspended by any Rating Agency since the dated date of the Rating Documentation; and

(2) No actions, suits or proceedings are pending in which service of process has been completed against the Authority or, to the Authority's knowledge, threatened against the Authority in any court or before any arbitrator of any kind or before or by any governmental or non-governmental body which could reasonably be expected to result in a Material Adverse Effect or a Material Adverse Operational Effect.

(v) The Lender shall have received an opinion addressed to the Lender and dated the Effective Date of Bond Counsel as to the due authorization, execution and delivery of this Agreement, the Bank Note and the Indenture, and as to the validity and enforceability with respect to the Authority of this Agreement, the Bank Note and the Indenture, the exclusion of interest on the Loans from gross income for federal income tax purposes of the Lender, the pledge of Revenues securing the Bank Note constituting a valid pledge, and such other matters as the Lender may reasonably request, in form and substance satisfactory to the Lender and its counsel.

(vi) All necessary action on the part of the Authority shall have been taken as required for the assignment and pledge of a lien on the Revenues for the benefit of the Lender as described in Section 5.1 hereof.

(vii) All other legal matters pertaining to the execution and delivery of this Agreement, the Bank Note and the other Program Documents shall be satisfactory to the Lender and its counsel. The Lender shall have received evidence satisfactory to the Lender that all conditions precedent to the issuance of the Bank Note as Parity Debt pursuant to the Indenture have been satisfied.

(viii) The Lender shall have received written confirmation dated within ten (10) days prior to the Effective Date that the Authority Ratings are at least “AA” (or its equivalent) by S&P and “AA” (or its equivalent) by Fitch (referred to herein as the “*Rating Documentation*”).

(ix) No Bank Note shall be (i) assigned a specific rating by any Rating Agency, (ii) registered with The Depository Trust Company or any other securities depository, (iii) issued pursuant to any type of official statement, private placement memorandum or other offering document, (iv) assigned a CUSIP number by Standard & Poor’s CUSIP Service or (v) placed or offered by a broker-dealer in the capacity of an underwriter or a placement agent.

(x) The Lender shall have determined (in its sole discretion) that (i) none of the making of any Advances or Loans or the consummation of any of the transactions contemplated by this Agreement, the Bank Note and the other Program Documents will violate any law, rule, guideline or regulation applicable to the Authority, the Lender, this Agreement or any other Program Document; and (ii) since June 30, 2023, nothing has occurred which would be reasonably likely to result in a Material Adverse Effect or a Material Adverse Operational Effect; and (iii) there has been no material adverse change in the laws, rules or regulations (or their interpretation or administration) that, in any case, may adversely affect the consummation of the transactions contemplated hereby, or by any Program Document.

(xi) The Lender shall have received such other documents, certificates, opinions, approvals and filings with respect to this Agreement, the Bank Note and the other Program Documents as the Lender may reasonably request.

(b) *Conditions Precedent to Each Advance.* The obligation of the Lender to make an Advance on any date is subject to the conditions precedent that on the date of such Advance:

(i) The Lender shall have received a Request for Advance executed by an Authorized Representative set forth on the Authorized Representative Certificate as provided in Section 2.3(c) hereof;

(ii) All representations and warranties of the Authority as set forth in Article VII hereof shall be true and correct in all material respects as though made on the date of such Request for Advance and on the date of the proposed Advance (except to the extent any such representation or warranty specifically relates to an earlier date, then such representation or warranty shall be true and correct as of such earlier date) and no Default or Event of Default shall have occurred and be continuing;

(iii) No Material Adverse Change or Material Adverse Operational Effect shall have occurred;

(iv) The Lender shall have received an opinion of Bond Counsel dated the date of such Advance and addressed to the Lender as to the exclusion of interest on the Advance and the related Loans from gross income for federal income tax purposes and as to the validity and enforceability with respect to the Authority of this Agreement, the Bank Note and the Indenture, in form and substance satisfactory to the Lender;

(v) The Lender shall have received an executed Supplemental Tax Certificate;

(vi) The Lender shall have received evidence that an IRS Form 8038-G has been duly completed by the Authority and signed by the Authority; and

(vii) The Commitment and the obligation of the Lender to make an Advance hereunder shall not have terminated pursuant to Section 9.2 hereof or pursuant to Section 2.7 hereof. Unless the Authority shall have otherwise previously advised the Lender in writing, delivery to the Lender of a Request for Advance shall be deemed to constitute a representation and warranty by the Authority that on the date of such Request for Advance and on the date of the proposed Advance each of the foregoing conditions has been satisfied (except that no representation shall be made as to the satisfaction of the Lender) and that all representations and warranties of the Authority as set forth in Article VII hereof is true and correct as though made on the date of such Request for Advance (except to the extent any such representation or warranty specifically relates to an earlier date, then such representation or warranty shall be true and correct as of such earlier date) and on the date of the proposed Advance, no Default or Event of Default shall have occurred and be continuing on the date of such Request for Advance or on the date of the proposed Advance, and that the Authority is in compliance with Section 8.13 hereof.

(c) *Condition Subsequent to Effective Date.* Within thirty (30) days of the Effective Date, the Authority shall pay (i) to the Lender the reasonable fees and expenses of the Lender, of which such Person, as described in Section 2.6(e) hereof, has given written notice to the Authority within

ten (10) days of the Effective Date and (ii) to Chapman and Cutler LLP, as counsel to the Lender, the reasonable legal fees and expenses of Chapman and Cutler LLP in an amount not to exceed \$15,000 plus disbursements of which Chapman and Cutler LLP, as described in Section 2.6(e) hereof, has given written notice to the Authority within ten (10) days of the Effective Date.

Section 2.5. Interest Rate Determinations. The Lender shall promptly notify the Authority and the Trustee of the interest rate applicable to any Loan (i) upon determination of such interest rate and (ii) on the dates on which the Lender delivers notice in accordance with in Sections 3.3 and 4.4 hereof, as applicable; *provided, however*, that the failure by the Lender to provide notice of the applicable interest rate shall not relieve the Authority of its obligation to make payment of amounts as and when due hereunder; *provided, further*, that the Lender shall be deemed to be in compliance with clause (i) of the first sentence of this Section 2.5 if it provides notice of the determination of such interest rate on the dates required by Sections 3.3 and 4.4 hereof, as applicable. At any time that a Term Loan is outstanding, the Lender shall notify the Authority and the Trustee of any change in the Lender’s Prime Rate used in determining the Base Rate promptly following the establishment of such change; *provided, however*, that the failure by the Lender to provide notice of such change shall not relieve the Authority of its obligation to make payment of amounts as and when due hereunder. Each determination by the Lender of an interest rate shall be conclusive and binding for all purposes, absent manifest error.

Section 2.6. Fees.

(a) *Commitment Fees.* The Authority agrees to pay to the Lender, for the account of the Lender, for each day, a nonrefundable annual fee (the “*Commitment Fee*”) initially accruing at a rate of 20 basis points (0.20%) per annum multiplied by the Available Commitment, for such day, which is subject to maintenance of the current Authority Rating. In the event of a change in the Authority Rating, the Commitment Fee shall be calculated based on the number of basis points set forth in the Level associated with the applicable Authority Rating as set forth in the schedule (the “*Commitment Fee Rate*”) below:

	AUTHORITY RATING			COMMITMENT FEE RATE
	MOODY’S	S&P	FITCH	BASIS POINTS (%)
Level I	Aa2 or above	AA or above	AA or above	20 bps (0.20%)
Level II	Aa3	AA-	AA-	30 bps (0.30%)
Level III	A1	A+	A+	50 bps (0.50%)
Level IV	A2	A	A	70 bps (0.70%)
Level V	A3	A-	A-	90 bps (0.90%)
Level VI	Baa1	BBB+	BBB+	120 bps (1.20%)
Level VII	Baa2	BBB	BBB	155 bps (1.55%)

In the event of a split Authority Rating (*i.e.*, one of the Rating Agency's Authority Rating is at a different level than the Authority Rating of either of the other Rating Agencies), the Commitment Fee Rate shall be based upon the Level in which the lowest Authority Rating appears (for the avoidance of doubt, Level VII is the lowest Level, and Level I is the highest Level for purposes of the above pricing matrix). Any change in the Commitment Fee resulting from a change in the Authority Rating shall be and become effective as of and on the date of the announcement of the change in the Authority Rating. The Commitment Fee shall be payable quarterly in arrears on the first Business Day of each July, October, January and April of each calendar year (beginning on the first such date to occur after the Effective Date) and on the Commitment Expiration Date, or such earlier date on which the Commitment may be terminated in accordance with the terms of this Agreement. The Commitment Fee shall be calculated on the basis of 360-day year and actual days elapsed. References to the Authority Rating above are references to rating categories as presently determined by the Rating Agencies and in the event of adoption of any new or changed rating system by any such Rating Agency, including, without limitation, any recalibration of the Authority Rating in connection with the adoption of a "global" rating scale, each Authority Rating from the Rating Agency in question referred to above shall be deemed to refer to the rating category under the new rating system which most closely approximates the applicable rating category as currently in effect. Upon the occurrence of and during the continuance of an Event of Default (including without limitation an Event of Default under Section 9.1(i) hereof), the Commitment Fee Rate shall increase immediately and automatically to 255 basis points (2.55%), without notice to the Authority. The Authority acknowledges that as of the Effective Date the Commitment Fee Rate is that specified above for Level 1.

(b) *Termination or Reduction Fee.* The Authority shall pay to the Lender, for the account of the Lender, a Reduction Fee or Termination Fee, as applicable, in connection with each permanent reduction or termination of the Available Commitment or Commitment pursuant to Section 2.7 hereof prior to the date which is twelve (12) months after the Effective Date, in an amount equal to the Reduction Fee or Termination Fee, as applicable, payable on the date of such termination or each such reduction; *provided* that no Reduction Fee or Termination Fee shall be payable if (i) the Lender has failed to honor a properly presented and conforming Request for Advance under this Agreement, (ii) the Lender requests compensation for increased costs or taxes from the Authority under Sections 6.3 or 6.4 hereof, or (iii) a replacement index is being used in place of the index described in the first sentence of the definition of "SIFMA Index" unless the Authority shall have consented in writing to such replacement index; *provided, however*, that the occurrence of any of the events described in the preceding clause (i), (ii) or (iii) shall not relieve the Authority from satisfying all other obligations due and owing hereunder.

(c) *Amendment, Consent or Waiver Fee.* Upon each amendment hereof, consent or waiver hereunder or under any Program Document, the Authority shall pay or cause to be paid to the Lender attorneys' fees and expenses, if any, incurred by the Lender in processing such amendment, consent or waiver and a fee in a minimum amount of \$3,000.

(d) *Advance Fees.* Upon each Advance by the Lender hereunder, the Authority agrees to pay to the Lender, solely for the Lender's account, a non-refundable advance fee equal to \$250 payable without any requirement of notice or demand by the Lender on the day on which such

Advance is made by the Lender; *provided, however* that the total aggregate amount of all such advance fees payable to the Lender shall not exceed \$2,000 in any calendar year.

(e) *Costs, Expenses and Taxes.* The Authority will pay (i) the reasonable fees and disbursements of Chapman and Cutler LLP, special counsel to the Lender, incurred in connection with the preparation, execution, filing and administration and delivery of this Agreement and the other Program Documents and (ii) promptly on demand (A) the fees and disbursements of counsel or other reasonably required consultants to the Lender with respect to advising such Persons as to the rights and responsibilities under this Agreement and the other Program Documents after the occurrence of any Default or alleged Default hereunder, or an Event of Default, (B) all reasonable costs and expenses, if any, in connection with any waiver or amendment of, or the giving of any approval or consent under, or any response thereto or the enforcement of this Agreement, the Program Documents and any other documents which may be delivered in connection herewith or therewith, including in each case the reasonable fees and disbursements of counsel to the Lender or other reasonably required consultants and (C) any amounts reasonably advanced by or on behalf of the Lender to the extent required to cure any Default, Event of Default or event of nonperformance hereunder or under any Program Document, together with interest at the Default Rate. In addition, the Authority shall pay any and all stamp taxes, transfer taxes, documentary taxes, and other taxes and fees payable or determined to be payable in connection with the execution, delivery, filing, and recording of this Agreement and the security contemplated by the Program Documents (other than taxes based on the net income of the Lender) and agrees to indemnify and hold the Lender harmless from and against any and all liabilities with respect to or resulting from any delay in paying, or omission to pay, such taxes and fees, including interest and penalties thereon; *provided, however*, that the Authority may reasonably contest any such taxes or fees with the prior written consent of the Lender, which consent, if an Event of Default does not then exist, shall not be unreasonably withheld. In addition, the Authority agrees to pay, after the occurrence of a Default, alleged Default or an Event of Default, all costs and expenses (including attorneys' fees and costs of settlement) incurred by the Lender in enforcing any obligations or in collecting any payments due from the Authority hereunder by reason of such Default, alleged Default or Event of Default or in connection with any refinancing or restructuring of the credit arrangements provided under this Agreement in the nature of a "workout" or of any collection, insolvency, bankruptcy proceedings or other enforcement proceedings resulting therefrom.

(f) If the Authority shall fail to pay any amount payable under this Section 2.6 as and when due, each such unpaid amount shall bear interest for each day from and including the date it was due until paid in full at the applicable Default Rate. The obligations of the Authority under this Section 2.6 shall survive the termination of this Agreement.

Section 2.7. Reduction and Termination. (a) Subject to the provisions of Section 2.6(b) hereof, the Available Commitment shall be reduced from time to time as requested by the Authority within three (3) days of the Authority's written notice to the Lender requesting such reduction in the form of Exhibit E hereto; *provided*, that each such reduction amount shall be in an amount equal to \$1,000,000 or an integral multiple thereof.

(b) Subject to the provisions of Section 2.6(b) hereof, the Authority may at any time and at its sole option terminate the Commitment upon three (3) Business Days' prior written notice to

the Lender. As a condition to any such termination, the Authority shall pay or cause to be paid to the Lender all Obligations owed to the Lender (other than Term Loan which shall be payable pursuant to the terms of Section 4.5 hereof).

Section 2.8. Extension of Commitment Expiration Date. The Authority may request an extension of the Commitment Expiration Date in writing substantially in the form of Exhibit C hereto to the Lender not more than one hundred eighty (180) days prior to the then current Commitment Expiration Date. The Lender will make reasonable efforts to respond to such request within sixty (60) days after receipt of all information necessary, in the Lender's judgment, to permit the Lender to make an informed credit decision. If the Lender fails to definitively respond to such request within such 60-day period, the Lender shall be deemed to have refused to grant the extension requested. The Lender may, in its sole and absolute discretion, decide to accept or reject any such proposed extension and no extension shall become effective unless the Lender shall have consented thereto in writing in the form of Exhibit F hereto or otherwise. The Lender's consent, if granted, shall be conditioned upon the preparation, execution and delivery of documentation in form and substance satisfactory to the Lender (which may include, but shall not be limited to the delivery of a "no adverse effect opinion" of Bond Counsel to the Lender with respect to the tax-exempt status of the Loans).

Section 2.9. Funding Indemnity. If

- (a) any payment of a Revolving Loan occurs on a date that is not the last day of the applicable Interest Period, whether because of acceleration, prepayment or otherwise;
- (b) a Revolving Loan is not made on the date specified by the Authority for any reason other than default by the Lender; or
- (c) the Authority fails to borrow or prepay a Revolving Loan on the date specified in any notice delivered by the Authority to the Lender pursuant hereto,

the Authority shall indemnify the Lender for the Lender's costs, expenses and Interest Differential (as determined by the Lender) incurred as a result of such prepayment. The term "*Interest Differential*" means the greater of zero and the financial loss for the duration of the applicable Interest Period incurred by the Lender resulting from prepayment, calculated as the difference between the amount of interest the Lender would have earned (from like investments as of the first day of such Interest Period) had prepayment not occurred and the interest the Lender will actually earn (from like investments as of the date of prepayment) as a result of the redeployment of funds from such prepayment. Because of the short-term duration of any Interest Period, the Authority agrees that the Interest Differential shall not be discounted to its present value. Such Interest Differential shall at all times be an Obligation as well as an undertaking by the Authority to the Lender.

Section 2.10. Payments. All payments to be made by the Authority shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Authority hereunder shall be made to the Lender at

the Lender's Office in Dollars and in immediately available funds not later than 12:00 p.m. New York time, on the date specified herein. All payments received by the Lender after 12:00 p.m. New York time, shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Authority shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be. Notwithstanding anything herein to the contrary, where this Agreement provides for payment by the Authority to the Lender for any amount, the Authority may satisfy such obligation by causing the Trustee to pay such amount directly to the Lender from Revenues under the Indenture.

ARTICLE III

REVOLVING LOANS

Section 3.1. Making of Revolving Loans. Each Advance shall constitute a loan made by the Lender to the Authority on the date of such Advance (individually, a "Revolving Loan" and collectively, the "Revolving Loans"). Each Revolving Loan shall constitute Parity Debt under the Indenture.

Section 3.2. Revolving Loans Evidenced by Notes. The Revolving Loans shall be evidenced by the Bank Note to be issued on the Effective Date, payable to the Lender in a principal amount up to the Commitment on the Effective Date and otherwise duly completed. All Revolving Loans made by the Lender and all payments and prepayments made on account of principal thereof shall be recorded by the Lender on the schedule (or a continuation thereof) attached to the related Bank Note, it being understood, however, that failure by the Lender to make any such endorsement shall not affect the obligations of the Authority hereunder or under the related Bank Note in respect of unpaid principal and interest on any Revolving Loan. Each entry on a Bank Note with respect to a Revolving Loan schedule shall reflect the applicable principal amount and the applicable interest rate.

Section 3.3. Interest on Revolving Loans. Each Revolving Loan made or maintained by the Lender shall bear interest during each Interest Period it is outstanding (computed on the basis of a year of 365 or 366 days, as applicable, and actual days elapsed) on the unpaid principal amount thereof at a rate per annum equal to the SIFMA Index Rate for such Interest Period; *provided, further,* that, the SIFMA Index Rate for a particular Advance relating to a Revolving Loan shall be determined by the Lender on the Computation Date immediately preceding the related Advance Date. Interest on each Loan shall be payable by the Authority to the Lender on each Interest Payment Date and on the Revolving Loan Maturity Date. Not less than two (2) Business Days prior to each Interest Payment Date, the Lender shall deliver to the Authority and the Trustee written notice, upon which the Authority and the Trustee may conclusively rely, of the amount of interest due and payable on such Revolving Loan on such Interest Payment Date; *provided, however,* that the failure by the Lender to provide notice of the amount of interest due and payable shall not relieve the Authority of its obligation to make payment of amounts as and when due hereunder.

Section 3.4. Repayment of Revolving Loans. The principal of each Revolving Loan shall be repaid in full by the Authority to the Lender on the Revolving Loan Maturity Date; *provided*, that if the conditions to the making of the Term Loan set forth in Section 4.2 hereof are satisfied on the Revolving Loan Maturity Date, the principal of all Revolving Loans shall be paid from the proceeds of the Term Loan.

Section 3.5. Prepayment of Revolving Loans. Subject to Section 2.9 hereof, the Authority may prepay any Revolving Loan, in whole or in part, on any Business Day provided at least three (3) days' written notice is provided by the Authority to the Lender. Each such notice of optional prepayment shall be irrevocable and shall bind the Authority to make such prepayment in accordance with such notice. All prepayments of principal shall include accrued interest to the date of prepayment and all other amounts due pursuant to this Agreement.

ARTICLE IV

THE TERM LOAN

Section 4.1. Term Loan. The outstanding principal amount of a Revolving Loan shall convert to a Term Loan on the Revolving Loan Maturity Date, if the conditions set forth in Section 4.2 hereof are satisfied on the Revolving Loan Maturity Date. The Term Loan shall constitute Parity Debt under the Indenture.

Section 4.2. Conditions Precedent to Term Loan. The obligation of the Lender to convert the principal amount owed for all Revolving Loans to the Term Loan shall be subject to the fulfillment of each of the following conditions precedent on or before the Revolving Loan Maturity Date in a manner satisfactory to the Lender:

(a) The following statements shall be true and correct on the Conversion Date, and the Lender shall have received a certificate incorporating by reference the definitions of the capitalized terms defined in this Agreement, signed by an Authorized Representative set forth on the Authorized Representative Certificate and dated the Conversion Date, stating that:

(i) the representations and warranties of the Authority contained in the Indenture, the Bank Note and this Agreement are true and correct, and deemed made, on and as of the Conversion Date as though made on and as of such date (except to the extent any such representation or warranty specifically relates to an earlier date, then such representation or warranty shall be true and correct as of such earlier date);

(ii) No Material Adverse Effect shall have occurred; and

(iii) no Default or Event of Default has occurred and is continuing as of such Conversion Date or would result from converting the Revolving Loans to a Term Loan as requested; and

(b) (A) the Lender shall be satisfied that the opinion of Bond Counsel delivered pursuant to Section 2.4(b)(iv) hereof remains in full force and effect with respect to the Term Loan or (B) the Lender shall have received (1)(x) an opinion from Bond Counsel dated the date of the Term Loan as to the exclusion of interest on the Term Loan from gross income for federal income tax purposes, in form and substance satisfactory to the Lender and as to the validity and enforceability with respect to the Authority of this Agreement, the Bank Note and the Indenture, (y) an executed Supplemental Tax Certificate and (z) an IRS Form 8038-G has been duly completed by the Authority and signed by the Authority or (2) the Lender shall have received an opinion of Bond Counsel in form and substance satisfactory to the Lender (x) that such conversion will not adversely affect the tax exempt status of the interest on the Loans and (y) as the validity and enforceability with respect to the Authority of this Agreement, the Bank Note and the Indenture.

Section 4.3. Term Loan Evidenced by Bank Note. The principal amount of the Term Loan shall also be evidenced by the Bank Note in a principal amount equal to the Commitment in effect on the Revolving Loan Maturity Date. The Term Loan made by the Lender and all payments and prepayments on the account of the principal and interest of the Term Loan shall be recorded by the Lender on the schedule attached to the related Bank Note; *provided, however*, that the failure of the Lender to make any such endorsement or any error therein shall not affect the obligations of the Authority hereunder or under the related Bank Note in respect of unpaid principal and interest on the Term Loan.

Section 4.4. Interest on Term Loan. The Term Loan shall bear interest from the Conversion Date to the date the Term Loan is paid in full at a rate per annum equal to the Lender Rate as determined by the Lender pursuant to Section 2.5 hereof. Interest on the Term Loan shall be paid by the Authority to the Lender, for the account of the Lender, monthly in arrears on each Interest Payment Date. Interest on the Term Loan shall be calculated on the basis of a year of 365 or 366 days, as applicable based on the actual number of days elapsed. Not less than two (2) Business Days prior to each Interest Payment Date, the Lender shall deliver to the Authority and the Trustee written notice, upon which the Authority and the Trustee may conclusively rely, of the amount of interest due and payable on the Term Loan on such Interest Payment Date; *provided, however*, that the failure by the Lender to provide notice of the amount of interest due and payable shall not relieve the Authority of its obligation to make payment of amounts as and when due hereunder.

Section 4.5. Repayment of Term Loan. The principal of the Term Loan shall be paid by the Authority in installments payable on each Amortization Payment Date (each such payment, an "*Amortization Payment*"), with the final installment in an amount equal to the entire then-outstanding principal amount of the Term Loan to be paid in full on the Amortization End Date (the period commencing on the Conversion Date and ending on the Amortization End Date is herein referred to as the "*Amortization Period*"). Each Amortization Payment shall be that amount of principal which will result in equal (as nearly as possible) aggregate Amortization Payments over the Amortization Period. Not less than two (2) Business Days prior to each Amortization Payment Date, the Lender shall deliver to the Authority and the Trustee written notice, upon which the Authority and the Trustee may conclusively rely, of the amount of principal due and payable on the Term Loan on such Amortization Payment Date; *provided, however*, that

the failure by the Lender to provide notice of the amount of principal due and payable shall not relieve the Authority of its obligation to make payment of amounts as and when due hereunder. The Authority acknowledges that the foregoing payment schedule may result in a final payment substantially higher than the preceding payments. Subject to Section 9.2 hereof, upon the occurrence of an Event of Default or pursuant to Section 9.3 hereof, the Lender may cause the acceleration of the related Bank Note by delivering a written notice to the Trustee and the Authority that an Event of Default has occurred and is continuing and instructing the Trustee and the Authority that the related Bank Note is subject to acceleration.

Section 4.6. Prepayment of Term Loan. The Authority may prepay the Term Loan, in whole or in part, on any Business Day, without cost, penalty or premium, provided at least three (3) days' written notice is provided by the Authority to the Lender. Each such notice of optional prepayment shall be irrevocable and shall bind the Authority to make such prepayment in accordance with such notice. All prepayments of principal shall include accrued interest to the date of prepayment and all other amounts due pursuant to this Agreement.

ARTICLE V

SECURITY

Section 5.1. Security. (a) The Obligations of the Authority hereunder are special obligations secured by a pledge of and lien on the Revenues and Pledged Funds pursuant to the Indenture.

(b) The Reimbursement Obligations of the Authority hereunder shall constitute Parity Debt under the Indenture and the Indenture creates the pledge of the Revenues and the Pledged Funds to secure the Reimbursement Obligations. Such pledge of and lien on the Revenues and the Pledged Funds under the Indenture is a valid and binding pledge of the Authority, on a *pari passu* basis with the holders of all Parity Debt and shall only be subordinate to the Lien on Revenues and the Pledged Funds securing Senior Lien Debt, if any. No filing, registration, recording or publication of the Indenture or any other instrument nor any prior separation or physical delivery of the Revenues or the Pledged Funds is required to establish the pledge provided for under the Indenture or to perfect, protect or maintain the Lien created thereby on the Revenues, the Pledged Funds and amounts held under the Indenture to secure the Bank Note.

(c) The Authority hereby grants, in addition to such grant under the Indenture, to the Lender a Lien on and pledge of the Revenues and the Pledged Funds to secure all Obligations of the Authority under this Agreement (other than Reimbursement Obligations) and the payment of the portion of the Bank Note evidencing and securing Obligations (other than Reimbursement Obligations) which such Lien on and pledge of the Revenues and the Pledged Funds shall be junior and subordinate in all respects to the Liens on, security interest in and the pledge of the Revenues and the Pledged Funds set forth in the Indenture and this Agreement securing the Senior Lien Debt and Parity Debt, as applicable. No filing, registration, recording or publication of this Agreement or the Indenture or any other instrument nor any prior separation or physical delivery of the Revenues or the Pledged Funds is required to establish the pledge provided for under this

Agreement or the Indenture or to perfect, protect or maintain the Lien created thereby on the Revenues and the Pledged Funds to secure the Obligations hereunder.

(d) The Authority's obligations to repay each Advance, Revolving Loan and Term Loan and to pay interest thereon as provided herein and to pay all other Obligations shall be evidenced and secured by the Bank Note, and the Authority shall, without duplication (i) make a principal payment on the Bank Note on each date on which the Authority is required to make a principal payment on an Advance, Revolving Loan and Term Loan, as applicable, in an amount equal to the principal payment due on such date, (ii) pay interest on the Bank Note on each date on which the Authority is required to make an interest payment with respect to an Advance, Revolving Loan and Term Loan, as applicable, in an amount equal to the interest payment due on such date and (iii) make payment on the Bank Note on each date on which any other Obligation is due and owing hereunder in an amount equal to the amount of such Obligation on such date.

ARTICLE VI

LIABILITY, INDEMNITY AND PAYMENT

Section 6.1. Liability of the Authority. The Authority and the Lender agree that the obligation of the Authority to pay the Obligations are contractual obligations of the Authority payable solely from the Revenues and shall not be affected by, and the Lender shall not be responsible for, among other things, (i) the validity, genuineness or enforceability of this Agreement, the Bank Note or documents, notices or endorsements relating thereto (even if this Agreement or any documents, notices endorsements relating thereto should in fact prove to be in any and all respects invalid, fraudulent or forged), (ii) the use to which the amounts disbursed by the Lender may be put, or (iii) any other circumstances or happenings whatsoever, whether or not similar to any of the foregoing.

Section 6.2. Indemnification by the Authority. (a) In addition to any and all rights of reimbursement, indemnification, subrogation or any other rights pursuant hereto or under law or equity, the Authority hereby agrees (to the extent permitted by law) to indemnify and hold harmless the Lender, each Participant and each Noteholder and their respective officers, directors and agents (each, an "*Indemnitee*") from and against any and all claims, damages, losses, liabilities, reasonable costs or expenses whatsoever (including reasonable attorneys' fees) which may incur or which may be claimed against an Indemnitee by any Person or entity whatsoever (collectively, the "*Liabilities*") by reason of or in connection with (i) the execution and delivery or transfer of, or payment or failure to pay under, any Program Document; (ii) the making of any Advances or any Loans; (iii) the use of the proceeds of the Bank Note, Advances or Loans; (iv) any breach by the Authority of any warranty, covenant, term or condition in, or the occurrence of any default by it under any of the Program Documents, together with all reasonable expenses resulting from the compromise or defense of any claims or liabilities arising as a result of any such breach or default; (v) any action or proceeding relating to a court order, injunction or other process or decree restraining or seeking to restrain the Lender from paying any amount under this Agreement (other than actions or proceedings instituted by or on behalf of the Lender); or (vi) any investigation, litigation or other proceeding (whether or not the Lender or any Participant is a party thereto) related to the entering into and/or each performance of any of the Program Document or the use

of the proceeds of any Advance or any Loan under this Agreement; *provided* that the Authority shall not be required to indemnify an Indemnitee for any claims, damages, losses, liabilities, costs or expenses to the extent, but only to the extent, caused by the willful misconduct or gross negligence of such Indemnitee, as determined by a court of competent jurisdiction in a final nonappealable judgment. Nothing under this Section 6.2 is intended to limit the Authority's payment of the Obligations. To the fullest extent permitted by applicable law, the Authority shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Program Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, or the use of the proceeds thereof.

(b) Notwithstanding anything to the contrary contained in this Section 6.2, (i) the Authority shall have no obligation to indemnify the Lender for damages that the Authority proves were caused solely out of the gross negligence or willful misconduct of such Person, as determined by a court of competent jurisdiction in a final non-appealable judgment, and (ii) the Authority shall have a claim against the Lender and the Lender shall be liable to the Authority, to the extent of any direct, as opposed to consequential, damages suffered by the Authority which the Authority proves were caused solely by the Lender's gross negligence or willful misconduct, as determined by a court of competent jurisdiction.

(c) The obligations of the Authority under this Section 6.2 shall survive the payment of the Bank Note, the Loans and all other Obligations and the termination of this Agreement.

Section 6.3. Increased Costs. (a) If the Lender shall determine that any Change in Law now existing or hereafter adopted shall:

(i) impose, modify or deem applicable any reserve, capital or liquidity ratio, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or advances, loans or other credit extended or participated in by, or other acquisitions of funds by, the Lender, any Participant or any Noteholder;

(ii) subject the Lender, any Participant or any Noteholder to any Tax (except for Taxes on the overall net income or share capital of the Lender, such Participant or such Noteholder) of any kind whatsoever with respect to this Agreement, any Bank Note, the Advances, the Revolving Loans or the Term Loan or change the basis of taxation of payments to the Lender, such Participant or such Noteholder in respect thereof (except for Indemnified Taxes or Miscellaneous Taxes covered by Section 6.4 hereof and the imposition of, or any change in the rate of any Excluded Tax payable by the Lender, such Participant or such Noteholder); or

(iii) impose upon the Lender, any Participant or any Noteholder any other condition or expense with respect to this Agreement, any Bank Note, the Advances, the Revolving Loans, or the Term Loan;

and the result of any of the foregoing is to increase the cost to, reduce the income receivable by, or impose any expense (including loss of margin) upon the Lender, such Participant or such Noteholder with respect to this Agreement, the Bank Note, the Advances, the Revolving Loans or the Term Loan (or in the case of any capital adequacy or similar requirement, to have the effect of reducing the rate of return on the Lender's, any Participant's or any Noteholder's capital), then the Lender shall from time to time notify, or cause to be notified, the Authority of the amount determined in good faith by the Lender, such Participant or such Noteholder, as applicable (which determination shall be conclusive absent manifest error) to be necessary to compensate the Lender, such Participant or such Noteholder, as applicable, for such increase, reduction or imposition and provide the Authority with the calculations made to determine such amount.

(b) *Capital or Liquidity Requirements.* If the Lender, any Participant or any Noteholder determines that any Change in Law affecting the Lender, such Participant or such Noteholder, as applicable, or any of their parent or holding companies, if any, regarding capital or liquidity requirements, has or would have the effect of (i) affecting the amount of capital or liquidity required or expected to be maintained by the Lender or such Participant or the Lender's or such Participant's parent or holding company, as applicable, to a level above that which the Lender or such Participant or Lender's or such Participant's parent or holding company would have maintained but for such Change in Law or (ii) reducing the rate of return on the Lender, such Participant or such Noteholder, or any of their parent or holding companies, holding, if any, as a consequence of this Agreement, or making, maintenance or funding of, any Loan hereunder, to a level below that which the Lender, such Participant or such Noteholder, or their respective parent or holding companies could have achieved but for such Change in Law (taking into consideration the Lender's, such Participant's or such Noteholder's policies and the policies of their parent or holding companies with respect to capital or liquidity adequacy, as applicable), then from time to time upon written request of the Lender as set forth in clause (c) of this Section, the Authority shall promptly pay to the Lender, such Participant or such Noteholder, as the case may be, such additional amount or amounts as will compensate the Lender, such Participant or such Noteholder, or their parent or holding companies, as applicable, for any such reduction suffered.

(c) *Certificates for Reimbursement.* A certificate of a Lender, any Participant or any Noteholder setting forth the amount or amounts necessary to compensate the Lender, such Participant or such Noteholder, or their parent or holding companies, as the case may be, as specified in paragraph (a) or (b) of this Section and delivered to the Authority, shall be conclusive absent manifest error. The Authority shall pay the Lender, such Participant or such Noteholder, as the case may be, the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

(d) *Delay in Requests.* Failure or delay on the part of the Lender, such Participant or such Noteholder to demand compensation pursuant to this Section shall not constitute a waiver of the Lender's, such Participant's or such Noteholder's right to demand such compensation. The Authority shall not be required to compensate, or cause to be compensated, the Lender, such Participant or such Noteholder or any of their parent or holding companies, as applicable, pursuant to this Section 6.3 in respect of a period occurring more than six (6) months prior to the date the above-described written demand is given to the Authority with respect thereto (the "*Cut-Off Date*"), except where (i) the Lender, such Participant or such Noteholder or the Lender's, such

Participant's or such Noteholder's parent or holding company, as applicable, had no actual knowledge of the action resulting in such increased costs, increased capital or charges or reduction in rate of return, as applicable, as of the Cut-Off Date or (ii) such increased costs, increased capital or reduction in rate of return applies to the Lender, such Participant or such Noteholder or the Lender's, such Participant's or such Noteholder's parent or holding company, as applicable, retroactively to a date prior to the Cut-Off Date.

(e) (i) In the event a Taxable Date occurs, the Authority hereby agrees to pay to the Lender, any Participant or the Noteholder on demand therefor (1) an amount equal to the positive difference between (A) the amount of interest that would have been paid to the Lender, such Participant or the Noteholder, as applicable, on any Revolving Loans and/or Term Loan during the period for which interest on such Revolving Loans and/or Term Loan, as applicable, is includable in the gross income of the Lender, such Participant or the Noteholder, as applicable, if such Revolving Loans and/or Term Loan had borne interest at the Taxable Rate, beginning on the Taxable Date (the "*Taxable Period*"), and (B) the amount of interest actually paid to the Lender, such Participant or the Noteholder, as applicable, during the Taxable Period, and (2) an amount equal to any interest, penalties or charges owed by the Lender, any Participant or a Noteholder, as applicable, as a result of interest on the Revolving Loans and/or Term Loan becoming includable in the gross income of the Lender, such Participant or such Noteholder, as applicable, together with any and all reasonable attorneys' fees, court costs, or other out-of-pocket costs incurred by the Lender, such Participant or such Noteholder, as applicable, in connection therewith.

(ii) Subject to the provisions of clauses (iii) and (iv) below, the Lender shall afford the Authority the opportunity, at the Authority's sole cost and expense, to contest (1) the validity of any amendment to the Code which causes the interest on such Revolving Loans and/or Term Loan to be includable in the gross income of the Lender, any Participant or such Noteholder or (2) any challenge to the validity of the tax exemption with respect to the interest on the Revolving Loans and/or Term Loan, including the right to direct the necessary litigation contesting such challenge (including administrative audit appeals); *provided* that, in no event shall the Lender, any Participant or the Noteholder be required to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Authority or any other Person.

(iii) As a condition precedent to the exercise by the Authority of its right to contest set forth in clause (ii) above, the Authority shall, on demand, immediately reimburse the Lender, such Participant or such Noteholder, as applicable, for any and all reasonable expenses (including reasonable attorneys' fees for services that may be required or desirable) that may be incurred by the Lender, such Participant or such Noteholder, as applicable, in connection with any such contest, and shall, on demand, immediately reimburse the Lender, such Participant or such Noteholder, as applicable, for any and all penalties or other charges payable by the Lender, such Participant or such Noteholder, as applicable, for failure to include such interest in its gross income; and

(iv) The obligations of the Authority under this Section 6.3 shall survive the termination of the Commitment and this Agreement.

Section 6.4. Taxes.

(a) *Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.* Any and all payments by or on account of any obligation of the Authority hereunder and under the Bank Note shall be made free and clear of and without reduction or withholding for any Indemnified Taxes or Miscellaneous Taxes; provided that if the Authority shall be required by Applicable Law to deduct any Indemnified Taxes (including any Miscellaneous Taxes) from such payments, then (i) to the fullest extent permitted by Applicable Law, the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Lender, such Participant or such Noteholder receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Authority shall make such deductions and (iii) the Authority shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with Applicable Law.

(b) *Payment of Miscellaneous Taxes by the Authority.* Without limiting the provisions of paragraph (a) above, the Authority shall timely pay any Miscellaneous Taxes to the relevant Governmental Authority in accordance with Applicable Law.

(c) *Indemnification by the Authority.* The Authority, to the fullest extent permitted by law, shall indemnify the Lender, each Participant and each Noteholder, within thirty (30) days after demand therefor, for the full amount of any Indemnified Taxes or Miscellaneous Taxes (including Indemnified Taxes or Miscellaneous Taxes imposed or asserted on or attributable to amounts payable under this Section) paid by the Lender, such Participant or such Noteholder and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Miscellaneous Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate stating the amount of such payment or liability delivered to the Authority by the Lender shall be conclusive absent manifest error. In addition, the Authority shall indemnify the Lender, any Participant and the other Noteholder, within ten (10) days after demand therefor, for any additional amounts that the Lender, any Participant or any Noteholder is required to pay as a result of any failure of the Authority to pay any Taxes when due to the appropriate Governmental Authority or to deliver to the Lender, any Participant and the other holders of a Note, as applicable, pursuant to clause (d), documentation evidencing the payment of Taxes.

Prior to claiming compensation pursuant to this subsection (c), the Lender, the Participant or the Noteholder, as applicable, will use reasonable efforts to investigate the alternatives (if any) for avoiding the need for, or the reduction of the amount of, such compensation, and the Lender, the Participant or the Noteholder, as applicable, shall take all reasonable steps to so avoid the need for, or reduce the amount of such compensation, *provided* that, none of the Lender, the Participant or the Noteholder shall be obligated to take any steps that are adverse to its business or operations or inconsistent with its policies. The Lender, the Participant and the Noteholder, as applicable, agrees to repay the Authority any refund (including that portion of any interest that was included as part of such refund) with respect to Taxes paid by the Authority pursuant to this subsection (c) received by the Lender, the Participant or the Noteholder, as applicable, for Taxes that were paid by the Authority pursuant to this subsection (c) and to contest, with the cooperation and at the

expense of the Authority any such Taxes which the Lender or the Authority reasonably believes not to have been properly assessed.

(d) *Evidence of Payments.* As soon as practicable after any payment of Indemnified Taxes or Miscellaneous Taxes by the Authority to a Governmental Authority, the Authority shall deliver to the Lender, such Participant or such Noteholder, as applicable, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Lender, such Participant or such Noteholder, as applicable.

(e) *Treatment of Certain Refunds.* If the Lender, any Participant or any Noteholder determines, in its sole discretion, that it has received a refund of any Taxes or Miscellaneous Taxes as to which it has been indemnified pursuant to this Section (including additional amounts paid by the Authority pursuant to this Section), it shall pay to the Authority an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, under this Section with respect to the Taxes or Miscellaneous Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses of the Lender, such Participant or such Noteholder, as applicable, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that the Authority, upon the request of the Lender, such Participant or such Noteholder, as applicable, agrees to repay the amount paid over pursuant to this Section (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Lender, such Participant or such Noteholder, as applicable, in the event the Lender, such Participant or such Noteholder, as applicable, is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (e), in no event will the Lender, such Participant or such Noteholder, as applicable, be required to pay any amount to the Authority pursuant to this paragraph (e) the payment of which would place the Lender, such Participant or such Noteholder, as applicable, in a less favorable net after-Tax position than the Lender, such Participant or such Noteholder, as applicable, would have been in if the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require the Lender, such Participant or such Noteholder, as applicable, to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Authority or any other Person.

(f) *Survival.* Without prejudice to the survival of any other agreement of the Authority hereunder, the agreements and obligations of the Authority contained in this Section shall survive the termination of this Agreement and the payment in full of the Bank Note and the Obligations of the Authority thereunder and hereunder.

(g) *Status of Lender; Tax Documentation.* (i) If the Lender, a Participant or a Noteholder is entitled to an exemption from or reduction of withholding Taxes with respect to payments made hereunder or under any Program Document, the Lender, such Participant or such Noteholder, as applicable, shall deliver to the Authority at the time or times reasonably requested by the Authority or the Lender, such properly completed and executed documentation reasonably requested by the Authority or as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, the Lender, such Participant or such Noteholder if reasonably requested by the Authority, shall deliver such other documentation prescribed by

applicable Law or reasonably requested by the Authority as will enable the Authority to determine whether or not the Lender, such Participant or such Noteholder is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 6.4(g)(ii) below) shall not be required if, in the Lender's, such Participant's or such Noteholder's reasonable judgment, such completion, execution or submission would subject the Lender, such Participant or such Noteholder to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of the Lender, such Participant or such Noteholder.

(ii) Without limiting the generality of the foregoing, if the Authority is resident for tax purposes in the United States, the Lender, such Participant or such Noteholder shall deliver to the Authority (and from time to time thereafter upon the reasonable request of the Authority), executed originals of IRS Form W-9 certifying that the Lender, such Participant or such Noteholder, as applicable, is exempt from U.S. federal backup withholding tax.

Section 6.5. Calculation of Interest and Fees; Maximum Interest Rate; Default Rate.

(a) Interest on Revolving Loans and Term Loan shall be calculated on the basis of a year of 365 or 366 days, as applicable, based on the actual number of days elapsed and fees payable hereunder shall be calculated on the basis of a year of 365 or 366 day year, as applicable, based on the actual number of days elapsed.

(b) Any and all amounts remaining unpaid when due under this Agreement shall bear interest at the Default Rate until repaid and shall be payable upon demand. Any such amounts which constitute interest remaining unpaid when due shall be added to principal, and such interest shall, in turn, bear interest at the Default Rate until repaid and shall be payable upon demand. Upon the occurrence and during the continuance of an Event of Default, the Obligations shall bear interest at the Default Rate, which interest shall be payable by the Authority to the Lender upon demand therefor and be calculated on the basis of a 365 or 366 day year, as applicable based on the actual number of days elapsed.

(c) In the event that the rate of interest payable hereunder shall exceed the Maximum Rate for any period for which interest is payable, then (i) interest at the Maximum Rate shall be due and payable with respect to such interest period and (ii) interest at the rate equal to the difference between (A) the rate of interest calculated in accordance with the terms hereof and (B) the Maximum Rate (the "*Excess Interest Amount*"), shall be deferred until such date as the rate of interest calculated in accordance with the terms hereof ceases to exceed the Maximum Rate, at which time the Authority shall pay to the Lender, with respect to amounts then payable to the Lender that are required to accrue interest hereunder, such portion of the deferred Excess Interest Amount as will cause the rate of interest then paid to the Lender, to equal the Maximum Rate, which payments of deferred Excess Interest Amount shall continue to apply to such unpaid amounts hereunder until all deferred Excess Interest Amount is fully paid to the Lender. Notwithstanding the foregoing, on the date on which no principal amount with respect to the Loans remains unpaid, the Authority shall pay to the Lender a fee equal to any accrued and unpaid Excess Interest Amount.

(d) All amounts paid pursuant to this Agreement shall be non-refundable and shall be paid in immediately available funds.

Section 6.6. Liability of the Lender. None of the Lender nor any of their officers, directors, employees, representatives or agents shall be liable or responsible for (i) the use which may be made of any Advances, any Loans or this Agreement or for any acts, omissions, errors, interruptions, delays in transmission, dispatch or delivery of any message or advice, however transmitted, of the Lender in connection with this Agreement, any Advances, any Loans or any Bank Note, (ii) any action, inaction or omission which may be taken by the Lender in connection with this Agreement, any Advances, any Loans or any Bank Note, (iii) the validity, sufficiency or genuineness of documents, or of any endorsements thereon, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent or forged, (iv) payment by the Lender against presentation of documents which do not comply with the terms of this Agreement or a Request for Advance, including failure of any documents to bear any reference or adequate reference to this Agreement, or (v) any other circumstances whatsoever in making or failing to make payment under this Agreement or pursuant to a Request for Advance, except for acts or events described in the immediately preceding clauses (i) through (iv), to the extent, but only to the extent, of any direct, as opposed to special, indirect, consequential or punitive, damages (the right to receive special, indirect, consequential or punitive damages being hereby waived) suffered by it which the Authority proves were caused by (y) the Lender's willful misconduct or gross negligence in determining whether documents presented under this Agreement comply with the terms of this Agreement or (z) the Lender's failure to pay hereunder after the presentation to it of a Request for Advance strictly complying with the terms and conditions of this Agreement. The Authority further agrees that any action taken or omitted by the Lender under or in connection with this Agreement or the related draft or documents, if done without willful misconduct or gross negligence, shall be effective against the Authority as to the rights, duties and obligations of the Lender and shall not place the Lender under any liability to the Authority. In furtherance and not in limitation of the foregoing, the Lender may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary.

Section 6.7. Obligations Unconditional. The Authority's obligation to repay the Revolving Loans and the Term Loan and all of its other Obligations under this Agreement shall be absolute and unconditional under any and all circumstances, including without limitation: (a) any lack of validity or enforceability of this Agreement, any Bank Note or any of the other Program Documents; (b) any amendment or waiver of or any consent to departure from all or any of the Program Documents; (c) the existence of any claim, set-off, defense or other right which the Authority may have at any time against the Lender or any other person or entity, whether in connection with this Agreement, the other Program Documents, the transactions contemplated herein or therein or any unrelated transaction; or (d) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing; and irrespective of any setoff, counterclaim or defense to payment which the Authority may have against the Lender, any Participant, or any other Person, including, without limitation, any defense based on the failure of any non-application or misapplication of the proceeds of Advances hereunder, and irrespective of the legality, validity, regularity or enforceability of this Agreement, any Bank Note or any or all other Program Documents, and notwithstanding any amendment or waiver of (other than an

amendment or waiver signed by the Lender explicitly reciting the release or discharge of any such obligation), or any consent to, or departure from, this Agreement, any Bank Note or any or all other Program Documents or any exchange, release, or non-perfection of any collateral securing the obligations of the Authority hereunder; *provided, however*, that nothing contained in this Section 6.7 shall abrogate or otherwise affect the rights of the Authority pursuant to Section 6.6 hereof.

ARTICLE VII

In order to induce the Lender to enter into this Agreement, the Authority makes the following representations and warranties to the Lender:

Section 7.1. Organization; Existence. The Authority is a public entity established pursuant to the laws of the State of California validly organized and existing under and by virtue of the laws of the State of California.

The Authority has (and had at the time of adoption, execution, delivery, issuance, sale or performance) full power, right and authority to (a) own its properties and carry on its business as now conducted, (b) execute and deliver each of the Program Documents and to perform its obligations under each of the Program Documents to which it is a party, and any and all instruments and documents required to be executed, adopted or delivered pursuant to or in connection herewith or therewith; (c) issue the Bank Note as provided in the Program Documents and make payment of principal and interest, if any, on the Bank Note and to pay the Obligations at the times and in the manner set forth herein; and (d) perform each and all of the matters and things herein and in the Program Documents provided for and the Authority has complied in all material respects with the laws of the State in all matters relating to such execution, delivery and performance.

Section 7.3. Due Authorization, Etc. Each of the Program Documents to which the Authority is a party has been duly authorized, executed, issued and delivered. This Agreement, the Bank Note, the Indenture, the CDTFA Contract and the Tax Certificate constitute legal, valid and binding obligations of the Authority, enforceable against the Authority in accordance with their terms, except as such enforceability may be limited by the valid exercise of judicial discretion and the constitutional powers of the United States of America and to valid bankruptcy, insolvency, reorganization, moratorium, or other similar laws and equitable principles relating to or affecting creditors' rights generally from time to time in effect, the limitations on legal remedies imposed on actions against public entities in the State, and the application of State laws relating to conflicts of interest to which public entities are subject. The Obligations are payable from and secured by Revenues as set forth herein and in the Indenture.

Section 7.4. Necessary Actions Taken. The Authority has taken all actions necessary to be taken by it (a) for the issuance of the Bank Note upon the terms set forth in the Program Documents; (b) for the execution, adoption and delivery by the Authority of any and all such other instruments and the taking of all such other actions on the part of the Authority as may be necessary

or appropriate for the effectuation and consummation of the transactions on the part of the Authority contemplated by the Program Documents or in connection herewith or therewith; and (c) to authorize or approve, as appropriate, the execution, issuance and delivery of, and the performance of its obligations under and the transactions contemplated by each of the Program Documents to which it is a party and the payment of the Obligations at the times and in the manner set forth.

Section 7.5. No Contravention. The execution and delivery of each of the Program Documents to which the Authority is a party and compliance with the provisions hereof and thereof, will not in any material respect conflict with or result in a violation of the Constitution of the State or the laws of the State, including any debt limitations or other restrictions or conditions on the debt issuing power of the Authority, and will not in any material respect conflict with or result in a violation of, or breach of, or constitute a default under, any law, judgment, order, decree or administrative regulation or any of the terms, conditions or provisions of the organizational documents of the Authority or any ordinance, judgment, decree, contract, loan agreement, note, bond, resolution, indenture, mortgage, deed of trust or other agreement or instrument to which the Authority is a party or by which it or any property of the Authority is bound and will not, except as expressly provided herein, result in the imposition or creation of any lien, charge, or encumbrance upon or invalidate or adversely affect in any way the Revenues. The Authority has not received any notice, not subsequently withdrawn, given in accordance with the remedy provisions of any bond resolution or ordinance, trust indenture, guarantee or agreement or State law pertaining to bonds or notes secured by the Revenues, of any default or event of default of the Authority which has not been cured, remedied or waived.

Section 7.6. Compliance. The current collection of the Sales Tax Revenues and the management of the Authority and the accounting and recordkeeping therefor are in material compliance with all applicable state and federal laws and all applicable resolutions, ordinances and rules of the Authority. The Authority is in compliance with the terms and conditions of each of the Program Documents to which it is a party, and no breach of the terms hereof or thereof has occurred and is continuing, and no Default or Event of Default has occurred and is continuing. The Authority is in compliance with all insurance requirements applicable to the Authority. The Authority is in material compliance with all laws, ordinances, orders, writs, injunctions, decrees, rules and regulations applicable to it (including, without limitation, all applicable federal, state or local environmental, health and safety statutes and regulations, and the Authority's investment policy guidelines), except to the extent noncompliance could not reasonably be expected to have a Material Adverse Effect or a Material Adverse Operational Effect.

Section 7.7. No Default. No default by the Authority has occurred and is continuing in the payment of the principal of or premium, if any, or interest on any Sales Tax Revenue Obligations. No bankruptcy, insolvency or other similar proceedings pertaining to the Authority or any agency or instrumentality of the Authority are pending or presently contemplated. No Default or Event of Default has occurred and is continuing hereunder. No "default" or "event of default" under, and as defined in any of the other Program Documents has occurred and is continuing. The Authority is not presently in default under any material agreement to which it is a party which could reasonably be expected to have a Material Adverse Effect or a Material Adverse Operational Effect. The Authority is not in violation of any material term of the Act or

any material term of any bond indenture or agreement to which it is a party or by which any of its property or assets is bound which could reasonably be expected to have a Material Adverse Effect or a Material Adverse Operational Effect.

Section 7.8. No Public Vote or Referendum. There is no public vote or referendum pending or concluded or, to the Authority's knowledge, proposed, the results of which could reasonably be expected to have a Material Adverse Effect or a Material Adverse Operational Effect.

Section 7.9. No Immunity. Under existing law, the Authority is not entitled to raise any defense of immunity (sovereign, governmental or otherwise) in connection with any legal proceedings to enforce or collect upon this Agreement, the Bank Note or the transactions contemplated hereby or thereby, including the payment of the Obligations, that has not been waived under this Agreement, subject to the presentment requirements set forth in and other requirements of the California Government Claims Act (Section 810, et seq. of the California Government Code). The Authority agrees that to the extent that the Authority has or hereafter may acquire under any applicable law any right to immunity from set-off or legal proceedings on the grounds of sovereignty or other similar grounds, the Authority hereby irrevocably waives, to the extent permitted by applicable law, such rights to immunity or other similar grounds for itself in respect of its obligations arising under or related to this Agreement or the other Program Documents to which it is a party.

Section 7.10. Litigation. There is no action, suit or proceeding pending in any court, any other governmental authority with jurisdiction over the Authority or any arbitration in which service of process has been completed against the Authority or, to the best knowledge of any of the Authority's Executive Director, Chief Deputy Director or Deputy Director for Finance & Administration, any other action, suit or proceeding pending or threatened in any court, any other governmental authority with jurisdiction over the Authority or any arbitrator, in either case against the Authority or its properties or revenues, or any of the Program Documents to which it is a party, which if determined adversely to the Authority would be reasonably likely to have a Material Adverse Effect or a Material Adverse Operational Effect.

Section 7.11. Disclosure. To the best knowledge of the Authority, no document, certificate or statements of the Authority (including the unaudited financial statements, reports, budgets, projections and cash flows of the Authority) furnished to the Lender by or on behalf of the Authority in connection with the transactions contemplated hereby contains any untrue statement of any material fact.

Section 7.12. Financial Information. (a) As of the Effective Date, the Authority has delivered to the Lender a copy of the audited financial statements for the Authority for the Fiscal Year ended June 30, 2023. Such audited financial statements together with related notes, fairly present the financial position and results of operation of the Authority as of the date and for the periods therein set forth. All such financial statements have been prepared in accordance with GAAP. As of the Effective Date, there has been no Material Adverse Operational Effect since June 30, 2023, except as has been disclosed to the Lender in writing. The Authority has no material contingent liabilities or other material contracts or commitments payable from the Sales Tax

Revenues which are not reflected in such financial statements previously delivered to the Lender or in the notes thereto or otherwise as disclosed to the Lender in writing.

(b) Subsequent to the Effective Date, the audited financial statements for the Authority delivered to the Lender pursuant to Section 8.2(a) hereof, with related notes, fairly present the financial position and results of operation of the Authority as of the date and for the periods therein set forth. All such financial statements have been prepared in accordance with GAAP. The Authority has no material contingent liabilities or other material contracts or commitments payable from the Revenues which are not reflected in such financial statements delivered to the Lender or in the notes thereto or otherwise as disclosed to the Lender in writing.

Section 7.13. Official Signatures. The Authorized Representative, on behalf of the Authority, has and had full power and authority to execute and deliver each of the Program Documents which are to be executed and delivered by or on behalf of the Authority on the Effective Date and perform under each of the Program Documents to which the Authority is a party. Any agreement, certificate or request signed by or on behalf of any Authorized Representative of the Authority and delivered to the Trustee or the Lender shall be deemed a representation and warranty by the Authority to the Lender as to the truth, accuracy and completeness of the statements made by the Authority therein.

Section 7.14. Incorporation of Representations and Warranties by Reference. The Authority hereby makes to the Lender the same representations and warranties made by the Authority in each Program Document delivered on the date hereof to which the Authority is a party, which representations and warranties, as well as the related defined terms contained therein, are hereby incorporated by reference for the benefit of the Lender with the same effect as if each and every such representation and warranty and defined term were set forth herein in its entirety. Except as permitted by Section 8.15 hereof, no amendment to such representations and warranties or defined terms made pursuant to any Program Document delivered on the date hereof shall be effective to amend such representations and warranties and defined terms as incorporated by reference herein without the prior written consent of the Lender.

Section 7.15. Environmental Matters. The Authority's operations are in material compliance with all of the requirements of applicable federal, state and local environmental, health and safety statutes and regulations and to the best knowledge of any of the Authority's Executive Director, Chief Deputy Director or Deputy Director for Finance & Administration are not the subject of any governmental investigation evaluating whether any remedial action is needed to respond to a release of any toxic or hazardous waste or substance into the environment, where a failure to comply with any such requirement or the need for any such remedial action would have a Material Adverse Effect or a Material Adverse Operational Effect.

Section 7.16. Security. The Indenture creates the legally valid, binding and irrevocable lien on and pledge of the Revenues and the Pledged Funds to secure the Reimbursement Obligations. Each of the Agreement and the Indenture creates the legally valid, binding and irrevocable lien on and pledge of the Revenues and the Pledged Funds to secure the Obligations (other than the Reimbursement Obligations) and the portion of the Bank Note evidencing and securing Obligations (other than the Reimbursement Obligations). There is no Lien on the Revenues and

the Pledged Funds other than the Liens created by or pursuant to the Indenture and this Agreement. The Indenture does not permit the issuance of any Debt secured by the Revenues to rank senior to the lien on Revenues securing the Reimbursement Obligations, other than Senior Lien Debt issued under the Indenture. The payment of the Reimbursement Obligations ranks on a parity with the payment of principal of and interest on Parity Debt, is not subordinate to the payment of any Secured Debt secured by a Lien on the Sales Tax Revenues or the Pledged Funds or any other claim other than payments with respect to the principal of and interest on the Senior Lien Debt, and is prior as against all other Persons having claims of any kind in tort, contract or otherwise, whether or not such Persons have notice of the Lien. No filing, registering, recording or publication of the Indenture or any other instrument is required to establish the pledge under the Indenture or to perfect, protect or maintain the Lien created thereby on the Revenues and the Pledged Funds to secure the Bank Note and the Obligations. Under the terms of the Indenture, the Revenues cannot secure any Debt of the Authority other than Senior Lien Debt, the Bank Note, Parity Debt, the Obligations and Subordinate Obligations. The Revenues are not and shall not be pledged to secure the payment of any obligations of the Authority other than the foregoing. The Bank Note will be duly issued and the portion of such Bank Note evidencing and securing Reimbursement Obligations shall constitute Parity Debt under the Indenture and will be entitled to the benefits thereof.

Section 7.17. Investment Company Act. The Authority is not an “investment company” or a company “controlled” by an “investment company,” as such terms are defined in the Investment Company Act of 1940, as amended.

Section 7.18. ERISA; Plans; Employee Benefit Plans. The Authority is not subject to ERISA and maintains no Plans.

Section 7.19. Pending Legislation and Decisions. There is no amendment, or to the knowledge of the Authority’s Executive Director, Chief Deputy Director or Deputy Director for Finance & Administration, proposed amendment to the Constitution of the State or any State law or any administrative interpretation of the Constitution of the State or any State law, or any legislation that has passed either house of the legislature of the State, or any judicial decision interpreting any of the foregoing, the effect of which will have a Material Adverse Effect or a Material Adverse Operational Effect.

Section 7.20. Usury. There is no limitation under California law on the rate of interest payable by the Authority with respect to the Bank Note or the Obligations or with respect to the Authority’s obligations to the Lender hereunder or under the Bank Note.

Section 7.21. Margin Regulations. No portion of the proceeds of any Advance or Loan hereunder shall be used by the Authority (or the Trustee or any other Person on behalf of the Authority) for the purpose of “purchasing” or “carrying” any margin stock or used in any manner which might cause the borrowing or the application of such proceeds to violate Regulation G, Regulation U or X of the Board of Governors of the Federal Reserve System or any other regulation of the Authority or to violate the Securities Exchange Act of 1934, as amended, in each case as in effect on the date or dates of such Advances and such use of proceeds.

Section 7.22. Anti-Corruption Laws; Sanctions. The Authority and, to the knowledge of the Authority, its respective directors, officers, and employees and the agents of the Authority are in compliance with Anti-Corruption Laws and all applicable Sanctions in all material respects. The Authority has implemented and maintains in effect policies and procedures designed to ensure compliance with Anti-Corruption Laws and applicable Sanctions. Neither the Authority nor, to the knowledge of the Authority, any director, officer, employee, agent, or affiliate of the Authority is an individual or entity that is, or is 50% or more owned (individually or in the aggregate, directly or indirectly) or controlled by individuals or entities (including any agency, political subdivision or instrumentality of any government) that are (a) the target of any Sanctions or (b) located, organized or resident in a country or territory that is the subject of Sanctions (at the time of this Agreement, Cuba, Iran, North Korea, Syria, Crimea, the so-called Donetsk People's Republic, the so-called Luhansk People's Republic, and the Kherson and Zaporizhzhia regions of Ukraine).

Section 7.23. Trustee. As of the Effective Date, U.S. Bank Trust Company, National Association is the duly appointed and acting Trustee.

Section 7.24. Tax Status of Interest on Loans and Bank Note. The Authority represents to the Lender that it has not taken any action, and to the best knowledge of any of the Authority's Executive Director, Chief Deputy Director or Deputy Director for Finance & Administration no other Person has taken any action, which would cause interest on the Loans or the Bank Note to be includable in the gross income of the recipients thereof for federal income tax purposes.

ARTICLE VIII

For the avoidance of doubt, this requirement shall not apply to the making of Advances or Loans hereunder.

(j) *Other Information.* Such other information regarding the business affairs, financial condition and/or operations of the Authority as the Lender may from time to time reasonably request.

The Authority will permit the Lender to disclose the information described in this Section 8.2 to any Participants or Noteholders hereunder.

Section 8.3. Maintenance of Books and Records. The Authority will keep proper books of record and account in which full, true and correct entries in accordance with the Authority's budget basis accounting principles and reporting practices will be made of all dealings or transactions in relation to its activities. All financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with GAAP applied on a consistent basis, as in effect from time to time, applied in a manner consistent with that used in preparing the financial statements, except as otherwise specifically prescribed herein. Except as provided in the immediately preceding sentence, in preparing any financial data or statements contemplated or referred to in this Agreement, the Authority shall not vary or modify the accounting methods or principles from the accounting standards employed in the preparation of its audited financial statements described in Section 7.12 hereof.

Section 8.4. Access to Books and Records. To the extent permitted by law, the Authority will permit any Person designated by the Lender (at the expense of the Lender, unless and until a Default or Event of Default has occurred, at which time it shall be at the expense of the Authority) to visit any of the offices of the Authority to examine the books and financial records (except books and financial records the examination of which by the Lender is prohibited by law or by attorney/client privilege), including minutes of meetings of any relevant governmental committees or agencies, and make copies thereof or extracts therefrom, and to discuss the affairs, finances and

accounts of the Authority with its principal officials, all at such reasonable times and as often as the Lender may reasonably request.

Section 8.5. Compliance With Documents. The Authority agrees that it will perform and comply with each and every covenant and agreement required to be performed or observed by it in the Indenture and each of the other Program Documents to which it is a party, which provisions, as well as related defined terms contained therein, are hereby incorporated by reference herein with the same effect as if each and every such provision were set forth herein in its entirety all of which shall be deemed to be made for the benefit of the Lender and shall be enforceable against the Authority. To the extent that any such incorporated provision permits the Authority or any other party to waive compliance with such provision or requires that a document, opinion or other instrument or any event or condition be acceptable or satisfactory to the Authority or any other party, for purposes of this Agreement, such provision shall be complied with unless it is specifically waived by the Lender in writing and such document, opinion or other instrument and such event or condition shall be acceptable or satisfactory only if it is acceptable or satisfactory to the Lender which shall only be evidenced by the written approval by the Lender of the same. Except as permitted by Section 8.15 hereof, no termination of or amendment to such covenants and agreements or defined terms or release of the Authority with respect thereto made pursuant to the Indenture or any of the other Program Documents to which the Authority is a party, shall be effective to terminate or amend such covenants and agreements and defined terms or release the Authority with respect thereto in each case as incorporated by reference herein without the prior written consent of the Lender. Notwithstanding any termination or expiration of the Indenture or any such other Program Document to which the Authority is a party, the Authority shall, unless the Indenture or such other Program Document, as applicable, has terminated in accordance with its terms and has been replaced by a new Indenture or Program Document, as applicable, continue to observe the covenants therein contained for the benefit of the Lender until the termination of this Agreement. All such incorporated covenants shall be in addition to the express covenants contained herein and shall not be limited by the express covenants contained herein nor shall such incorporated covenants be a limitation on the express covenants contained herein.

Section 8.6. Compliance With Law. The Authority shall comply with and observe the obligations and requirements set forth in the Constitution of the State and in all statutes and regulations binding upon it, including without limitation, any relating to the Program Documents to which the Authority is a party, except where noncompliance is not reasonably expected to result in a Material Adverse Change or Material Adverse Operational Effect.

Section 8.7. Receipt and Deposit of Sales Tax Revenues. The Authority shall use its best efforts to assure that the CDTFA pays the Sales Tax Revenues directly to the Trustee on a monthly basis; and if at any time any Sales Tax Revenues are paid to the Authority by the CDTFA instead of being paid directly to the Trustee, immediately upon receipt, the Authority shall transfer such Sales Tax Revenues to the Trustee to be held under the terms and provisions of the Indenture; and during such time as such Sales Tax Revenues are held by the Authority (prior to transfer to the Trustee), such Sales Tax Revenues will be impressed with a trust and held for the benefit of the Senior Lien Debt, Parity Debt, Subordinate Obligations and Noteholders under the Indenture pursuant to the terms of the Indenture.

Section 8.8. Further Assurances. From time to time hereafter, the Authority will execute and deliver such additional instruments, certificates or documents, and will take all such actions as the Lender may reasonably request for the purposes of implementing or effectuating the provisions of the Program Documents to which the Authority is a party or for the purpose of more fully perfecting or renewing the rights of the Lender with respect to the rights, properties or assets subject to such documents (or with respect to any additions thereto or replacements or proceeds thereof or with respect to any other property or assets hereafter acquired by the Authority which may be deemed to be a part thereof), including, without limitation, appealing any adverse administrative or judicial decision, finding, ruling or other determination that shall occur with respect to the existence of the Authority as an instrumentality of the State of California and supporting, to the extent permitted by the State Code of Civil Procedure and any other relevant Law, the Lender's filing of any impleader, intervention, joining or interpleader action with respect to any litigation with respect to the existence of the Authority as an instrumentality of the State of California. Upon the exercise by the Lender of any power, right, privilege or remedy pursuant to the Program Documents to which the Authority is a party which requires any consent, approval, registration, qualification or authorization of any governmental authority or instrumentality, the Authority will, to the fullest extent permitted by law, execute and deliver all necessary applications, certifications, instruments and other documents and papers that the Lender may be required to obtain for such governmental consent, approval, registration, qualification or authorization. At any time, and from time to time, upon request by the Lender, the Authority will, at the Authority's expense, correct any defect, error or omission which may be discovered in the form or content of any of the Program Documents to which the Authority is a party or protect the Lender and the Lender's interests, security, rights and remedies with respect to the Revenues or its security under the Indenture or hereunder. At all times, the Authority will defend, preserve and protect the pledge of certain funds pursuant to the Indenture and all the rights of the Lender hereunder and under the Indenture against all claims and demands of all Persons whatsoever.

Section 8.9. No Impairment. The Authority will neither take any action, nor cause the Trustee to take any action, under the Indenture or any Program Document which would materially adversely affect the rights, interests, remedies or security of the Lender under this Agreement or any other Program Document or which could result in a Material Adverse Effect or a Material Adverse Operational Effect; *provided* that modifications to the Indenture and/or Program Documents to allow the issuance of Debt or to provide the ability for Senior Lien Debt to be accelerated shall be deemed not to be adverse to the Lender's rights, interests, remedies or security so long as the Authority complies with Section 8.13 hereof with respect to such Debt.

Section 8.10. Application of Loan Proceeds. (a) The Authority will not take or omit to take any action, which action or omission will in any way result in the proceeds from any Advance or Loan being applied in a manner inconsistent with the Act, the Ordinances and the Indenture.

(b) The Authority shall not use any portion of the proceeds of the Loans for the purpose of carrying or purchasing any Margin Stock. The Authority shall not knowingly use, or allow to be used, the proceeds of any of the Loans (i) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws or (ii) in any manner that would result in the violation of any applicable Sanctions.

Section 8.11. Anti-Money Laundering Compliance. The Authority will provide such information and take such actions as are reasonably requested by the Lender to assist the Lender in maintaining compliance with anti-money laundering Laws.

Section 8.12. Trustee. The Authority will not, without the prior written consent of the Lender, which consent shall not be unreasonably withheld, (a) remove, or seek to remove the Trustee; or (b) appoint or consent to the appointment of any successor Trustee thereto. The Authority shall at all times maintain a Trustee pursuant to the terms of the Indenture that is acceptable to the Lender.

Section 8.13. Limitation on Additional Debt. The Authority will not issue and/or incur any additional Senior Lien Debt, Parity Debt or Subordinate Obligations, unless (i) the Maximum Annual Debt Service Coverage Ratio after giving effect to the issuance of such additional Senior Lien Debt, Parity Debt or Subordinate Obligations will be at least equal to 130%, (ii) with respect to Senior Lien Debt and Parity Debt, the Maximum Annual Debt Service Coverage Ratio after giving effect to the issuance of such additional Senior Lien Debt or Parity Debt will be at least equal to 150% and (iii) the Authority remains in compliance with the Program Documents and this Section 8.13. Promptly, and in any event within ten (10) Business Days following the issuance or incurrence of any Senior Lien Debt, Parity Debt or Subordinate Obligations, the Authority shall deliver to the Lender a certification executed by the Authority's duly appointed and acting Executive Director, Chief Deputy Director or Deputy Director for Finance & Administration as to compliance with all debt service coverage ratios that are required to be satisfied as a condition precedent to the issuance or incurrence of said Senior Lien Debt, Parity Debt or Subordinate Obligations. Notwithstanding the foregoing, the Authority will not issue any additional Senior Lien Debt, Parity Debt or Subordinate Obligations unless and until the following conditions have been satisfied: (a) no Event of Default shall have occurred and then be continuing (*provided, however,* that this clause (a) shall not preclude the Authority from issuing Senior Lien Debt, Parity Debt or Subordinate Obligations from and after the occurrence of an Event of Default if contemporaneously with the issuance of such indebtedness, this Agreement is terminated and all Obligations due and owing hereunder have been paid in full); (b) the aggregate principal amount of Sales Tax Revenue Obligations authorized to be issued under the Ordinances and the Indenture, together with all outstanding Sales Tax Revenue Obligations, shall not in combination exceed any limitation imposed by the Ordinances or the Act; and (c) the Authority shall have delivered to the Lender a certificate in the form attached hereto as Exhibit G-2 certifying that the Maximum Annual Debt Service Coverage Ratio after giving effect to the issuance of such additional Senior Lien Debt, Parity Debt or Subordinate Obligations will be at least equal to 130% with respect to Senior Lien Debt, Parity Debt and Subordinate Obligations and 150% with respect to Senior Lien Debt and Parity Debt. For the avoidance of doubt, the requirement to deliver a certificate of this clause (c) of Section 8.13 shall not apply to the making of Advances or Loans hereunder.

Section 8.14. Maintenance of Tax-Exempt Status of Loans and Bank Note. The Authority will not take any action or omit to take any action which, if taken or omitted, would adversely affect the exclusion of interest on the Loans or the Bank Note from gross income for purposes of federal income taxation or the exemption of such interest from State of California personal income taxes.

Section 8.15. Amendments to Indenture and Program Documents. The Authority will not amend or modify, or permit to be amended or modified the Indenture or any Program Document in a manner adverse to the Lender's rights, security or interests without the prior written consent of the Lender; *provided* that modifications to the Indenture and/or Program Documents to allow the issuance of Debt or to provide the ability for Senior Lien Debt to be accelerated shall be deemed not to be adverse to the Lender's rights, security or interests so long as the Authority complies with Section 8.13 hereof with respect to such Debt.

Section 8.16. Ratings. The Authority covenants and agrees that it shall at all times maintain at least two Authority Ratings from any of Fitch, Moody's or S&P. The Authority covenants and agrees that it shall not at any time withdraw or permit to be withdrawn any Authority Rating issued by any of Fitch, Moody's or S&P if the effect of such withdrawal would be to cure a Default or an Event of Default under this Agreement or to decrease the Applicable Spread or Commitment Fee Rate.

Section 8.17. Liens. The Authority shall not, directly or indirectly, incur, create or permit to exist any Lien on the Revenues or all or any part of the security provided by the Indenture that is senior to or on a parity with the Lien created by the Indenture for the benefit of the Bank Note and the Obligations, other than (i) Liens created under and in accordance with the terms of the Indenture; (ii) the Liens created for the benefit of the Bank Note, the Obligations, Parity Debt, the Senior Lien Debt, the Subordinate Obligations and reimbursement obligations owed to the provider of credit enhancement supporting Senior Lien Debt or Subordinate Obligations that have heretofore or may hereafter be issued; and (iii) Liens which could not reasonably be expected to materially adversely affect the interests, rights, remedies or security of the Lender under this Agreement and the Bank Note. In no event shall Swap Termination Payments have a lien on the Revenues that is prior to or on a parity with the Lien securing the Parity Debt and the Reimbursement Obligations.

Section 8.18. Sales Tax Related Laws. In the event that (i) either Ordinance is determined by a court of competent jurisdiction to be invalid or unenforceable or (ii) a referendum or court proceeding challenging either Ordinance is initiated or filed, the effect of which is to disrupt the transfer of Sales Tax Revenues from the CDTFA to the Trustee, the Authority shall (A) take all actions as may or shall be required to have such Ordinance acknowledged, reinstated or reapplied, as applicable, and (B) direct the CDTFA to directly transmit all Sales Tax Revenues associated with the Ordinances to the Trustee for repayment of the Bank Note, Advances and Term Loan and the interest therein as and when due.

Section 8.19. Substitute Credit Agreement or Refinancing. (a) The Authority agrees to use its commercially reasonable efforts to obtain a substitute Credit Agreement to replace this Agreement or otherwise refinance the Bank Note and pay all other Obligations hereunder in the event Advances or Loans are outstanding hereunder and (i) the Lender determines not to extend the Commitment Expiration Date or if the Authority fails to request such an extension (such replacement or refinancing to occur on or before the Commitment Expiration Date) or (ii) this Agreement is terminated.

(b) The Authority agrees that any substitute Credit Agreement will require, as a condition to the effectiveness of the substitute Credit Agreement, that the provider of such substitute Credit Agreement provide funds to the extent necessary, on the date the substitute Credit Agreement becomes effective, for payment of all Obligations hereunder and under the Bank Note. On the effective date of such substitute Credit Agreement or refinancing, as the case may be, the Authority shall pay in full all other amounts due under this Agreement and the Bank Note (including, without limitation, all Excess Interest Amount and unpaid interest thereon).

Section 8.20. Incorporation from Bank Agreements. (a) In the event that the Authority shall, directly or indirectly, enter into or otherwise consent to any credit agreement, liquidity agreement, standby bond purchase agreement, reimbursement agreement, direct purchase agreement, bond purchase agreement, line of credit, or other agreement or instrument (or any amendment, supplement or other modification thereof) that is Parity Debt under the Indenture (each a “*Bank Agreement*”) under which, directly or indirectly, any Person or Persons undertake(s) to make or provide funds to the Authority or to make payment of, or to purchase or provide credit enhancement for bonds or notes of the Authority secured by or payable from the Revenues, and which such Bank Agreement provides such Person with any more favorable remedies, including, without limitation, more favorable rights of acceleration (collectively, the “*Additional Rights*”) than are provided to the Lender in this Agreement, such Additional Rights shall automatically be deemed to be incorporated into this Agreement and the Lender shall have the benefits of such Additional Rights. Upon the request of the Lender, the Authority shall promptly enter into an amendment to this Agreement to include such Additional Rights, *provided* that the Lender shall maintain the benefit of such Additional Rights even if the Authority fails to provide such amendment. If the Authority shall amend the Bank Agreement such that it no longer provides for such Additional Rights, then, without the consent of the Lender, this Agreement shall automatically no longer contain the related Additional Rights, and the Lender shall no longer have the benefits of any of the related Additional Rights. Notwithstanding anything in this Section 8.20(a) to the contrary, the exercise of any Additional Rights by the Lender shall be subject to the terms and provisions of Article IX hereof.

(b) In the event that (i) the Authority shall enter into or otherwise consent to any Bank Agreement, which such Bank Agreement provides for any term or provision which permits any outstanding advance, loan or drawing to commence amortizing sooner or to amortize over a period shorter, in either case, than the time periods set forth Section 4.5 hereof (such earlier commencement or shorter amortization period, the “*Shorter Term Out Period*”), this Agreement shall automatically be deemed to be amended such that the time periods set forth in Section 4.5 hereof shall be such Shorter Term Out Periods. Upon the occurrence of the condition set forth in the immediately preceding sentence, the Authority shall promptly enter into an amendment to this Agreement such that the time periods set forth in Section 4.5 equal such Shorter Term Out Period, *provided* that the time periods set forth in Section 4.5 shall equal the Shorter Term Out Period regardless of whether this Agreement is amended. If the Authority shall amend the Bank Agreement such that it no longer provides for an earlier commencement of amortization or an amortization of the related advance, loan or drawing for a period less than the time periods set forth in Section 4.5, then, without the consent of the Lender, the time periods applicable to the commencement of amortization and the period of amortization shall once again equal the periods provided in Section 4.5 hereof.

Section 8.21. Immunity from Jurisdiction. To the fullest extent permitted by law, the Authority will not assert any immunity it may have as a public entity under the laws of the State of California from lawsuits with respect to this Agreement or the Bank Note. Any such suits shall be subject to all substantive and procedural requirements of California law.

Section 8.22. Swap Contracts. The Authority will not enter into any Swap Contract relating to Debt (i) wherein any termination payments thereunder are senior to or on parity with the payment of the Bank Note or any Obligations or (ii) which requires the Authority to post collateral to secure its obligations thereunder (other than a Lien on the Revenues and except to the extent required by any law or regulation not in effect on the Effective Date), in each case, without the prior written consent of the Lender.

Section 8.23. Use of Lender's Name. Except as may be required by law (including, but not limited to, federal and state securities laws and California Government Code (CGC) Sections 7920, et seq., (i.e., California Public Records Act)), the Authority shall not use the Lender's name in any published materials (other than the Authority's staff reports, resolutions, annual statements, audited financial statements, rating agency presentations) without the prior written consent of the Lender (which consent shall not be unreasonably withheld); *provided* that, without the prior written consent of the Lender, the Authority may identify the Lender as a party to this Agreement, the amount of the Commitment, the expiration date of this Agreement, that the Authority's obligations under this Agreement are secured by the Revenues and the terms of this Agreement that are not redacted in the versions of this Agreement filed with EMMA or the California Debt and Investment Advisory Commission as described below, in offering documents with respect to the Senior Lien Debt and the Subordinate Obligations, so long as no other information relating to the Lender is disclosed in such offering documents without the prior written consent of the Lender, which consent will not be unreasonably withheld; *provided, further*, that the Authority shall be permitted to file the Agreement with the California Debt and Investment Advisory Commission and on EMMA, with redactions that are reasonably satisfactory to the Lender.

Section 8.24. Debt Service Coverage Ratio. The Authority shall not permit the Debt Service Coverage Ratio to be less than 130% as of each Fiscal Year end.

Section 8.25. Final Maturity Date. The Authority shall not permit the final maturity date of any Senior Lien Debt, Parity Debt or Subordinate Obligations to be beyond the earliest of (i) the expiration date of the applicable provisions of Proposition L which permit the use of the Sales Tax Revenues to repay Senior Lien Debt, Parity Debt or Subordinate Obligations and (ii) March 1, 2053.

Section 8.26. Reserved.

Section 8.27. Defeasance. The Authority shall not defease or permit the defeasance of any Bank Note without the prior written consent of the Lender. For avoidance of doubt, this Section 8.27 shall not prevent the Authority from prepaying Loans in immediately available funds pursuant to and in accordance with the terms hereof.

Section 9.2. Rights and Remedies upon Default.

(a) *Acceleration.* (i) Upon the occurrence of an Immediate Acceleration Event, the Bank Note and all Obligations hereunder shall automatically become immediately due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Authority (unless such automatic acceleration is waived by Lender in writing);

(ii) Upon the occurrence of a Tier One Acceleration Event that has not been cured, by notice to the Authority, the Lender may declare the Bank Note and all Obligations hereunder to be immediately due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Authority and upon the Authority's receipt of any such notice of acceleration based upon a Tier One Acceleration Event, the Bank Note and all Obligations hereunder shall become immediately due and payable; and

(iii) Upon the occurrence of a Tier Two Acceleration Event, by notice to the Authority, the Lender may declare the Bank Note and all Obligations hereunder to be due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Authority and upon the date that is two hundred seventy (270) calendar days after the date that the Lender provides such notice of acceleration based upon a Tier Two Acceleration Event to the Authority, unless such Tier Two Acceleration Event has been cured, the Bank Note and all Obligations hereunder shall become immediately due and payable on such date.

(b) Upon the occurrence of any Event of Default hereunder, the Lender may take one or more of the following actions at any time and from time to time (regardless of whether the actions are taken at the same or different times):

(i) by written notice to the Authority, reduce the Available Commitment to zero and thereafter the Lender will have no further obligation to make Advances hereunder and the Commitment shall terminate;

(ii) either personally or by attorney or agent without bringing any action or proceeding, or by a receiver to be appointed by a court in any appropriate action or proceeding, take whatever action at law or in equity may appear necessary or desirable to collect the amounts due and payable under the Program Documents or to enforce performance or observance of any obligation, agreement or covenant of the Authority under the Program Documents, whether for specific performance of any agreement or covenant of the Authority or in aid of the execution of any power granted to the Lender in the Program Documents;

(iii) cure any Default, Event of Default or event of nonperformance hereunder or under any Program Document; *provided, however,* that the Lender shall not have any obligation to effect such a cure; and

(iv) exercise, or cause to be exercised, any and all remedies as it may have under the Program Documents and as otherwise available at law and at equity.

Section 9.3. No Waiver. (a) No failure on the part of the Lender to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right hereunder preclude any further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law. No delay or omission by the Lender in the exercise of any right, remedy or power or in the pursuit of any remedy shall impair any such right, remedy or power or be construed to be a waiver of any default on the part of the Lender or to be acquiescence therein. No express or implied waiver by the Lender of any Event of Default shall in any way be a waiver of any future or subsequent Event of Default.

(b) Notwithstanding anything to the contrary contained herein or in any other Program Document, the authority to enforce rights and remedies hereunder and under the other Program Documents against the Authority shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Lender in accordance with Section 9.2 hereof.

Section 9.4. Discontinuance of Proceedings. In case the Lender shall proceed to invoke any right, remedy or recourse permitted hereunder or under the Program Documents and shall thereafter elect to discontinue or abandon the same for any reason, the Lender shall have the unqualified right so to do and, in such event, the Authority and the Lender shall be restored to their former positions with respect to the Obligations, the Program Documents and otherwise, and the rights, remedies, recourse and powers of the Lender hereunder shall continue as if the same had never been invoked.

Section 9.5. Crediting of Payments and Proceeds. In the event that the Obligations have been accelerated pursuant to Section 9.2 hereof or the Lender has exercised any remedy set forth in this Agreement or any other Program Document, all payments received by the Lender upon the Obligations and all net proceeds from the enforcement of the Obligations shall be applied:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts, including attorney fees, payable to the Lender;

Second, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans;

Third, to payment of that portion of the Obligations constituting unpaid principal of the Loans;

Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Authority or as otherwise required by Applicable Law.

Section 10.5. Severability. Any provision of this Agreement which is prohibited, unenforceable or not authorized in any jurisdiction applicable to the Authority shall, as to such jurisdiction, be ineffective to the extent of such prohibition, unenforceability or non-authorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction.

Section 10.6. Governing Law; Waiver of Jury Trial; Jurisdiction and Venue. (a) THIS AGREEMENT SHALL BE DEEMED TO BE A CONTRACT UNDER, AND FOR ALL PURPOSES SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK AND APPLICABLE FEDERAL LAW, WITHOUT GIVING EFFECT TO CONFLICT OF LAW PRINCIPLES (OTHER THAN NEW YORK GENERAL OBLIGATIONS LAWS 5-1401 AND 5-1402); PROVIDED THAT THE DUTIES AND OBLIGATIONS OF THE AUTHORITY HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF CALIFORNIA, WITHOUT GIVING EFFECT TO CONFLICT OF LAWS PRINCIPLES. TO THE EXTENT THAT THE LENDER HAS GREATER RIGHTS OR REMEDIES UNDER FEDERAL LAW, THIS SECTION WILL NOT BE DEEMED TO DEPRIVE THE LENDER OF SUCH RIGHTS AND REMEDIES AS MAY BE AVAILABLE UNDER FEDERAL LAW.

(b) TO THE EXTENT PERMITTED BY APPLICABLE LAWS, EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ITS RIGHT TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT, THE PROGRAM DOCUMENTS OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW OR STATUTORY CLAIMS. The Authority may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Lender. Notwithstanding anything to the contrary set forth herein, so long as no Event of Default shall have occurred and be continuing hereunder, the Lender may not assign its obligations to fund Advances and Loans pursuant to the terms of this Agreement without the prior written consent of the Authority (such consent not to be unreasonably withheld); *provided* that upon the occurrence and continuance of a Default or an Event of Default hereunder, the Lender may transfer its obligations under this Agreement to any Person (other than a natural Person) without the consent of, or notice to, the Authority. The Lender and each other Noteholder may, in its sole discretion and in accordance with applicable Law, from time to time assign, sell or transfer in whole or in part, its rights to receive payment from the Authority hereunder, its interest in the related Bank Note and the other Program Documents without notice to, or the consent of, the Authority to a Person that is either (i)(A) an Affiliate of the Lender or (B) a trust or other custodial arrangement established by the Lender or an Affiliate of the Lender, the owners of any beneficial interest in which are limited to “qualified institutional buyers” as defined in Rule 144A promulgated under the 1933 Act, or “accredited investors” as defined in Rule 501 of Regulation D under the 1933 Act or (ii) a

“qualified institutional buyer” as defined in Rule 144A promulgated under the 1933 Act, or “accredited investor” as defined in Rule 501 of Regulation D under the 1933 Act. Each Noteholder may at any time and from time to time enter into participation agreements in accordance with the provisions of paragraph (b) of this Section. Each Noteholder may at any time pledge or assign a security interest subject to the restrictions of paragraph (c) of this Section.

(b) *Participations.* The Lender shall have the right to grant participations in all or a portion of the Lender’s interest in the Bank Note and this Agreement to one or more other banking institutions; *provided, however,* that (i) no such participation by any such participant shall in any way affect the obligations of the Lender hereunder and (ii) the Authority and the Trustee shall be required to deal only with the Lender, with respect to any matters under the Program Documents and no such participant shall be entitled to enforce any provision hereunder against the Authority.

(c) Anything herein to the contrary notwithstanding, including, without limitation, Section 6.3 or 6.4 hereof, if any Participant or Noteholder shall incur increased costs or capital adequacy requirements as contemplated by Section 6.3 hereof or any taxes shall be imposed on the Participant or Noteholder pursuant to Section 6.4 hereof, and such increased costs or capital adequacy requirements or taxes are greater than those that the Lender would have incurred had it not granted a participation interest as provided for in Section 10.7(b) hereof or assigned or transferred its rights to receive payment under Section 10.7(a) hereof, as applicable, then the Authority shall not be obligated to pay to such Participant or Noteholder any portion of the cost or tax greater than that which the Authority would have paid under the provisions of Section 6.3 or 6.4 hereof, as applicable, had the Lender not granted such participation interest or made such assignment or transfer, as applicable.

Neither the Lender nor any other Noteholder or Participant may assign or transfer any interest in the Bank Note except as set forth in this Section 10.7.

(d) *Certain Pledges.* The Lender may at any time pledge or grant a security interest in all or any portion of its rights under the Bank Note and this Agreement to secure obligations of the Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, the United States Treasury or to any state or local governmental entity or with respect to public deposits; *provided* that no such pledge or assignment shall release the Lender from any of its obligations hereunder or substitute any such pledgee or assignee for the Lender as a party hereto.

Section 10.8. No Setoff. Notwithstanding anything to the contrary contained herein, the Lender, any Participant and any Noteholder hereby agrees that it will not assert any of its statutory or common law rights of setoff as the depository bank of the Authority in connection with the collection or repayment of any of the Obligations or any other obligation of the Authority owing to the Lender, any Participant or any Noteholder under this Agreement or the other Program Documents.

Section 10.9. Headings. Section headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose.

Section 10.10. Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto on separate counterparts, each of which counterparts, taken together, shall constitute but one and the same Agreement. The parties agree that the electronic signature of a party to this Agreement shall be as valid as an original signature of such party and shall be effective to bind such party to this Agreement. The parties agree that any electronically signed document (including this Agreement) shall be deemed (i) to be “written” or “in writing,” (ii) to have been signed and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Such paper copies or “printouts,” if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. No party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule. For purposes hereof, “electronic signature” means a manually-signed original signature that is then transmitted by electronic means; “transmitted by electronic means” means sent in the form of a facsimile or sent via the internet as a “pdf” (portable document format) or other replicating image attached to an e-mail message; and, “electronically signed document” means a document transmitted by electronic means and containing, or to which there is affixed, an electronic signature.

Section 10.11. Patriot Act. The Lender hereby notifies the Authority that pursuant to the requirements of the Patriot Act it is required to obtain, verify and record information that identifies the Authority, which information includes the name and address of the Authority and other information that will allow the Lender to identify the Authority in accordance with the Patriot Act. The Authority hereby agrees that it shall promptly provide such information upon request by the Lender.

The Authority hereby represents and warrants and covenants and agrees (a) that it is not and shall not be listed on the Specially Designated Nationals and Blocked Person List or other similar lists maintained by OFAC, the Authority of the Treasury or included in any Executive Orders, that prohibits or limits the Lender from making any advance or extension of credit to the Authority or from otherwise conducting business with the Authority and (b) to ensure that the proceeds of the Loans shall not be used to violate any of the foreign asset control regulations of OFAC or any enabling statute or Executive Order relating thereto.

Section 10.12. Dealing with the Authority and the Trustee. The Lender and its affiliates may accept deposits from, extend credit to and generally engage in any kind of banking, trust or other business with the Authority and the Trustee regardless of the capacity of the Lender hereunder.

Section 10.13. Document Imaging; Telecopy and PDF Signatures; Electronic Signatures. Without notice to or consent of the Authority, the Lender may create electronic images of any Program Documents and destroy paper originals of any such imaged documents. Such images have the same legal force and effect as the paper originals and are enforceable against the Authority and any other parties thereto. The Lender may convert any Program Document into a “transferrable record” as such term is defined under, and to the extent permitted by, UETA, with the image of such instrument in the Lender’s possession constituting an “authoritative copy” under

UETA. If the Lender agrees, in its sole discretion, to accept delivery by telecopy or PDF of an executed counterpart of a signature page of any Program Document or other document required to be delivered under the Program Documents, such delivery will be valid and effective as delivery of an original manually executed counterpart of such document for all purposes. If the Lender agrees, in its sole discretion, to accept any electronic signatures of any Program Document or other document required to be delivered under the Program Documents, the words “execution,” “signed,” and “signature,” and words of like import, in or referring to any document so signed will be deemed to include electronic signatures and/or the keeping of records in electronic form, which will be of the same legal effect, validity and enforceability as a manually executed signature and/or the use of a paper-based recordkeeping system, to the extent and as provided for in any applicable law, including UETA, the E-SIGN Act, or any other state or federal laws based on, or similar in effect to, such acts. The Lender may rely on any such electronic signatures without further inquiry.

Section 10.14. No Advisory or Fiduciary Responsibility. In connection with all aspects of the transactions contemplated by this Agreement and the Program Documents (including in connection with any amendment, waiver or other modification hereof or of any other Program Document), the Authority acknowledges and agrees that: (a) (i) the services regarding this Agreement and the Program Documents provided by the Lender and any Affiliate thereof are arm’s-length commercial transactions between the Authority on the one hand, and the Lender and its Affiliates, on the other hand, (ii) the Authority has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, (iii) the Authority is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Program Documents and (iv) the Lender has not provided any advice or assumed any advisory or fiduciary responsibility in favor of the Authority with respect to the transaction contemplated hereby and the discussions, undertakings and procedures leading thereto (whether or not the Lender or any affiliate thereof has provided other services or advised or is currently providing other services or advising the Authority on other matters); (b) (i) the Lender and its Affiliates each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor (as a municipal advisor (as defined in Section 15B of the Securities and Exchange Act of 1934, as amended) or otherwise), agent or fiduciary, for the Authority or any other Person and (ii) neither the Lender nor any of its Affiliates has any obligation to the Authority with respect to the transactions contemplated by this Agreement and the Program Documents except those obligations expressly set forth herein; and (c) the Lender and its Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Authority and neither the Lender nor any of its Affiliates has any obligation to disclose any of such interests to the Authority.

Section 10.15 Acknowledgement Regarding Any Supported QFCs. To the extent that this Agreement provides support, through a guarantee or otherwise, for Swap Contracts or any other agreement or instrument that is a QFC (such support, “*QFC Credit Support*” and each such QFC a “*Supported QFC*”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “*U.S. Special Resolution Regimes*”) in respect of such Supported QFC and QFC Credit Support (with the provision below applicable notwithstanding

that the Program Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Program Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Program Documents were governed by the laws of the United States or a state of the United States.

For purposes of this Section 10.15, the following terms shall have the following meanings:

“*BHC Act Affiliate*” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“*Covered Entity*” means any of the following:

- (a) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

- (c) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“*Default Right*” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“*QFC*” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. § 5390(c)(8)(D).

Section 10.16. Amendment and Restatement. Notwithstanding anything in this Agreement to the contrary, this Agreement shall become effective on the Effective Date and shall supersede, amend and restate all provisions of the Original Revolving Credit Agreement as of such date. Until the Effective Date, the Original Revolving Credit Agreement shall remain in full force and effect subject to the terms and conditions of the Original Revolving Credit Agreement. This Agreement amends and restates the Original Revolving Credit Agreement but is not intended to be or operate

as a novation or an accord and satisfaction of the Original Revolving Credit Agreement or the indebtedness, obligations and liabilities of the Authority evidenced or provided for thereunder. This Agreement does not extinguish the obligations for the payment of money outstanding under the Original Revolving Credit Agreement or discharge or release the obligations or the liens or priority of any pledge or any other security therefor.
