

## RESOLUTION ADOPTING POSITIONS ON STATE LEGISLATION

WHEREAS, The Transportation Authority approves a set of legislative principles to guide transportation policy advocacy in the sessions of the Federal and State Legislature; and

WHEREAS, With the assistance of the Transportation Authority's legislative advocate in Sacramento, staff has reviewed pending legislation for the current Legislative Session and analyzed it for consistency with the Transportation Authority's adopted legislative principles and for impacts on transportation funding and program implementation in San Francisco; and

WHEREAS, On May 10, 2016, the Finance Committee reviewed and discussed the attached state legislation matrix, provided guidance to staff regarding needed clarification language, and recommended positions on various bills; now, therefore, be it

RESOLVED, That the Transportation Authority hereby does adopt new oppose positions on Assembly Bill First Extraordinary Session 24 (Levine) and Senate Bill 986 (Hill); and be it further

RESOLVED, That the Executive Director is directed to communicate these positions to all relevant parties.

<b>Recommended Positions</b>	<b>Bill # Author</b>	<b>Keywords and Comments</b>
Watch	<a href="#">AB 2088</a> <a href="#">Linder</a> R	Vehicles: hit-and-run accidents: pleas. Would require a 6-month suspension of driving privileges other than to and from work for any person who accepts a lesser charge of hit and run with property damage if the charge is a substitute for a charge of hit and run resulting in injury or death.
Watch	<a href="#">AB 2586</a> <a href="#">Gatto</a> D	Parking. This bill would make a series of changes to the way local governments manage and enforce parking laws and is billed as a "Parking Bill of Rights" to address a variety of parking-related activities, including allowing parking at inoperable meters and prohibiting valet services from preventing use of public metered spaces.
Watch	<a href="#">AB 2602</a> <a href="#">Gatto</a> D	Disabled parking placards. Intended to address disabled parking placard abuse, the bill creates a two-tiered disabled person parking system whereby only those persons with disabilities that severely limit mobility and dexterity may qualify for free and unlimited parking at metered spaces.
Oppose	<a href="#">ABX1 24</a> <a href="#">Levine</a> D	Bay Area Transportation Commission: election of commissioners. Would consolidate the Metropolitan Transportation Commission and the Bay Area Toll Authority into a new Bay Area Transportation Commission with a directly elected board of commissioners based on districts of about 750,000 residents each, except that a district with a toll bridge within the boundaries of the district would elect 2 commissioners.
Watch	<a href="#">SB 951</a> <a href="#">McGuire</a> D	Transportation: Golden State Patriot Passes Program. Would create a state program to provide free transit access for veterans with a pilot program of three transit operators.
Oppose	<a href="#">SB 986</a> <a href="#">Hill</a> D	Vehicles: right turn violations. Would reduce the penalty for right turn on red violations from \$100 to \$35. SFMTA staff recommends opposing consistent with Vision Zero. Previous position was watch.

The Finance Committee is recommending new oppose positions on Assembly Bill First Extraordinary Session (ABX1) 24 (Levine) and Senate Bill (SB) 986 (Hill).

Bill #	Author	Description	Status	Position	Comments
<a href="#">AB 318</a>  Amended: 6/11/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Chau</a> D  (Dist 49)	Lost money and goods: bicycles: restoration to owner. Would, until December 31, 2020, provide that if that lost property is found on a vehicle of public conveyance or on public transit property, that it instead be turned in to the public transit agency, and would provide 90 days for the owner to return and claim the property, as specified. The bill, until December 31, 2020, also would require the public transit agency to cause notice of the property to be published under specified circumstances.	Senate 2 year	Watch	This bill establishes a pilot program, until, 2021, under which a public transit agency may donate to charity a portion of lost or unclaimed bicycles after 45 days.  LA Metro is sponsoring this bill because holding bicycles for 90 days is impractical and costly.
<a href="#">AB 516</a>  Amended: 7/6/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Mullin</a> D  (Dist 22)	Vehicles: temporary license plates. Would require the DMV to develop an operational system, no later than January 1, 2018, that allows a dealer or lessor-retailer to electronically report the sale of a vehicle and provide a temporary license plate, as specified. The bill would, commencing January 1, 2017, authorize the department to assess specified administrative fees on processing agencies to support the administration of this system. This bill contains other related provisions and other existing laws.	Senate Third Reading	Support	This bill requires development of a statewide temporary license plate (TLP) system to ensure new and used purchased vehicles are identifiable to law enforcement and toll operators during the period between the point of sale and when permanent license plates are received by the purchaser.  MTC has adopted a support position on this bill.

<a href="#">AB 620</a>  Amended: 1/27/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Hernández, Roger</a> D  (Dist 48)	High-occupancy toll (HOT) lanes: exemptions from tolls. Would require Los Angeles County Metropolitan Transportation Authority (LACMTA) to take additional steps, beyond the previous implementation of a low-income assistance program, to increase enrollment and participation in the low-income assistance program, as specified, through advertising and work with community organizations and social service agencies. The bill would also require LACMTA and the Department of Transportation to report to the Legislature by December 31, 2018, on efforts to improve the HOT lane program, including efforts to increase participation in the low-income assistance program. This bill contains other existing laws.	Senate Transportation and Housing	Watch	Expands LACMTA authority relative to HOT Lanes in their jurisdiction, requiring the agency to provide assistance to transit users and commuters of low and moderate income.  Amended to allow LACMTA flexibility in providing low income assistance.
<a href="#">AB 779</a>  Amended: 8/19/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Garcia, Cristina</a> D  (Dist 58)	Transportation: congestion management program. Would revise the definition of "infill opportunity zone" to not require that it be within a specified distance of a major transit stop or high-quality transit corridor. The bill would revise the requirements for a congestion management program by removing traffic level of service standards established for a system of highways and roadways as a required element and instead requiring measures of effectiveness for a system of highways and roadways.	Senate Appropriations	Support, Work with Author	Latest amendment eliminates level of service (LOS) as an element of a congestion management plan.
<a href="#">AB 828</a>  Amended: 7/14/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Low</a> D  (Dist 28)	Vehicles: transportation services. Would require the Public Utilities Commission to conduct an investigation to consider whether existing statutes and regulations relating to transportation services serve the public interest, encourage innovation, and create a fair and competitive transportation market between companies that provide regulated transportation services. The bill would require the commission to complete the investigation and report its conclusions and recommendations to the Legislature on or before January 1, 2017. This bill contains other related provisions and other existing laws.	Senate 2 year	Watch	Amended to exclude transportation network company (TNC) vehicles from "commercial vehicle" definition under certain conditions. The Metropolitan Transportation Commission (MTC) has adopted a support position on this bill.

<b>Bill #</b>	<b>Author</b>	<b>Description</b>	<b>Status</b>	<b>Position</b>	<b>Comments</b>
<a href="#">AB 869</a>  Amended: 6/18/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Cooper</a> D  (Dist 9)	Public transportation agencies: fare evasion and prohibited conduct.  Current law authorizes a public transportation agency to adopt and enforce an ordinance to impose and enforce civil administrative penalties for fare evasion or other passenger misconduct, other than by minors, on or in a transit facility or vehicle in lieu of the criminal penalties otherwise applicable, with specified administrative procedures for the imposition and enforcement of the administrative penalties, including an initial review and opportunity for a subsequent administrative hearing. This bill would provide that a person who fails to pay the administrative penalty when due or successfully complete the administrative process to dismiss the notice of fare evasion or passenger conduct violation may be subject to those criminal penalties.	Senate 2 year	Watch	Provides additional flexibility to transit agencies that seek to use the administrative adjudication process (transit court).
<a href="#">AB 1030</a>  Amended: 7/7/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Ridley-Thomas</a> D  (Dist 54)	California Global Warming Solutions Act of 2006: Greenhouse Gas Reduction Fund.  Current law requires moneys in the Greenhouse Gas Reduction Fund to be used to facilitate the reduction of greenhouse gas emissions and, where applicable and to the extent feasible, to foster job creation by promoting in-state greenhouse gas emissions reduction projects carried out by California workers and businesses. This bill would require priority be given to projects involving hiring that support the targeted training and hiring of workers from disadvantaged communities for career-track jobs.	Senate 2 year	Watch	Requires priority for cap and trade - funded projects by state grant agencies for projects with partnerships with training entities with proven record of placing disadvantaged workers.

<a href="#">AB 1176</a>  Amended: 8/18/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Perea D</a>  (Dist 31)	Vehicular air pollution. Would establish the Advanced Low-Carbon Diesel Fuels Access Program, to be administered by the State Energy Resources Conservation and Development Commission, in consultation with the State Air Resources Board, for the purpose of reducing the greenhouse gas emissions of diesel motor vehicles by providing capital assistance for projects that expand advanced low-carbon diesel fueling infrastructure in communities that are disproportionately impacted by environmental hazards and additionally where the greatest air quality impacts can be identified. This bill contains other related provisions.	Senate Rules	Watch	Creates the Advanced Low-Carbon Diesel Fuels Access Program, administered by the Energy Commission to fund advanced low-carbon diesel fueling infrastructure projects in disadvantaged communities.  MTC opposes this and other bills to dedicate cap and trade funds to disadvantaged communities on the basis that the methodology to determine "disadvantaged communities" is flawed.
<a href="#">AB 1360</a>  Amended: 7/2/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Ting D</a>  (Dist 19)	Charter-party carriers of passengers: individual fare exemption. Would exempt from specified provisions relating to the Passenger Charter-Party Carriers' Act a service operated by a transportation network company or a charter-party carrier of passengers that prearranges a ride among multiple passengers who share the ride in whole or in part, provided that the vehicle seats no more than 7 passengers, not including the driver, is operated by a participating driver, as defined, is not used to provide public transit services or carry passengers over a fixed route, is not used to provide pupil transportation services or public paratransit services, and the fare for each passenger is less than the fare that would be charged to a passenger traveling alone.	Senate 2 year	Watch	Transportation Network Companies (TNCs) have recently started services to allow riders to be picked up at similar locations and share a driver and carpool at reduced fares. This bill would permit a TNC to operate a rideshare program and charge individual fares, provided that the individual fare is less than for the same ride would be for a single passenger riding alone.  MTC has adopted a support position on this bill.

<b>Bill #</b>	<b>Author</b>	<b>Description</b>	<b>Status</b>	<b>Position</b>	<b>Comments</b>
<a href="#">AB 1364</a>  Introduced: 2/27/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Linder</a> R  (Dist 60)	California Transportation Commission. Current law vests the California Transportation Commission with specified powers, duties, and functions relative to transportation matters. Current law requires the commission to retain independent authority to perform the duties and functions prescribed to it under any provision of law. This bill would exclude the California Transportation Commission from the Transportation Agency and establish it as an entity in the state government. The bill would also make conforming changes.	Senate Transportation and Housing	Watch	Removes CTC from jurisdiction under Transportation Agency and re-establishes its autonomy.  This bill is similar to ABX1 19 (Linder), SB 1320 (Runner) and SBX1 12 (Runner).
<a href="#">AB 1550</a>  Amended: 4/11/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Gomez</a> D  (Dist 51)	Greenhouse gases: investment plan: disadvantaged communities. Current law requires the Department of Finance, in consultation with the state board and any other relevant state agency, to develop, as specified, a 3-year investment plan for the moneys deposited in the Greenhouse Gas Reduction Fund. This bill would require the investment plan to allocate a minimum of 25% of the available moneys in the fund to projects located within, and benefitting individuals living in, disadvantaged communities and a separate and additional unspecified percentage to projects that benefit low-income households, as specified, with a fair share of those moneys targeting households with incomes at or below 200% of the federal poverty level.	Assembly Appropriations	Watch	Increases requirement from 10% to 25% of GGRF to benefit disadvantaged communities (DAC); also adds new requirement that 25% also must benefit low-income households.  We continue to work with the state to try and amend the DAC definition because it does not adequately reflect the disadvantaged communities of San Francisco.
<a href="#">AB 1555</a>  Amended: 3/28/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Gomez</a> D  (Dist 51)	Greenhouse Gas Reduction Fund. Would appropriate \$800,000,000 from the Greenhouse Gas Reduction Fund for the 2016-17 fiscal year to various state agencies in specified amounts for various purposes including, among other things, low carbon transportation and infrastructure, clean energy communities, wetland and watershed restoration, and carbon sequestration. The bill would state the intent of the Legislature to reserve \$150,000,000 from the fund to fund future legislative priorities.	Assembly Dead	New - Recommend Delete from Matrix	This bill is intended to be a vehicle for negotiating GGRF funds expenditures left over from 2015.

<a href="#">AB 1569</a>  Amended: 3/28/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Steinorth</a> R  (Dist 40)	California Environmental Quality Act: exemption: existing transportation infrastructure. Would exempt from the provisions of the California Environmental Quality Act a project, or the issuance of a permit for a project, that consists of the inspection, maintenance, repair, rehabilitation, replacement, or removal of, or the addition of an auxiliary lane or bikeway to, existing transportation infrastructure and that meets certain requirements. The bill would require the public agency carrying out the project to take certain actions.	Assembly Dead	New - Recommend Delete from Matrix	Would exempt minor road repair projects from CEQA if carried out within existing right-of-way.
<a href="#">AB 1574</a>  Amended: 4/12/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Chiu</a> D  (Dist 17)	Vehicles of charter-party carriers of passengers and passenger stage corporations. Would require the Department of Motor Vehicles to notify the Public Utilities Commission (PUC) when a charter-party carrier of passengers or a passenger stage corporation first registers a bus, limousine, or modified limousine with the department, and to provide information to the PUC that will allow the PUC to identify the vehicle. The bill would require the PUC, with respect to those newly registered buses, limousines, or modified limousines, to ensure that the vehicles meet all statutory and regulatory requirements for safe operation. The bill, upon the PUC becoming aware of a bus, limousine, or modified limousine of a charter-party carrier of passengers or a passenger stage corporation that has not been reported to the commission by the carrier or corporation, would require the PUC to immediately take steps to require the carrier or corporation to update its reporting of vehicles to the PUC and to request the Department of the California Highway Patrol (CHP) to conduct a safety inspection of the vehicle. The bill would prohibit use of such a bus, limousine, or modified limousine to transport passengers in the absence of securing a satisfactory rating from the CHP812, and would authorize a law enforcement agency to impound a bus, limousine, or modified limousine operated in violation of this provision.	Assembly Appropriations	Support	The bill seeks to ensure that buses are inspected under safe criteria by requiring DMV to notify the PUC when a bus company first registers the vehicle. In the event there is not a satisfactory rating, the bill prohibits the use of the bus.  Amended to delay the effective date to 2018.

<a href="#">AB 1591</a>  Introduced: 1/6/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Frazier D</a>  (Dist 11)	Transportation funding. Would create the Road Maintenance and Rehabilitation Program to address deferred maintenance on the state highway system and the local street and road system. The bill would require the California Transportation Commission to adopt performance criteria to ensure efficient use of the funds available for the program. This bill contains other related provisions and other existing laws.	Assembly Transportation	Support	New major revenue bill (\$7.3 billion in new taxes and loan repayments over 10 years) for road repair and trade corridors. Also commits new cap and trade revenues to the Transit Intercity Rail Capacity Program which the SFMTA and BART are targeting for significant core capacity investments such as vehicles and train control.  MTC has adopted a support position on this bill.
<a href="#">AB 1592</a>  Amended: 3/28/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Bonilla D</a>  (Dist 14)	Autonomous vehicles: pilot project. This bill would authorize the Contra Costa Transportation Authority to conduct a pilot project for the testing of autonomous vehicles that do not have an operator and are not equipped with a steering wheel, a brake pedal, or an accelerator if the testing is conducted only at specified locations and the autonomous vehicle operates at speeds of less than 35 miles per hour. This bill contains other related provisions.	Senate Rules	Watch	The Contra Costa Transportation Authority (CCTA) is working with a local business park to implement a pilot program that would rely on a driverless shuttle service to provide internal circulation. Due to incidental crossing of public streets, the pilot program requires relief from the state's autonomous vehicle laws and regulations, which require a driver in the vehicle.  CCTA has developed a test bed for connected and autonomous vehicles at the Concord Naval Weapons Station (the GoMentum Station). This bill would permit CCTA to operate driverless vehicles there.

<a href="#">AB 1641</a>  Introduced: 1/11/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Allen, Travis</a> R  (Dist 72)	Shuttle services: loading and unloading of passengers. Under current law, a person may not stop, park, or leave a vehicle standing alongside a curb space authorized for the loading or unloading of passengers of a bus engaged as a common carrier in local transportation when indicated by a sign or red paint on the curb, except that existing law allows local authorities to permit school buses to stop alongside these curb spaces upon agreement between a transit system operating buses as common carriers in local transportation and a public school district or private school. This bill would also allow local authorities to permit shuttle service vehicles, as defined, to stop for the loading or unloading of passengers.	Assembly Transportation	Oppose	This bill replaces AB 61 by same author to address the shuttle services' use of transit stops.  SFMTA supports legislative measures to ensure the Commuter Shuttle Program, as agreed upon by the BOS and the SFMTA in 2016, can continue without litigation on the issue of shuttles using red zones.
<a href="#">AB 1659</a>  Introduced: 1/13/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Rodriguez D</a>  (Dist 52)	Vehicles: prima facie speed limits: schools. Would allow a city or county to establish in a residence district, on a highway with a posted speed limit of 30 miles per hour or slower, a 15 miles per hour prima facie speed limit when approaching, at a distance of less than 1,320 feet from, or passing, a school building or grounds thereof, contiguous of to a highway and posted with a school warning sign that indicates a speed limit of 15 miles per hour, while children are going to or leaving the school, either during school hours or during the noon recess period. This bill contains other related provisions and other existing laws.	Assembly Dead	New – Recommend Delete from Matrix	This bill expands limited speed (15 mph) zone to 1/4 mile of a school.
<a href="#">AB 1677</a>  Amended: 4/20/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Ting D</a>  (Dist 19)	Vehicles: tour buses: safety inspections. Would require the Department of the California Highway Patrol (CHP) to develop protocols, in consultation with representatives of local governments in jurisdictions where tour buses operate, for entering into memoranda of understanding with local governments to allow CHP, upon the request of the local government, to increase the number of the locally operating tour buses that are being inspected by the department. The bill would prohibit any inspection conducted pursuant to these provisions from being duplicative of any inspection conducted by the department to meet those specified existing inspection requirements.	Assembly Appropriations	Support	Expands on present CHP authority for regulating safe operation of tour buses by permitting local agency inspection under guidance provided by CHP.  Amended to eliminate local inspections authority, but instead, to permit local entity to enter into agreement with CHP to increase number of buses inspected.

<a href="#">AB 1725</a>  Amended: 3/7/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Wagner R</a>  (Dist 68)	Vehicles: automated traffic enforcement systems. Current law defines an "official traffic control signal" as any device, whether manually, electrically, or mechanically operated, by which traffic is alternately directed to stop and proceed and which is erected by authority of a public body or official having jurisdiction. This bill would expressly state that a stop is required to be made at an official traffic control signal erected and maintained at a freeway or highway on ramp. This bill would also make technical, non-substantive changes to that provision. This bill contains other current laws.	Senate Transportation and Housing	Watch	Adds new requirement for drivers to stop at freeway or highway onramp signal until authorized to proceed.
<a href="#">AB 1746</a>  Amended: 3/30/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Stone, Mark D</a>  (Dist 29)	Transit buses. Current law creates the Alameda-Contra Costa Transit District, the Central Contra Costa Transit Authority, the Livermore Amador Valley Transit Authority, the North County Transit District, the San Diego Association of Governments, the San Diego Metropolitan Transit System, and the Santa Clara Valley Transportation Authority with various powers and duties relative to the operation of public transit. This bill would additionally authorize the operation of transit buses on the shoulder of a segment of a state highway designated under the transit bus-only program within the areas served by the transit services of the 7 entities described above, subject to the same conditions and requirements.	Senate Rules	Watch	Expands current authority for transit buses to operate on highway shoulders to 7 entities including AC Transit, County Connection (Contra Costa County), Livermore-Alameda Valley Transit and VTA.  MTC has taken a support position on this bill.
<a href="#">AB 1768</a>  Amended: 2/25/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Gallagher R</a>  (Dist 3)	Bonds: transportation. Would provide that no further bonds shall be sold for high-speed rail purposes pursuant to the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century, except as specifically provided with respect to an existing appropriation for high-speed rail purposes for early improvement projects in the Phase 1 blended system. The bill, subject to the above exception, would require redirection of the unspent proceeds received from outstanding bonds issued and sold for other high-speed rail purposes prior to the effective date of these provisions, upon appropriation, for use in retiring the debt incurred from the issuance and sale of those outstanding bonds.	Assembly Transportation	Oppose	Would effectively terminate state bond funding for high speed rail.  Bill held in committee.

<a href="#">AB 1780</a>  Amended: 3/28/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Medina D</a>  (Dist 61)	Greenhouse Gas Reduction Fund: trade corridors. Would, beginning in the 2016-17 fiscal year, continuously appropriate 20% of the annual proceeds of the Greenhouse Gas Reduction Fund to the California Transportation Commission to be allocated to reduce greenhouse gas emissions in trade corridors consistent with specified guidelines, thereby making an appropriation.	Assembly Appropriations Suspense File	Watch	Establishes a new dedication of cap and trade funding to a new trade corridor program.  Amended from 25% to 20% of cap and trade funds and to align with AB 2071 (Frazier) pertaining to trade corridors.  MTC staff are recommending a support position on this bill with the amendment to lower the amount to 20% of cap and trade funds. MTC's adopted cap and trade framework includes a line item for goods movement projects, and this funding could provide matching funds for the new federal competitive freight program FASTLANE.
<a href="#">AB 1813</a>  Introduced: 2/8/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Frazier D</a>  (Dist 11)	High-Speed Rail Authority: membership. Would provide for appointment of one Member of the Senate by the Senate Committee on Rules and one Member of the Assembly by the Speaker of the Assembly to serve as ex officio members of the High-Speed Rail Authority. The bill would provide that the ex officio members shall participate in the activities of the authority to the extent that participation is not incompatible with their positions as Members of the Legislature.	Senate Rules	Watch	Adds 2 new appointees to serve in an ex officio capacity on the high speed rail authority.

<a href="#">AB 1815</a>  Amended: 4/11/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Alejo D</a>  (Dist 30)	California Global Warming Solutions Act of 2006: disadvantaged communities.  Current law requires the California Environmental Protection Agency to identify disadvantaged communities and requires the Department of Finance, in consultation with the State Air Resources Board (ARB) and any other relevant state agency, to develop, as specified, a 3-year investment plan for the moneys deposited in the Greenhouse Gas Reduction Fund. Current law requires the 3-year investment plan to allocate a minimum of 25% of the available moneys in the fund to projects that provide benefits to disadvantaged communities. This bill would require the agency to establish a comprehensive technical assistance program, upon the appropriation of moneys from the fund, for eligible applicants, as specified, assisting eligible communities, as defined.	Assembly Appropriations	Watch	Requires the ARB to post on the internet the listing of cap and trade projects funded to benefit disadvantaged communities.  Amendments delete the web posting requirement for ARB to provide technical assistance to communities to better compete for cap and trade funds.

<a href="#">AB 1833</a>  Amended: 4/25/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Linder</a> R  (Dist 60)	Transportation projects: environmental mitigation. Would create the Advanced Mitigation Program in the Department of Transportation to implement environmental mitigation measures in advance of future transportation projects. The bill, by February 1, 2017, would require the department to establish a steering committee to advise the department in that regard.	Assembly Appropriations	Watch	This bill is similar to a provision in the Governor's Transportation Plan that will facilitate approval of transportation projects in the CECQA analysis phase. While the Governor's plan contains a funding commitment for the Advanced Mitigation Program (AMP), this bill does not. While most local Conservation Plans have been developed utilizing local resources to fund implementation, there remains value to the concept in the bill as it compels coordination by state agencies to assist in the necessary approvals.

Would, for purposes of the Clean Vehicle Rebate Project, require the State Air Resources Board, until January 1, 2026, to provide specified rebate amounts for battery electric vehicles, fuel-cell vehicles, and plug-in hybrid electric vehicles and to implement a process to allow eligible applicants to obtain prompt preapproval from the state board prior to purchasing an eligible vehicle, as specified.	Assembly Appropriations	Seek Amendment	Revises the incentives for consumers seeking to purchase zero-emission vehicles, including (1) a new rebate program, limited to vehicles that cost less than \$60,000; (2) elimination of the value of a trade-in for sales tax purposes if purchasing a qualified ZEV, and (3) elimination of the cap on Green Stickers for access to HOV lanes.  This bill was amended to remove the rebate program limitation to vehicles that cost less than \$60,000. The amendment restricts the rebate to the first \$60,000 in value for eligible vehicles.  We are seeking an amendment to remove the elimination of the cap on Green Stickers for access to the HOV lanes as it dilutes the effectiveness of those lanes.

The bill, in each fiscal year in which that transfer occurs, would also continuously appropriate \$1 billion from the RSTF for allocation to state highway and local street and road purposes.	Assembly Transportation	Watch	This is a new transportation funding approach to transfer funds between various accounts to “free up” \$1 billion for street and roads programs. <a href="#">AB 2783</a>  Amended: 4/25/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Garcia, Eduardo</a> D  (Dist 56)	Affordable Housing and Sustainable Communities Program. Current law requires the Strategic Growth Council to develop guidelines and selection criteria for the Affordable Housing and Sustainable Communities Program. This bill would require the Strategic Growth Council to consider revisions to the guidelines and selection criteria with respect to affordable housing projects that qualify under the program's rural innovation project area, as specified, and to provide a written explanation to the Assembly Committee on Housing and Community Development by March 1, 2017, if the council determines that it will not make the revisions.	Assembly Appropriations	Watch	Amended to require that the SGC amend its cap and trade allocation guidelines related to density requirements for affordable housing. Bill leaves intact existing density requirements, but for rural innovation program areas directs a loosening of the density to permit the projects to qualify for AHSC.  MTC has adopted an oppose position on this bill, given that lowering density requirements undermines the goal of reducing greenhouse gas emissions by boosting the availability of affordable housing near transit.
<a href="#">AB 2796</a>  Amended: 4/4/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Bloom</a> D  (Dist 50)	Active Transportation Program. Current law creates the Active Transportation Program in the Department of Transportation for the purpose of encouraging increased use of active modes of transportation. Current law requires the California Transportation Commission to award 50% and 10% of available funds to projects statewide and to projects in small urban and rural regions, respectively, with the remaining 40% of available funds to be awarded to projects by metropolitan planning organizations, with the funds available for distribution by each metropolitan planning organization based on its relative population. This bill would require a minimum of 5% of available funds in each of the 3 distribution categories to be awarded for planning and community engagement for active transportation in disadvantaged communities and a minimum of 10% of all available Active Transportation Program funds to be programmed for non-infrastructure purposes, except as provided.	Assembly Appropriations Suspense File	Watch	Dedicates 5% of current funding for distributing Active Transportation Program allocation for award to DACs for planning and community engagement. This bill includes a new minimum award requirement of 5% of funds for planning projects.

<a href="#">AB 2847</a>  Amended: 4/11/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Patterson R</a>  (Dist 23)	High-Speed Rail Authority: reports. Current law requires the High-Speed Rail Authority (HSRA), on a biennial basis, to prepare a business plan containing specified elements and also requires the preparation of various other reports. This bill would require the business plan to identify projected financing costs for each segment or combination of segments of the high-speed rail system, if financing is proposed by the authority. The bill, in the business plan and in another report, would require the authority to identify any significant changes in scope for segments of the high-speed rail system identified in the previous version of each report and to provide an explanation of adjustments in cost and schedule attributable to the changes.	Assembly Appropriations	Watch	Amended to require that the HSRA business plan to provide financial projections for each segment in the system.  Previously would have authorized a Caltrans pilot program to transfer operations and maintenance responsibility on specific state highways to local jurisdictions.
<a href="#">AB 2857</a>  Introduced: 2/19/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Chu D</a>  (Dist 25)	Transportation network companies: delivery of commodities. Current law creates the Public Utilities Commission with various powers and duties relative to transportation, including, among other responsibilities, regulation of transportation network companies and those engaged in the private transportation of persons or property. This bill would declare the intent of the Legislature to enact legislation that promotes public safety and accountability for transportation network companies utilizing peer-to-peer mobile services to deliver commodities such as food or clothing.	Assembly Print	Watch	This is an intent bill to later draft legislation related to TNC companies that deliver commodities.
<a href="#">ABX1 1</a>  Introduced: 6/23/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Alejo D</a>  (Dist 30)	Transportation funding. Current law provides for loans of revenues from various transportation funds and accounts to the General Fund, with various repayment dates specified. This bill, with respect to any loans made to the General Fund from specified transportation funds and accounts with a repayment date of January 1, 2019, or later, would require the loans to be repaid by December 31, 2018. This bill contains other related provisions and other current laws.	Assembly Print	Support	This bill mandates that State General Fund loans from transportation revenues be repaid.

<a href="#">ABX1 2</a>  Introduced: 6/25/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Perea</a> D  (Dist 31)	Transportation projects: comprehensive development lease agreements.  Current law authorizes the Department of Transportation and regional transportation agencies, as defined, to enter into comprehensive development lease agreements with public and private entities, or consortia of those entities, for certain transportation projects that may charge certain users of those projects tolls and user fees, subject to various terms and requirements. Current law provides that a lease agreement may not be entered into under these provisions on or after January 1, 2017. This bill would extend this authorization indefinitely and would include within the definition of "regional transportation agency" the Santa Clara Valley Transportation Authority, thereby authorizing the authority to enter into public-private partnerships under these provisions.	Assembly Print	Support	Extends public-private partnership law indefinitely.  Similar to SBX1 14 (Cannella).
<a href="#">ABX1 3</a>  Amended: 9/3/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Frazier</a> D  (Dist 11)	Transportation funding. Current law requires the Department of Transportation to improve and maintain the state's highways, and establishes various programs to fund the development, construction, and repair of local roads, bridges, and other critical transportation infrastructure in the state. This bill would declare the intent of the Legislature to enact legislation to establish permanent, sustainable sources of transportation funding to maintain and repair highways, local roads, bridges, and other critical infrastructure.	Assembly Conference Committee	Watch	Special session spot bill.

<a href="#">ABX1 6</a> Introduced: 7/16/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Hernández, Roger</a> D (Dist 48)	Affordable Housing and Sustainable Communities Program. Current law continuously appropriates 20% of the annual proceeds of the Greenhouse Gas Reduction Fund to the Affordable Housing and Sustainable Communities Program, administered by the Strategic Growth Council, to reduce greenhouse gas emissions through projects that implement land use, housing, transportation, and agricultural land preservation practices to support infill and compact development and that support other related and coordinated public policy objectives. This bill would require 20% of moneys available for allocation under the program to be allocated to eligible projects in rural areas, as defined.	Assembly Print	Oppose	The bill would require 20% of the affordable housing program under cap and trade go to projects in rural areas.
<a href="#">ABX1 7</a> Introduced: 7/16/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Nazarian</a> D (Dist 46)	Public transit: funding. Current law requires all moneys, except for fines and penalties, collected by the State Air Resources Board from the auction or sale of allowances as part of a market-based compliance mechanism relative to reduction of greenhouse gas emissions to be deposited in the Greenhouse Gas Reduction Fund. This bill would instead continuously appropriate 20% of those annual proceeds to the Transit and Intercity Rail Capital Program, and 10% of those annual proceeds to the Low Carbon Transit Operations Program, thereby making an appropriation. This bill contains other current laws.	Assembly Print	Support	The bill would seek to increase cap and trade revenues to 2 transit programs (1) rail capital and (2) transit operations.  This bill is the same as SBX1 8 (Hill)
<a href="#">ABX1 8</a> Introduced: 7/16/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Chiu</a> D (Dist 17)	Diesel sales and use tax. Would, effective July 1, 2016, increase the additional sales and use tax rate on diesel fuel to 5.25%. By increasing the revenues deposited in a continuously appropriated fund, the bill would thereby make an appropriation. This bill contains other related provisions.	Assembly Print	Support	The bill seeks to increase State transit assistance funds by increasing the sales tax rate and diesel.  This bill is the same as SBX1 7 (Allen).

Would require the Department of Transportation, immediately, or as soon as practically feasible, but no later than September 30, 2015, to implement an operational improvement project that temporarily restores the third eastbound lane on State Highway Route 580 from the beginning of the Richmond-San Rafael Bridge in the County of Marin to Marine Street in the County of Contra Costa to automobile traffic and that temporarily converts a specified portion of an existing one-way bicycle lane along the north side of State Highway Route 580 in the County of Contra Costa into a bidirectional bicycle and pedestrian lane.	Assembly Print	Watch	This author is addressing a congestion issue afflicting Marin and Contra Costa Counties by mandatory Caltrans to restore a 3rd lane on Richmond bridge.
<a href="#">ABX1 10</a>  Introduced: 8/19/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Levine D</a>  (Dist 10)	Public works: contracts: extra compensation. Would provide that a state entity in a mega-infrastructure project contract, as defined, may not provide for the payment of extra compensation to the contractor until the mega-infrastructure project, as defined, has been completed and an independent third party has verified that the mega-infrastructure project meets all architectural or engineering plans and safety specifications of the contract. This bill would apply to contracts entered into or amended on or after the effective date of this bill.	Assembly Print	Watch	Would restrict state agencies from providing extra payments to contractors on mega-infrastructure projects.
<a href="#">ABX1 13</a>  Introduced: 8/31/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Grove R</a>  (Dist 34)	Greenhouse Gas Reduction Fund: streets and highways. Would reduce the continuous appropriation to the Strategic Growth Council for the Affordable Housing and Sustainable Communities Program by half. This bill contains other related provisions.	Assembly Print	Oppose	The bill would reduce funds from the cap and trade for the Affordable Housing and Sustainable Communities competitive grant program by half and dedicate the savings to road repair.

Would continuously appropriate \$1 billion from the General Fund, with 50% to be made available to the Department of Transportation for maintenance of the state highway system or for purposes of the State Highway Operation and Protection Program, and 50% to be made available to the Controller for apportionment to cities and counties by a specified formula for street and road purposes.	Assembly Print	Watch	This bill reflects an evolving concept by Assembly Republicans to seek road improvement funding from existing state resources, obviating the need for new taxes.
<a href="#">ABX1 15</a>  Introduced: 8/31/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Patterson</a> R  (Dist 23)	State Highway Operation and Protection Program (SHOPP): local streets and roads: appropriation. Would reduce the \$663,287,000 appropriation for Capital Outlay Support by \$500 million, and would appropriate \$500 million from the State Highway Account for the 2015-16 fiscal year, with 50% to be made available to the Department of Transportation for maintenance of the state highway system or for purposes of the SHOPP, and 50% to be made available to the Controller for apportionment to cities and counties by formula for street and road purposes. This bill contains other existing laws.	Assembly Print	Watch	This bill reflects an evolving concept by Assembly Republicans to seek road improvement funding from existing state resources, obviating the need for new taxes.  Would reduce Caltrans staff costs by \$500 million and seek a like amount from State Highway Account to be dedicated for state and local road repairs.
<a href="#">ABX1 16</a>  Introduced: 8/31/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Patterson</a> R  (Dist 23)	State highways: transfer to local agencies: pilot program. Would require the Department of Transportation to participate in a pilot program over a 5-year period under which 2 counties, one in northern California and one in southern California, are selected to operate, maintain, and make improvements to all state highways, including freeways, in the affected county. The bill would require the department, with respect to those counties, for the duration of the pilot program, to convey all of its authority and responsibility over state highways in the county to a county, or a regional transportation agency that has jurisdiction in the county.	Assembly Print	Watch	This bill is intended to test the efficiency of Caltrans by authorizing a pilot program in which two counties would be able to assume Caltrans' responsibility for operating and maintaining highways with the county.

Current law continuously appropriates 60% of the annual proceeds of the Greenhouse Gas Reduction Fund for transit, affordable housing, sustainable communities, and high-speed rail purposes. This bill, beginning in the 2016-17 fiscal year, would continuously appropriate 25% of the annual proceeds of the fund to fund projects in the SHOPP.	Assembly Print	Oppose	This measure would seek to supplement state rehabilitation program with 25% of cap and trade resources.
<a href="#">ABX1 18</a>  Introduced: 8/31/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Linder</a> R  (Dist 60)	Vehicle weight fees: transportation bond debt service. Would, notwithstanding these provisions or any other law, effective January 1, 2016, prohibit weight fee revenue from being transferred from the State Highway Account to the Transportation Debt Service Fund or to the Transportation Bond Direct Payment Account, and from being used to pay the debt service on transportation general obligation bonds.	Assembly Print	Oppose	This measure would seek the return of truck weight fees to state highway rehabilitation purposes.
<a href="#">ABX1 19</a>  Introduced: 8/31/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Linder</a> R  (Dist 60)	California Transportation Commission. Would exclude the California Transportation Commission from the Transportation Agency and establish it as an entity in the state government. The bill would also make conforming changes.	Assembly Print	Watch	The bill re-establishes the independence of the CTC from the Administration Transportation Agency.  This bill is similar to AB 1364 (Linder), SB 1320 (Runner) and SBX1 12 (Runner).
<a href="#">ABX1 20</a>  Introduced: 8/31/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Gaines, Beth</a> R  (Dist 6)	State government: elimination of vacant positions: transportation: appropriation. Assembly Print	Watch	Extends to highway projects judicial relief from a CEQA challenge in certain cases.
<a href="#">ABX1 24</a>  Introduced: 9/11/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Levine D</a>  (Dist 10)	Bay Area Transportation Commission: election of commissioners. This bill, effective January 1, 2017, would re-designate the Metropolitan Transportation Commission (MTC) as the Bay Area Transportation Commission. The bill would require commissioners to be elected by districts comprised of approximately 750,000 residents. The bill would require each district to elect one commissioner, except that a district with a toll bridge, as defined, within the boundaries of the district would elect 2 commissioners. The bill would require commissioner elections to occur in 2016, with new commissioners to take office on January 1, 2017. The bill would state the intent of the Legislature for district boundaries to be drawn by a citizens' redistricting commission and campaigns for commissioners to be publicly financed. This bill, effective January 1, 2017, would delete the Bay Area Toll Authority's (BATA's) status as a separate entity from the MTC and merge the authority into the Bay Area Transportation Commission.	From Printer	New – Recommend Oppose	The author introduced this bill to address his perception that MTC, as an appointed body, does not adequately reflect the mobility and planning needs of the San Francisco Bay region. His solution is to require that MTC merge with BATA and report to an elected body.  We are recommending an oppose position because the proposed new structure would likely upset the current balance of urban and non-urban interests on the MTC in favor of the suburbs - and would have the effect of disadvantaging San Francisco and making it even harder to do effective regional planning.

<a href="#">ABX1 25</a>  Introduced: 1/11/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Allen, Travis</a> R  (Dist 72)	Shuttle services: loading and unloading of passengers. Under current law, a person may not stop, park, or leave a vehicle standing alongside a curb space authorized for the loading or unloading of passengers of a bus engaged as a common carrier in local transportation when indicated by a sign or red paint on the curb, except that current law allows local authorities to permit school buses to stop alongside these curb spaces upon agreement between a transit system operating buses as common carriers in local transportation and a public school district or private school. This bill would also allow local authorities to permit shuttle service vehicles, as defined, to stop for the loading or unloading of passengers alongside these curb spaces upon agreement between a transit system operating buses.	Assembly Print	Oppose	A 2nd bill by the author to replace AB 61 related to shuttle service buses. Bill is also same as AB 1641 (Allen, Travis).  SFMTA supports legislative measures to ensure the Commuter Shuttle Program, as agreed upon by the BOS and the SFMTA in 2016, can continue without litigation on the issue of shuttles using red zones.
<a href="#">ACA 4</a>  Amended: 8/17/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Frazier D</a>  (Dist 11)	Local government transportation projects: special taxes: voter approval. Would provide that the imposition, extension, or increase of a sales and use tax imposed pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or a transactions and use tax imposed in accordance with the Transactions and Use Tax Law by a county, city, city and county, or special district for the purpose of providing funding for local transportation projects, as defined, requires the approval of 55% of its voters voting on the proposition. The measure would also make conforming and technical, non-substantive changes.	Assembly Appropriations Suspense File	Support	This bill would provide voters the opportunity to reduce the requirement for approval of future special taxes for transportation purposes with a 55% majority.
<a href="#">SB 39</a>  Amended: 4/8/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Pavley D</a>  (Dist 27)	Vehicles: high-occupancy vehicle lanes. Current federal law, until September 30, 2017, authorizes a state to allow specified labeled vehicles to use lanes designated for high-occupancy vehicles (HOVs). Current law authorizes the DMV to issue no more than 70,000 of those identifiers. This bill would increase the number of those identifiers that the DMV is authorized to issue to an unspecified amount. This bill contains other related provisions and other current laws.	Assembly Transportation	Oppose	The bill would expand the amount of HOV lane access decals for clean vehicles. 2014 saw the number of decals permitted increase from 40,000 to 70,000. <a href="#">SB 321</a>  Amended: 8/18/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Beall</a> D  (Dist 15)	Motor vehicle fuel taxes: rates: adjustments. Would, for the 2016- 17 fiscal year and each fiscal year thereafter, require the State Board of Equalization on March 1 of the fiscal year immediately preceding the applicable fiscal year, as specified, to adjust the rate in a manner as to generate an amount of revenue equal to the amount of revenue loss attributable to the exemption, based on estimates made by the board that reflect the combined average of the actual fuel price over the previous 4 fiscal years and the estimated fuel price for the current fiscal year, and continuing to take into account adjustments required by existing law to maintain revenue neutrality for each year. This bill contains other existing laws.	Senate Inactive File	Support	This bill would provide more flexibility to the Board of Equalization in establishing annual gas excise tax rates by extending the period from 3 to 5 years to ensure "revenue neutrality". This would address the volatility now observed in the annual tax-rate-setting process.  MTC has adopted a support position on this bill.
<a href="#">SB 344</a>  Amended: 6/23/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Monning</a> D  (Dist 17)	Commercial driver's license: education. Current law, in the case of specified violations relating to rules of the road and driving under the influence, doubles the fine in the case of misdemeanors, and increases the fine, as specified, in the case of infractions, if the violation is committed by the driver of a vehicle within a highway construction or maintenance area during any time when traffic is regulated or restricted by the Department of Transportation or local authorities pursuant to existing law or is committed within a designated Safety Enhancement-Double Fine Zone. This bill would also require that an additional fine of \$35 be imposed if the violation occurred when passing a school building or school grounds, as specified.	Assembly 2 year	Support	Increases fines for traffic violations near schools. Similar bill passed last year, but was vetoed by Governor.  SFMTA has also adopted a support position on this bill.

Senate Appropriations	Support	This is a major overhaul of the statutes that govern tour bus safety. The bill imposes more direct fee-setting authority based on costs to administer the safety program; gives new priority to inspections to prioritize new buses at companies with history of noncompliance and requires 25% of bus inspection to be unannounced. Under the bill, a design professional would not have a duty to defend claims or lawsuits against any other person or entity arising from a construction project, except that person's or entity's reasonable defense costs arising out of the design professional's degree of fault, as specified. The bill would prohibit waiver of these provisions and would provide that any clause in a contract that requires a design professional to defend claims against other persons or entities is void and unenforceable.	Senate Judiciary	Oppose	This bill would effectively require public agencies and other project owners to defend design professionals' interests and then, after a legal determination, attempt to secure reimbursement for those legal costs and fault. <a href="#">SB 901</a>  Introduced: 1/21/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Bates</a> R  (Dist 36)	Transportation projects: Advanced Mitigation Program. Would create the Advanced Mitigation Program in the Department of Transportation to implement environmental mitigation measures in advance of future transportation projects. The bill would require the department to set aside certain amounts of future appropriations for this purpose.	Senate Dead	New – Recommend Delete from Matrix	Provides direction to Caltrans to expand advanced mitigation for transportation projects.
<a href="#">SB 902</a>  Introduced: 1/21/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Cannella</a> R  (Dist 12)	Department of Transportation: environmental review process: federal program. Current law, until January 1, 2017, provides that the State of California consents to the jurisdiction of the federal courts with regard to the compliance, discharge, or enforcement of the responsibilities the Department of Transportation assumed as a participant in the surface transportation project delivery program. Current law requires the department, no later than January 1, 2016, to submit a report to the Legislature that includes specified elements. This bill would require the department to instead submit that report to the Legislature commencing January 1, 2021, and every 5 years thereafter.	Senate Dead	New – Recommend Delete from Matrix	Amends the state law that permits Caltrans to oversee the National Environmental Protection Act (NEPA) process for projects in the state by extending the period of time for a report on implementation of this oversight.
<a href="#">SB 903</a>  Introduced: 1/21/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Nguyen</a> R  (Dist 34)	Transportation funds: loan repayment. Would acknowledge, as of June 30, 2015, \$879,000,000 in outstanding loans of certain transportation revenues, and would require this amount to be repaid from the General Fund by June 30, 2016, to the Traffic Congestion Relief Fund for allocation to the Traffic Congestion Relief Program, the Trade Corridors Improvement Fund, the Public Transportation Account, and the State Highway Account, as specified. The bill would thereby make an appropriation. This bill contains other related provisions and other existing laws.	Senate Transportation and Housing	Watch	The bill adapts a provision from the Governor's Transportation Plan that establishes a requirement that outstanding General Fund loans be repaid, but by 6/30/16.  This loan repayment was proposed by the Governor on a longer timeline.

<a href="#">SB 951</a> Amended: 4/26/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">McGuire</a> D  (Dist 2)	Transportation: Golden State Patriot Passes Program. This bill would create the Golden State Patriot Passes Program to be administered by the Department of Transportation (Caltrans) to provide veterans with free access to transit services. The bill would require the department, in coordination with the State Air Resources Board, to develop guidelines that describe the methodologies that a participating transit operator would use to demonstrate that proposed expenditures would reduce greenhouse gas emissions, increase veteran mobility and fulfill specified requirements. The bill would require the department to select 3 transit operators to participate in the program.	Senate Appropriations	New – Recommend Watch	Creates the Golden State Patriot Passes Program, administered by Caltrans, to provide free access to transit services for veterans and requires Caltrans, by January 1, 2018, to select three transit operator applicants to receive program funding.
<a href="#">SB 986</a> Amended: 4/12/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Hill</a> D  (Dist 13)	Vehicles: right turn violations. Current law requires a driver facing a steady circular red signal alone to stop at a marked limit line, but if none, before entering the crosswalk on the near side of the intersection or, if none, then before entering the intersection, and to remain stopped until an indication to proceed is shown, except as specified. A violation of this provision is an infraction punishable by a fine of \$100. This bill would recast those provisions, and instead would require that a violation of this provision for a right turn or a left turn from a one-way street onto a one-way street is punishable by a fine of \$35.	Senate Appropriations Suspense File	New – Recommend Oppose	This bill would lower the fines for right turn and left turn from a one-way street onto a one-way street violations of red light stopping law from \$100 to \$35.  SFMTA intends to seek an oppose position on this bill because of its potential to work against the city's Vision Zero goals.
<a href="#">SB 998</a> Amended: 4/6/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Wieckowski</a> D  (Dist 10)	Vehicles: mass transit guideways. Would prohibit a person from operating a motor vehicle, or stopping, parking, or leaving a vehicle standing, on a portion of the highway designated for the exclusive use of public transit buses, subject to specified exceptions. Because a violation of these provisions would be a crime, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.	Senate Appropriations	Watch	Expands restrictions on vehicles from stopping at certain locations to include transit guideways.

<a href="#">SB 1066</a>  Introduced: 2/16/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Beall</a> D  (Dist 15)	Transportation funds: fund estimates. Current law requires the Department of Transportation to submit to the California Transportation Commission an estimate of state and federal funds reasonably expected to be available for future programming over the 5-year period in each state transportation improvement program (STIP), and requires the California Transportation Commission to adopt a fund estimate in that regard. This bill would require the fund estimates prepared by the department and the commission to identify and include federal funds derived from apportionments made to the state under the Fixing America's Surface Transportation Act of 2015.	Assembly	Support	Adds new Federal transportation funds to revenues that must be included revenues estimate for the STIP.
<a href="#">SB 1128</a>  Introduced: 2/17/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Glazer</a> D  (Dist 7)	Commute benefit policies. Current law authorizes the Metropolitan Transportation Commission and the Bay Area Air Quality Management District to jointly adopt a commute benefit ordinance that requires covered employers operating within the common area of the 2 agencies with a specified number of covered employees to offer those employees certain commute benefits through a pilot program. Current law requires that the ordinance specify certain matters, including any consequences for noncompliance, and imposes a specified reporting requirement. Current law makes these provisions inoperative on January 1, 2017. This bill would extend these provisions indefinitely, thereby establishing the pilot program permanently.	Assembly Desk	Support	Extends the commute benefits ordinance authority for MTC/ABAG indefinitely.  MTC has taken a support position on this bill.
<a href="#">SB 1141</a>  Amended: 4/5/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Moorlach</a> R  (Dist 37)	State highways: transfer to local agencies: pilot program. Would require the Department of Transportation to participate in a pilot program over a 5-year period under which 2 counties, one in northern California and one in southern California, may be selected to operate, maintain, and make improvements to all state highways, including freeways, in the affected county. The bill would require the department, with respect to those counties, for the duration of the pilot program, to convey all of its authority and responsibility over state highways in the county to the county or to a regional transportation agency that has jurisdiction in the county.	Senate Dead	Watch	Creates a pilot program for Caltrans to turn over its operation and maintenance of state highways in 2 counties for a period of 5 years.  This bill is similar to ABX1 16.  Failed passage, committee granted reconsideration.

<a href="#">SB 1208</a>  Introduced: 2/18/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Bates</a> R  (Dist 36)	California Transportation Commission (CTC). Current law creates the CTC, with specified powers and duties relative to programming of transportation capital improvement projects and other related matters. Current law authorizes the commission to request and review reports of the Department of Transportation and other entities pertaining to transportation issues and concerns that the commission determines need special study. This bill would make a non-substantive change to this provision.	Senate Rules	Watch	Spot bill related to the CTC.
<a href="#">SB 1259</a>  Amended: 4/21/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Runner</a> R  (Dist 21)	Vehicles: toll payment: veterans. Would exempt vehicles registered to a veteran and displaying a specialized veterans license plate, as specified, from payment of a toll or related fines on a toll road, high-occupancy toll (HOT) lane, toll bridge, toll highway, a vehicular crossing, or any other toll facility. The bill would also make conforming changes.	Senate Appropriations	Oppose	Addresses vehicles operated by a veteran with a special decal to the exemption of requirement to pay tolls. Recommending an oppose position because of possibility of fraud (seen in other jurisdictions) and associated decrease in toll revenue.  MTC has adopted an oppose position on this bill.
<a href="#">SB 1320</a>  Introduced: 2/19/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Runner</a> R  (Dist 21)	California Transportation Commission. Would exclude the California Transportation Commission from the Transportation Agency, establish it as an entity in state government, and require it to act in an independent oversight role. The bill would also make conforming changes. This bill contains other related provisions and other existing laws.	Senate Dead	New – Recommend Delete from Matrix	Provides for the independence of the CTC.  This bill is similar to AB 1364 (Linder), ABX 19 (Linder) and SBX1 12 (Runner).

<a href="#">SBX1.1</a>  Amended: 4/21/2016  <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Beall D</a>  (Dist 15)	<p>Transportation funding: environmental mitigation: oversight. Would create the Road Maintenance and Rehabilitation Program to address deferred maintenance on the state highway system and the local street and road system and for other specified purposes. The bill would provide for the deposit of various funds for the program in the Road Maintenance and Rehabilitation Account, which the bill would create in the State Transportation Fund.</p> <p>The recent amendments included significant new revenues for transportation, including transit. The amended bill eliminates the Board of Equalization's annual adjustment of the gas excise tax, raises the gas excise tax 6 cents per gal., and indexes it to inflation. It also raises the diesel excise tax by 22 cents per gallon and sales tax by 5.25%. The VRF is increased by \$35, and new annual \$100 zero-emission vehicles fee and annual road access fee of \$35 per vehicle are introduced. Additional cap and trade funds are dedicated to the Transit and Intercity Rail Capital program and to the Low Carbon Transit Operations Program.</p>	Senate Appropriations	Support/Seek Amendments	Latest amendments reflect a major new state/local transportation funding bill. It would provide \$5.5 billion annually and \$1 billion in one-time revenue to fund state and local road repair, transit capital and operations, trade corridors, and job training.

<a href="#">SBX1 2</a>  Introduced: 6/30/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Huff</a> R  (Dist 29)	Greenhouse Gas Reduction Fund. Would provide that those annual proceeds shall be appropriated by the Legislature for transportation infrastructure, including public streets and highways, but excluding high-speed rail. This bill contains other existing laws.	Senate Transportation and Infrastructure Development	Oppose	The bill seeks to transfer from current cap and trade permanent allocations for High Speed Rail, rail and transit programs the amount of revenues attributable to the transportation fuels sector and make them available for public streets and highways.  The fuels sector is estimated to provide an amount of auction revenues estimated to be equal to a fuel tax of 10 cents per gallon.  The effect of this would be to greatly reduce the amount of revenues available for programs like the Transit Intercity Rail Capital program in which SFMTA was successful in competing, receiving \$41 million for its Light Rail Vehicle Expansion project.
<a href="#">SBX1 4</a>  Amended: 9/4/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Beall</a> D  (Dist 15)	Transportation funding. Current law requires the Department of Transportation to improve and maintain the state's highways, and establishes various programs to fund the development, construction, and repair of local roads, bridges, and other critical transportation infrastructure in the state. This bill would declare the intent of the Legislature to enact statutory changes to establish permanent, sustainable sources of transportation funding to maintain and repair the state's highways, local roads, bridges, and other critical transportation infrastructure.	Senate Conference Committee	Watch	This is a spot bill intended to serve as a vehicle for a transportation funding resolution, should one be reached in Special Session.

<a href="#">SBX1 5</a>  Introduced: 7/7/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Beall</a> D  (Dist 15)	Transportation funding. Current law establishes various programs to fund the development, construction, and repair of local roads, bridges, and other critical transportation infrastructure in the state. This bill would declare the intent of the Legislature to enact legislation to establish permanent, sustainable sources of transportation funding to improve the state's key trade corridors and support efforts by local governments to repair and improve local transportation infrastructure.	Assembly Desk	Watch	Special session spot bill intended to serve as a vehicle for a transportation funding resolution, should one be reached in Special Session.
<a href="#">SBX1 7</a>  Amended: 9/3/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Allen</a> D  (Dist 26)	Diesel sales and use tax. Would restrict expenditures of revenues from the July 1, 2016, increase in the sales and use tax on diesel fuel to transit capital purposes and certain transit services. The bill would require an existing required audit of transit operator finances to verify that these new revenues have been expended in conformance with these specific restrictions and all other generally applicable requirements. This bill contains other related provisions and other existing laws.	Senate Appropriations	Support	The bill seeks to increase transit funds by increasing the diesel sales tax rate.  Bill is the same as ABX1 8 (Chiu).
<a href="#">SBX1 8</a>  Introduced: 7/16/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Hill</a> D  (Dist 13)	Public transit: funding. Current law requires all moneys, except for fines and penalties, collected by the State Air Resources Board from the auction or sale of allowances as part of a market-based compliance mechanism relative to reduction of greenhouse gas emissions to be deposited in the Greenhouse Gas Reduction Fund. This bill would instead continuously appropriate 20% of those annual proceeds to the Transit and Intercity Rail Capital Program, and 10% of those annual proceeds to the Low Carbon Transit Operations Program, thereby making an appropriation. This bill contains other current laws.	Senate Appropriations	Support	The bill would increase cap and trade funding dedicated to (1) transit capitol (2) transit operation.  Bill is the same as ABX1 7 (Nazarian).

<a href="#">SBX1 10</a>  Introduced: 7/16/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Bates</a> R  (Dist 36)	Regional transportation capital improvement funds. Current law requires funds available for regional projects to be programmed by the California Transportation Commission pursuant to the county shares formula, under which a certain amount of funding is available for programming in each county, based on population and miles of state highway. Current law specifies the various types of projects that may be funded with the regional share of funds to include state highways, local roads, transit, and others. This bill would revise the process for programming and allocating the 75% share of state and federal funds available for regional transportation improvement projects.	Senate Transportation and Infrastructure Development	Watch	This bill would transfer regional State Transportation Improvement Program (STIP) funds directly to Metropolitan Planning Organizations (MPOs) for allocation to county projects.
<a href="#">SBX1 11</a>  Amended: 9/4/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Berryhill</a> R  (Dist 8)	Environmental quality: transportation infrastructure. The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report (EIR) on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. This bill would exempt from these CEQA provisions a project that consists of the inspection, maintenance, repair, restoration, reconditioning, relocation, replacement, or removal of existing transportation infrastructure if certain conditions are met, and would require the person undertaking these projects to take certain actions	Senate Transportation and Infrastructure Development	Watch	Broadens current law to provide CEQA exemption for safety and repairs on roadways that is within the road footprint.

Would create the Office of the Transportation Inspector General in state government, as an independent office that would not be a subdivision of any other government entity, to build capacity for self-correction into the government itself and to ensure that all state agencies expending state transportation funds are operating efficiently, effectively, and in compliance with federal and state laws.	Senate Appropriations	Watch	Creates a new Inspector General office to oversee effectiveness of Caltrans and High-Speed Rail Authority.
<a href="#">SBX1 14</a>  Introduced: 7/16/2015 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Cannella</a> R  (Dist 12)	Transportation projects: comprehensive development lease agreements. Current law authorizes the Department of Transportation and regional transportation agencies, as defined, to enter into comprehensive development lease agreements with public and private entities, or consortia of those entities, for certain transportation projects that may charge certain users of those projects tolls and user fees, subject to various terms and requirements. This bill would extend this authorization indefinitely and would include within the definition of "regional transportation agency" the Santa Clara Valley Transportation Authority, thereby authorizing the authority to enter into public-private partnerships under these provisions.	Senate Transportation and Infrastructure Development	Watch	Extends current public-private partnership law indefinitely.
<a href="#">SCA 5</a>  Amended: 4/12/2016 <a href="#">pdf</a> <a href="#">html</a>	<a href="#">Hancock</a> D  (Dist 9)	Local government finance. Would exempt from taxation for each taxpayer an amount up to \$500,000 of tangible personal property used for business purposes. This measure would prohibit the Legislature from lowering this exemption amount or from changing its application, but would authorize it to be increased consistent with the authority described above. This measure would provide that this provision shall become operative on January 1, 2019. This bill contains other related provisions and other existing laws.
