

Draft Strategic Analysis Report: Improving West Side Transit Access

Citizens Advisory Committee
Agenda Item 8

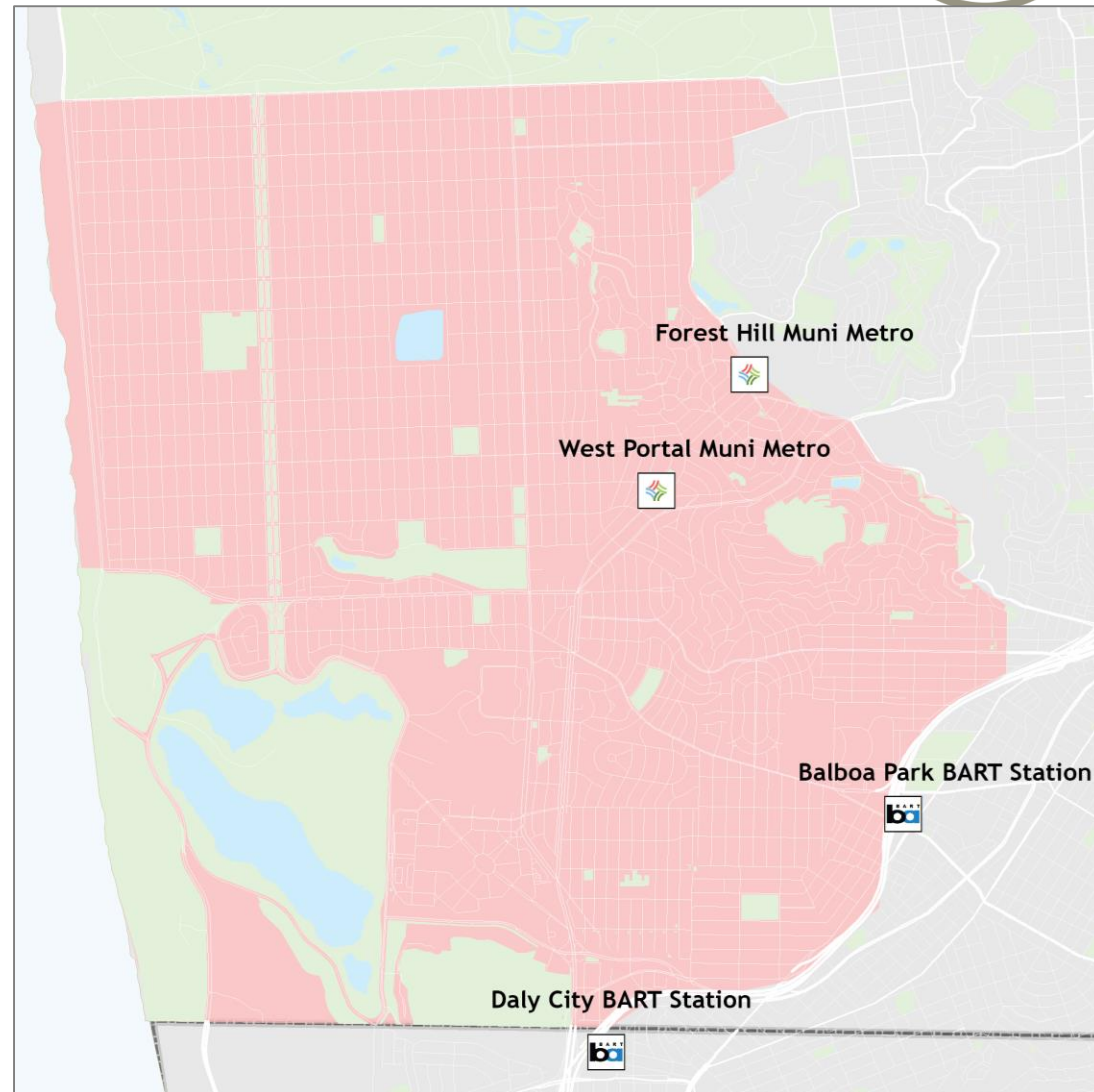

SAN FRANCISCO COUNTY TRANSPORTATION AUTHORITY
February 24, 2016

Presentation Overview

- ▶ **Background**
- ▶ **Methodology**
- ▶ **Findings**
- ▶ **Recommendations**

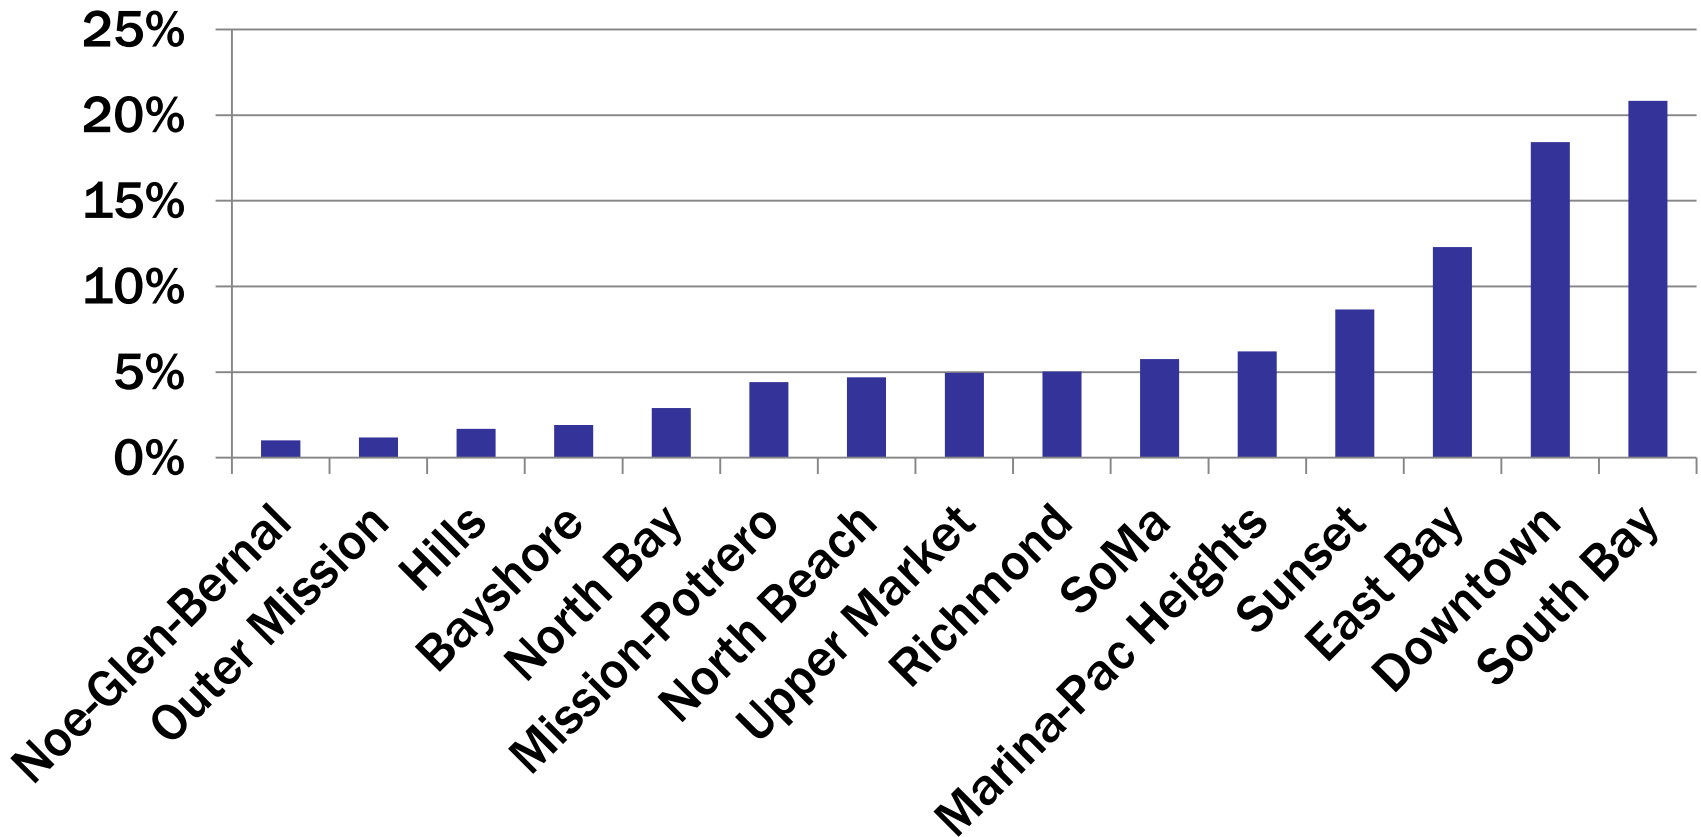

Study Area

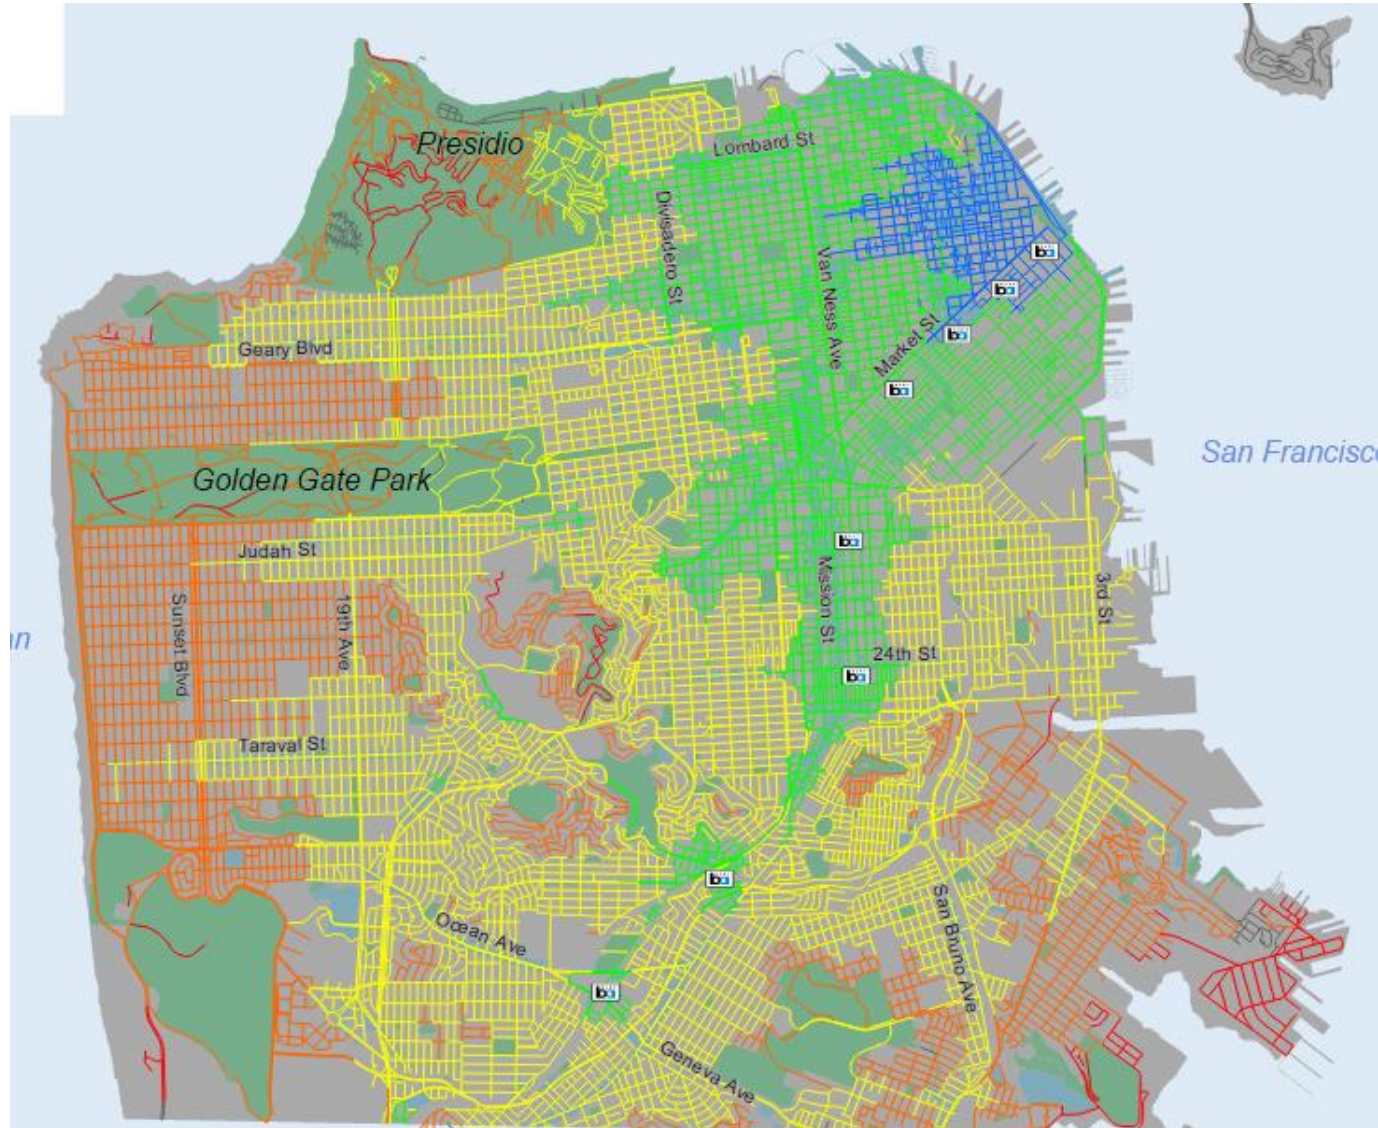

Top Commute Destinations for West Side Workers

Workplace Locations for West Side Workers Percent of Total

Long Transit Travel Times from West Side to Downtown (TransAmerica Pyramid)

Source – AM Peak Period – May 2015. <https://www.ocf.berkeley.edu/~djhoward/transitmap/transit.html>

Methodology

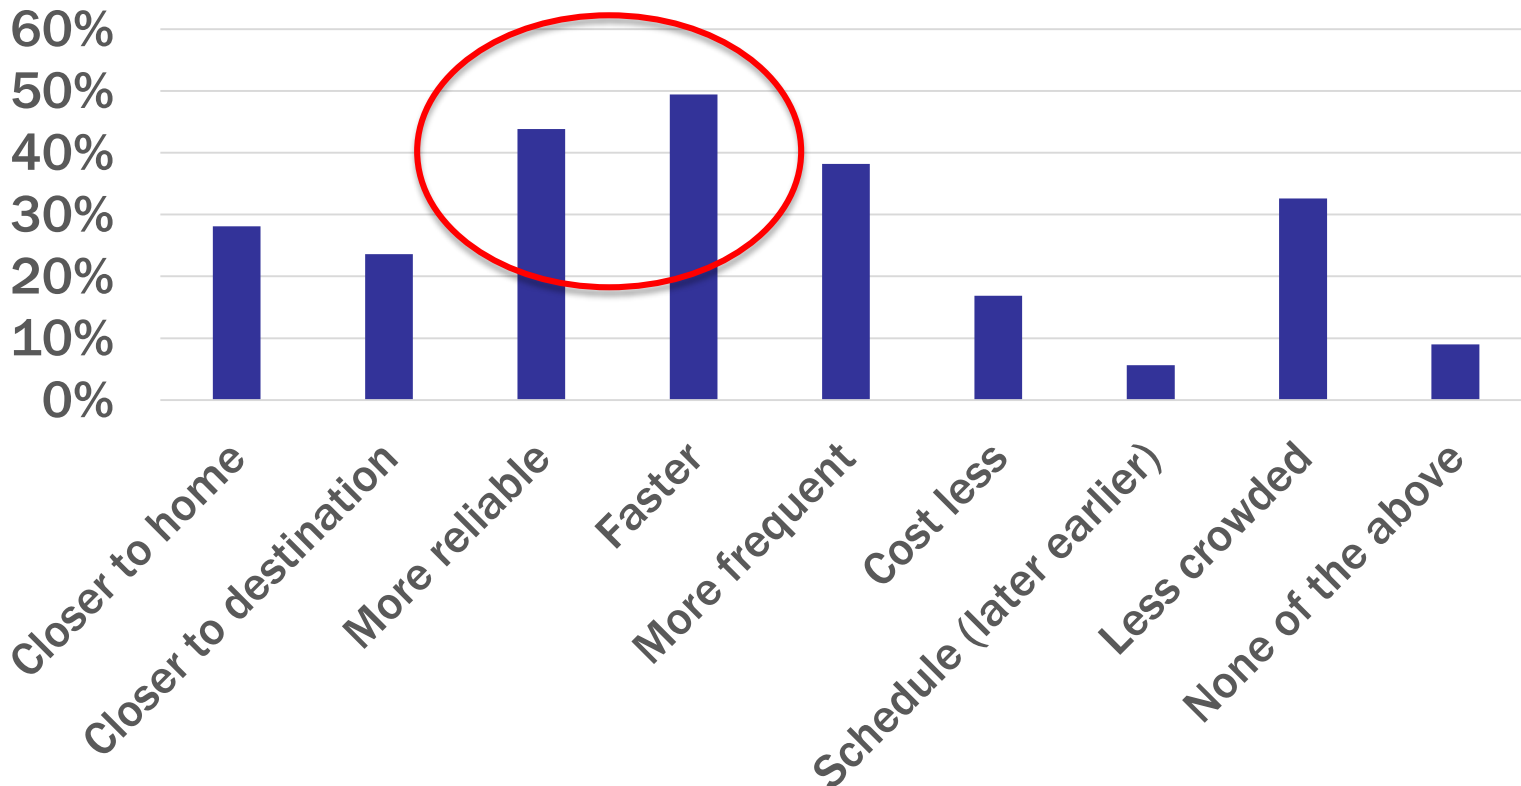

- ▶ **Agency and private sector interviews**
- ▶ **Existing conditions review**
- ▶ **Community focus group**
- ▶ **West Side survey**
- ▶ **Prioritization of issues**
- ▶ **Recommendations**

Transit Reliability and Travel Time Improvements Most Important to Drivers

What improvements would make you consider taking transit to a rail hub or all the way to work? (Current drivers only)

Near Term Recommendations

- ▶ **Improve transit travel time and reliability**
 - ▶ **Implement planned projects**
 - ▶ **Consider study of 29-Sunset**
 - ▶ **Address transit capacity constraints at Daly City**
 - ▶ **Support upcoming SFMTA West Portal study**

West Portal – Conflicts

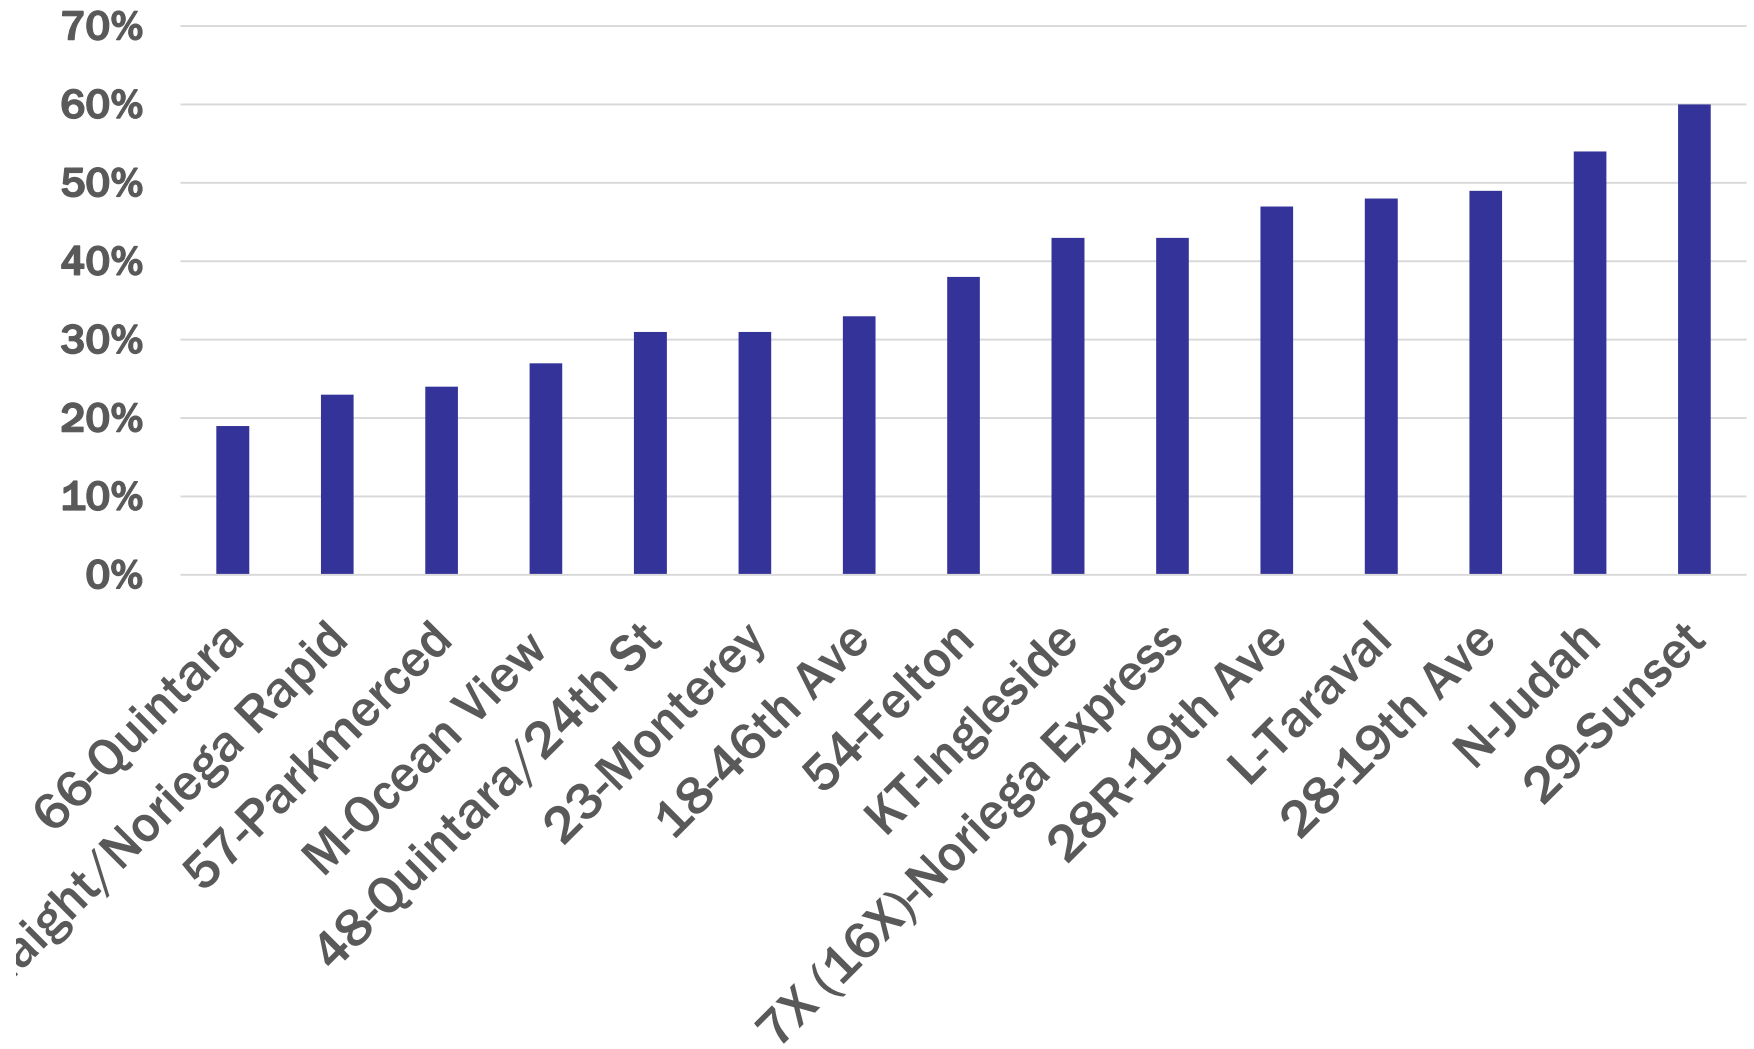

West Portal Muni Delays

West Portal – Lack of Secure Bicycle Parking

Transit Lines - Average Percent Full on West Side – Morning Peak Period

Near Term Recommendations (Con't)

- ▶ **Leverage underutilized routes such as the 66-Quintara**

SERVICE AREA

Near Term Recommendations (Con't)

- ▶ **Pilot options for encouraging carpooling and ridesharing to hubs**
- ▶ **Improve bicycle access to Daly City and bicycle parking at West Portal**

Long Term Recommendations

- ▶ **Explore subway extensions, dedicated freeway HOV lanes to serve West Side**
- ▶ **Expand travel options for West-Side to South Bay commute**
