

Memorandum

Date: 04.21.2016 **RE:** Citizens Advisory Committee
April 27, 2016

To: Citizens Advisory Committee

From: Anna LaForte – Deputy Director for Policy and Programming *all*

Subject: **ACTION** – Adopt a Motion of Support for Allocation of \$9,599,451 in Prop K Funds, with Conditions, for Three Requests, Subject to the Attached Fiscal Year Cash Flow Distribution Schedules

Summary

As summarized in Attachments 1 and 2, we have three requests totaling \$9,599,451 in Prop K funds to present to the Citizens Advisory Committee. The San Francisco Municipal Transportation Agency (SFMTA) is requesting \$5 million in Prop K funds and a commitment to allocate another \$7 million to leverage Federal Transit Administration funds for the procurement of 33 60-foot New Flyer electric trolley coaches. The committed funds would be available for allocation once the SFMTA secures the remaining federal funds for the project. The SFMTA has also requested \$4,400,000 in Prop K funds for planning and design work to renovate its Burke Avenue industrial building to increase the efficiency of the central warehouse for its Materials Management section and to provide a new headquarters for its Overhead Lines group. Finally, the SFMTA has requested \$199,451 in Prop K Neighborhood Transportation Improvement Program (NTIP) capital funds for bicycle and pedestrian safety improvements on Arguello Boulevard, including bike lane striping, continental crosswalks and design of sidewalk bulbouts to be constructed through the paving project in 2017.

BACKGROUND

We have received three requests for a total of \$9,599,451 in Prop K funds to present to the Citizens Advisory Committee (CAC) at its April 27, 2016 meeting, for potential Board approval on May 24, 2016. As shown in Attachment 1, the requests come from the following Prop K categories:

- New and Renovated Vehicles – Muni
- Rehab/Upgrades Existing Facilities – Muni
- Bicycle Circulation/Safety
- Pedestrian Circulation/Safety

Transportation Authority Board adoption of a 5-Year Prioritization Program (5YPP) for Prop K programmatic categories is a prerequisite for allocation of funds from these categories.

DISCUSSION

The purpose of this memorandum is to present three Prop K requests totaling \$9,599,451 to the CAC and to seek a motion of support to allocate the funds as requested. Attachment 1 summarizes the three requests, including information on proposed leveraging (i.e. stretching Prop K dollars further by matching them with other fund sources) compared with the leveraging assumptions in the Prop K

Expenditure Plan. Attachment 2 provides a brief description of each project. A detailed scope, schedule, budget and funding plan for each project are included in the attached Allocation Request Forms.

Staff Recommendation: Attachment 3 summarizes the staff recommendations for the requests, highlighting special conditions and other items of interest.

Transportation Authority staff and project sponsors will attend the CAC meeting to provide brief presentations on some of the specific requests and to respond to any questions that the CAC may have.

ALTERNATIVES

1. Adopt a motion of support for allocation of \$9,599,451 in Prop K funds, with conditions, for three requests, subject to the attached Fiscal Year Cash Flow Distribution Schedules, as requested.
2. Adopt a motion of support for allocation of \$9,599,451 in Prop K funds, with conditions, for three requests, subject to the attached Fiscal Year Cash Flow Distribution Schedules, with modifications.
3. Defer action, pending additional information or further staff analysis.

FINANCIAL IMPACTS

This action would allocate \$9,599,451 in Fiscal Year (FY) 2015/16 Prop K sales tax funds, with conditions, for three requests. The allocations would be subject to the Fiscal Year Cash Flow Distribution Schedules contained in the attached Allocation Request Forms.

Attachment 4, Prop K Allocation Summaries – FY 2015/16, shows the total approved FY 2015/16 Prop K allocations and appropriations to date, with associated annual cash flow commitments as well as the recommended allocations and cash flows that are the subject of this memorandum.

Sufficient funds are included in the adopted FY 2015/16 budget to accommodate the recommendation actions. Furthermore, sufficient funds will be included in future budgets to cover the recommended cash flow distribution for those respective fiscal years.

RECOMMENDATION

Adopt a motion of support for allocation of \$9,599,451 in Prop K funds, with conditions, for three requests, subject to the attached Fiscal Year Cash Flow Distribution Schedules.

Prop K	39, 40	SFMTA	Arguello Boulevard Near-term Improvements [NTIP Capital]	\$ 199,451	\$ -	\$ 199,451	NA	0%	Design, Construction	1
TOTAL				\$ 9,599,451	\$ -	\$ 29,749,451	84%	68%		

Footnotes

¹ "EP Line No./Category" is either the Prop K Expenditure Plan line number referenced in the 2014 Prop K Strategic Plan or the Prop AA Expenditure Plan category referenced in the 2012 Prop AA Strategic Plan, including: Street Repair and Reconstruction (Street), Pedestrian Safety (Ped), and Transit Reliability and Mobility Improvements (Transit).

² Acronym: SFMTA (San Francisco Municipal Transportation Agency)

³ "Expected Leveraging By EP Line" is calculated by dividing the total non-Prop K funds expected to be available for a given Prop K Expenditure Plan line item (e.g. Pedestrian Circulation and Safety) by the total expected funding for that Prop K Expenditure Plan line item over the 30-year Expenditure Plan period. For example, expected leveraging of 90% indicates that on average non-Prop K funds should cover 90% of the total costs for all projects in that category, and Prop K should cover only 10%.

⁴ "Actual Leveraging by Project Phase" is calculated by dividing the total non-Prop K or non-Prop AA funds in the funding plan by the total cost for the requested phase or phases. If the percentage in the "Actual Leveraging" column is lower than in the "Expected Leveraging" column, the request (indicated by yellow highlighting) is leveraging fewer non-Prop K dollars than assumed in the Expenditure Plan. A project that is well leveraged overall may have lower-than-expected leveraging for an individual or partial phase.

Attachment 2: Brief Project Descriptions ¹

EP Line No./ Category	Project Sponsor	Project Name	Prop K Funds Requested	Prop AA Funds Requested	Project Description
17M	SFMTA	Replace 14 60-Foot Trolley Coaches	\$ 5,000,000	\$ -	<p>The SFMTA is requesting allocation of \$5 million and a commitment to allocate \$7 million in Prop K funds to match \$48 million in federal funds for procurement of 33 60-foot articulated trolley coaches from New Flyer Inc. This allocation would help fund the procurement of 14 of the 33 buses and would match federal funds currently available to SFMTA. The SFMTA will request the remaining Prop K funds and issue a second Notice to Proceed for the last 19 buses after the Metropolitan Transportation Commission programs sufficient FY16/17 federal funds to the project (expected fall 2016). The new coaches will replace 60-foot trolley coaches that have reached the end of their useful lives. The subject procurement is the second tranche in the planned purchase of up to 333 trolley coaches from New Flyer. The first vehicle that is funded by the subject request should be delivered June 2017 and all vehicles to be in service by October 2017.</p>

Attachment 2: Brief Project Descriptions ¹

EP Line No./ Category	Project Sponsor	Project Name	Prop K Funds Requested	Prop AA Funds Requested	Project Description
20M	SFMTA	Burke Facility Renovation	\$ 4,400,000	\$ -	<p>Funds will be used for the planning and design phases for the SFMTA's \$30 million project to renovate 1570-1580 Burke Avenue. This facility currently functions as the central warehouse for SFMTA's Materials Management section, which distributes parts and supplies to all vehicle maintenance facilities throughout the city. The renovation will make more efficient use of the building, with about half of the space being remodeled to improve the capacity of the central warehouse through improved shelving systems and inventory management systems, and half of the space being remodeled as the new headquarters of SFMTA's Overhead Lines division. The project schedule is highly compressed, with completion of design scheduled for December 2016 and project completion by May 2018, when the Overhead Lines division must vacate 1401 Bryant Street to allow the building to be renovated for the new Animal Care and Control facility. The project will be delivered through a Construction Manager/General Contractor (CMGC) delivery method.</p>
39, 40	SFMTA	Arguello Boulevard Near-term Improvements [NTIP Capital]	\$ 199,451	\$ -	<p>Funds would be used for construction of bicycle and pedestrian safety improvements on Arguello Boulevard between Fulton Street and West Pacific Avenue. Improvements for this Bicycle High Injury Corridor were developed through a Neighborhood Transportation Improvement Program (NTIP) planning grant to improve safety and access to Golden Gate Park. The paint-only treatments include striping a 2-ft. buffer alongside the existing bike lanes, and continental crosswalks and daylighting at intersections to improve pedestrian visibility. This request would also fund the design phase for concrete bulbouts to be constructed through the SFPW's paving project in 2017. Near-term paint improvements will be constructed by August 2016.</p>
TOTAL			\$ 9,599,451	\$ -	

¹ See Attachment 1 for footnotes.

Attachment 3: Staff Recommendations¹

EP Line No./ Category	Project Sponsor	Project Name	Prop K Funds Recommended	Prop AA Funds Recommended	Recommendation
17M	SFMTA	Replace 14 60-Foot Trolley Coaches	\$ 5,000,000	\$ -	<p>Our recommendation includes a commitment to allocate about \$7 million in Prop K funds to match \$28 million in FY16/17 Federal Transit Administration funds anticipated to be programmed by MTC in fall 2016.</p> <p>5-Year Prioritization Program (5YPP) Amendment: The recommended allocation is contingent on an amendment to the Vehicles 5YPP to reprogram \$5,000,000 in FY15/16 funds from Replace 100 ETI 40' Trolley Coaches to the subject project. See attached 5YPP amendment for details.</p>
20M	SFMTA	Burke Facility Renovation	\$ 4,400,000	\$ -	<p>Multi-phase allocation is recommended given the overlapping schedules of the two phases and the compressed schedule of the project as a whole.</p> <p>Due to the highly compressed project schedule and uncertain site conditions, our recommendation places \$2,335,000 in contingency and final design funds on reserve pending receipt of updated scope, schedule and budget upon completion of 35% design.</p> <p>5YPP Amendment: The recommended allocation is contingent upon amendment of the Facilities-Muni 5YPP to reprogram FY14/15 funds from the Implementation of Various Facility Plans Placeholder and cumulative remaining programming capacity to the subject project. See attached 5YPP amendment for details.</p>
39, 40	SFMTA	Arguello Boulevard Near-term Improvements [NTIP Capital]	\$ 199,451	\$ -	<p>Multi-phase allocation is recommended as the work represents two distinct scopes of work with independent utility (e.g. design of concrete bulbs and construction of near-term striping work).</p> <p>Our recommendation includes a commitment to allocate \$78,696 in Prop K funds for pedestrian and bicycle paint improvements that will be constructed through the SFPW's Arguello paving project in 2017. These improvements include green bike boxes and green bike lane treatments, and khaki pedestrian safety zones. The paving project will pay for restriping all the near-term paint work to be funded by this request.</p>

SCOPE

Sufficient scope detail should be provided to allow Authority staff to evaluate the reasonableness of the proposed budget and schedule. If there are prior allocations for the same project, provide an update on progress. Describe any outreach activities included in the scope. Long scopes may be provided in a separate Word file. Maps.

If a project is not already name Project sponsors shall provide a brief explanation of how the project was prioritized for funding, highlighting: 1) project benefits, 2) level of public input into the prioritization process, and 3) whether the project is included in any adopted plans, including Prop K/Prop AA 5-Year Prioritization Program (5YPPs). Justify any inconsistencies with the adopted Prop K/Prop AA Strategic Plans and/or relevant 5YPPs.

Indicate whether work is to be performed by outside consultants and/or by force account.

The San Francisco Municipal Transportation Agency (SFMTA) requests \$5 million in Prop K funds and a commitment to allocate \$7,023,785 for procurement of a total of 33 60-foot articulated New Flyer electric trolley coaches to replace 33 Electric Transit Inc. (ETI) 60-foot trolley coaches that have reached the end of their useful lives.

Please see details on the following pages.

**San Francisco County Transportation Authority
Prop K/Prop AA Allocation Request Form**

Background

The SFMTA currently has a fleet of 93 60-ft articulated trolley coaches consisting of 60 New Flyer trolleys that were placed into service in 1993 - 1994 and 33 ETI Trolleys that were placed into service in 2003. The useful life of trolley coaches per FTA Circular C5010.1D is 15 years. Therefore, the New Flyer Trolley coaches are soon to meet or have already exceeded their useful life and are overdue for replacement. The SFMTA has entered into a joint procurement contract with King County Metro in Seattle (the second largest trolley coach operator in the United States). Through options to the multi-year contract the SFMTA plans to purchase up to 220 40-foot and 105 60-foot trolley coaches. A contract (CPT 632) for an initial purchase of 60 articulated trolley coaches from New Flyer Inc. was signed on February 26, 2014, partially funded by a \$20,831,776 Prop K allocation. Deliveries have begun for those 60 trolleys, which will replace the older 60-foot New Flyer trolley coaches.

Performance of the 33 ETI 60-ft articulated trolley coaches has been declining due to mechanical or electrical system failures and maintenance costs have been increasing exponentially as the fleet has reached the end of its service lifespan. Therefore, SFMTA has made an economical decision to retire these ETI 60-ft articulated coaches now.

To replace these vehicles, the SFMTA proposes to amend the joint procurement contract with King County Metro to purchase an additional 33 articulated trolley coaches from New Flyer Inc. This Contract Amendment No.1 includes related tools, training and spare parts, for a total amount not to exceed approximately \$57.5 million, and for a term not to exceed six years.

CPT 632

Contract Option	Date of Notice to Proceed	# Vehicles to be Procured	Vehicles to be Replaced	Placed in Service
Base Contract	Feb-2014	60	Replacement for 60 New Flyer 60-foot trolley coaches	1993-94
Contract Amendment #1			Replacement for 33 ETI 60-foot trolley coaches	2003
NTP 1	Jun-2016	14		
NTP 2	Jan-2017 *	19		
Future Contract Amendment	TBD	240	Replacement for 240 ETI 40-foot trolley coaches	2001-2003
TOTAL		333		

* or following approval of FY17 funds in the Transportation Improvement Program

Scope of Subject Request

The requested funds will provide the local match for \$20 million in Federal Transit Administration (FTA) funds that the SFMTA has secured to fund the \$25 million cost for replacing 14 of the 33 ETI 60-foot trolley coaches. The SFMTA expects to secure an additional \$28 million in FTA funds to procure the remaining coaches when the Metropolitan Transportation Commission (MTC) programs FY 2016/17 FTA funds through its Transit Capital Priorities process in Fall 2016. The SFMTA will request a Prop K match when it has secured the additional FTA funds. Note that the full cost includes SFMTA staff labor, consultant costs and other non-contract costs. See major line item budget for more cost information.

The Replace 14 60-Foot Trolley Coaches project will ensure that there are enough vehicles available to transport passengers throughout the City. A portion of the replacement trolley coaches will be used for the bus rapid transit (BRT) service being planned on the Van Ness corridor. The Van Ness BRT project will allow a faster mode of transportation through one of the busiest corridors in the city. The replacement trolley coaches are anticipated to have a useful life of 15 years. This project is included in the Muni Vehicles Prop K 5-Year Prioritization Program (5YPPs) and the 2014 SFMTA Transit Fleet Management Plan.

Prop K/Prop AA Allocation Request Form**

MAJOR LINE ITEM BUDGET

1. Provide a major line item budget, with subtotals by task and phase. More detail is required the farther along the project is in the development phase. Planning studies should provide task-level budget information.
2. Requests for project development should include preliminary estimates for later phases such as construction.
3. Support costs and contingencies should be called out in each phase, as appropriate. Provide both dollar amounts and % (e.g. % of construction) for support costs and contingencies.
4. For work to be performed by agency staff rather than consultants, provide base rate, overhead multiplier, and fully burdened rates by position with FTE (full-time equivalent) ratio. A sample format is provided below.
5. For construction costs, please include budget details. A sample format is provided below. Please note if work will be performed through a contract.
6. For any contract work, please provide the LBE/SBE/DBE goals as applicable to the contract.

FISCAL YEAR CASH FLOW DISTRIBUTION FOR CURRENT PROP K REQUEST

Use the table below to enter the proposed cash flow distribution schedule (e.g. the maximum Prop K/Prop AA funds that are guaranteed to be available for reimbursement each fiscal year) for the current request. If the schedule is more aggressive than the Prop K/Prop AA Strategic Plan and/or 5YPP, please explain in the text box below how cash flow for other projects and programs will be slowed down to accommodate the current request without exceeding annual cash flow assumptions made in the Strategic Plan.

Prop K Funds Requested:

\$5,000,000

Sponsor Request - Proposed Prop K Cash Flow Distribution Schedule			
Fiscal Year	Cash Flow	% Reimbursed Annually	Balance

AUTHORITY RECOMMENDATION

This section is to be completed by Authority Staff.

Last Updated: Resolution No. Res. Date:

Project Name:

Implementing Agency:

	Action	Amount	Fiscal Year	Phase
Future Commitment to:	Allocate	\$7,023,785	FY 2016/17	Procurement (e.g. rolling stock)

Trigger: Programming of FTA TCP funds by MTC or securing other funds to fund the remainder of Contract Amendment No. 1 to the New Flyer contract. The SFMTA anticipates that these funds will become available through the MTC-led TCP program cycle to begin in Spring 2016.

Deliverables:

- Quarterly progress reports shall provide percent complete for the overall project scope, the number of vehicles accepted for service and total expenses incurred (not necessarily invoiced to Prop K) in the previous quarter, in addition to the requirements described in the Standard Grant Agreement (SGA). See SGA for definitions.
- Upon placing the first vehicle into revenue service, provide two digital photos of the accepted vehicle, with at least one showing the decal with Prop K logo affixed to a vehicle.

Special Conditions:

- The recommended allocation is contingent upon an amendment to the Vehicles 5YPP to reprogram \$5,000,000 in Fiscal Year 2015/16 funds from Replace 100 ETI 40' Trolley Coaches to the subject project. See attached 5YPP amendment for details.
- The recommended allocation is contingent upon a commitment by the SFMTA to maintain the 14 new trolley coaches in a state of good repair, including a mid-life overhaul program to allow them to meet or exceed expectations for their useful lives per FTA guidelines.
- The Transportation Authority will only reimburse SFMTA up to the approved overhead multiplier rate for the fiscal year that SFMTA incurs charges.

Notes:

- Reminder on Attribution: A decal identifying the Transportation Authority and Prop K sales tax funds should be affixed to equipment purchased with Prop K funds. In addition, press releases related to the project should include the following statement: "This project was made possible in part with Proposition K Sales Tax dollars provided by the San Francisco County Transportation Authority." See Section 3.H.a in the SGA for additional details.
- Prop K funds from the New and Renovated Vehicles - Muni Expenditure Plan category will cover expenses for replacement vehicles only.

Supervisory District(s):

Prop K proportion of expenditures - this phase:	20.00%
Prop AA proportion of expenditures - this phase:	NA

Sub-project detail? If yes, see next page(s) for sub-project detail.

SCOPE

Sufficient scope detail should be provided to allow Authority staff to evaluate the reasonableness of the proposed budget and schedule. If there are prior allocations for the same project, provide an update on progress. Describe any outreach activities included in the scope. Long scopes may be provided in a separate Word file. Maps.

If a project is not already name Project sponsors shall provide a brief explanation of how the project was prioritized for funding, highlighting: 1) project benefits, 2) level of public input into the prioritization process, and 3) whether the project is included in any adopted plans, including Prop K/Prop AA 5-Year Prioritization Program (5YPPs). Justify any inconsistencies with the adopted Prop K/Prop AA Strategic Plans and/or relevant 5YPPs.

Indicate whether work is to be performed by outside consultants and/or by force account.

The San Francisco Municipal Transportation Agency (SFMTA) requests \$4,400,000 in Prop K funds for the planning and design phases of a project to renovate a 45 year-old pre-engineered industrial building at 1570-1580 Burke Avenue currently housing the Central Warehouse for the SFMTA Materials Management Section. The scope of work will renovate the existing building including any needed seismic or structural work and include tenant improvements to house the SFMTA Overhead Lines Section. The goal of the project is to relocate Overhead Lines to support their mission to respond to electric trolley service interruptions, maintenance and any unsafe conditions of the overhead electric power lines. The project will also improve, through investment in improved shelving systems and inventory management systems, the capacity of Central Warehouse to carry out its mission.

**San Francisco County Transportation Authority
Prop K/Prop AA Allocation Request Form**

Background

Project will rehabilitate the 103,231 square feet of the SFMTA Burke Facility, constructed in 1969 and purchased by the SFMTA in 2005 using federal and Prop K funds with the intention of renovating it to be a modern facility to house SFMTA's overhead lines maintenance functions and increase parts storage efficiency.

The former 1968 canned goods storage warehouse was converted to a United States Postal Services processing facility in 1989. The property was purchased in 2005 for the SFMTA. It was found to be suitable for SFMTA user needs and in conformity with the SF General Plan. After the property was purchased, the SFMTA moved a significant portion of its storage activities into the building. Currently, the site operates daily parts distribution and maintains the SFMTA's inventory levels. The warehouse also acts as an overflow storage space. The SFMTA Materials Management Section is now utilizing the west wing and other significant portions of the building. The building footprint is 103,231 square feet. The full property area is 105,000 square feet with a portion at the front of the building set back from the sidewalk a distance of 20 feet by 100 feet for parking spaces, access to several doors, and utilities. An electricity transformer is located in this area and two exterior concrete wheelchair access ramps rising 4 to 6 inches from paved grade to the door thresholds at building floor level. The majority of the building is built to the property lines.

The SFMTA's Real Estate and Facilities Vision, completed in 2013, found significant potential for increased efficiency at Burke, which is the SFMTA's central parts storage warehouse. In addition, the SFMTA completed a Facilities Condition Assessment in early 2016, identifying a program of \$2.5 million in improvements needed to continue its current operations. The Board of Supervisors recently approved a plan to move the City's Animal Care and Control (ACC) department into the building at 1401 Bryant Street currently occupied by the Overhead Lines group, and to proceed with its earlier plan to relocate Overhead Lines to the Burke facility. The SFMTA must complete the relocation of Overhead Lines by May 2018 to allow for the remodeling necessary to house ACC, requiring a highly compressed schedule for the Burke Facility Renovation project.

Scope

Rehabilitation of the Burke Avenue facility will include new: roof, building cladding, insulation, foundation improvements, lighting, heating, air conditioning, staff kitchens, training rooms, restrooms, and other interior improvements. Approximately 50,000 square feet of the remodeled facility will be assigned to the Overhead Lines Group. The remaining square footage will be modernized and optimized to serve as the central store of parts and supplies for the SFMTA. The major functions of the rehabilitated facility will be to store and distribute parts used at various SFMTA vehicle maintenance facilities, house shops required for the overhead lines maintenance crew and create sufficient parking for heavy duty equipment and vehicles.

Based on recent facility evaluations, existing defects or limitations at the Burke facility include poor lighting, older and leaky roof, lack of insulation, bowed concrete slabs, inadequate heating and cooling, rusted building exterior and roof leaks. The proposed facility improvements will enhance SFMTA's operational performance and safety by relocating overhead lines personnel, parts and equipment into a seismically safe building. Current accommodations are located in an older brick building at 1401 Bryant Street. Other benefits include more efficient use of space for parts storage and distribution and improved working conditions.

Project Delivery Method

The project requires phased construction within a facility that must maintain continuous operations. San Francisco Public Works (SFPW) will provide design services (with assistance from consultants) and contract and construction management services. The project plan for the Burke Renovation is based on procuring a construction manager/general contractor (CMGC) for the prime contract. Early in the design development phase SFPW will procure the CMGC and award a professional services contract for pre-construction services. This benefits the project by leveraging the expertise of the general contractor who will actually perform the work, while allowing the SFMTA and SFPW managers to exercise control of the design and the way the phased construction work will affect facility operations.

Select components of the project will be delivered by design/build subcontractors. The CMGC will prepare bid packages for the trade subcontractors based on construction documents prepared by SFPW. SFPW and SFMTA will review the trade bid packages for conformance with project requirements prior to advertising. Upon completion of SFPW and the CMGC review of subcontract bids, SFPW will authorize the CMGC to award subcontracts to the lowest responsible responsive bidders.

ENVIRONMENTAL CLEARANCE

Type : TBD

Status: Not yet started

SFMTA anticipates that environmental clearance will entail a Categorical Exemption

PROJECT DELIVERY MILESTONES

Enter dates for ALL project phases, not just for the current request. Use July 1 as the start of the fiscal year. Use 1, 2, 3, 4 to denote quarters and XXXX/XX for the fiscal year (e.g. 2010/11). Additional schedule detail may be provided in the text box below.

	Start Date		End Date	
	Quarter	Fiscal Year	Quarter	Fiscal Year
Planning/Conceptual Engineering	3	FY 2015/16	2	FY 2016/17
Environmental Studies (PA&ED)	4	FY 2015/16	3	FY 2016/17
R/W Activities/Acquisition				
Design Engineering (PS&E)	1	FY 2016/17	3	FY 2016/17
Prepare Bid Documents	2	FY 2016/17	3	FY 2016/17
Advertise Construction	1	FY 2016/17	4	FY 2016/17
Start Construction (e.g., Award Contract)	1	FY 2016/17		
Procurement (e.g. rolling stock)				
Project Completion (i.e., Open for Use)			1	FY 2018/19
Project Closeout (i.e., final expenses incurred)			2	FY 2018/19

SCHEDULE COORDINATION/NOTES

Provide project delivery milestones for each sub-project in the current request and a schedule for public involvement, if appropriate. For planning efforts, provide start/end dates by task here or in the scope (Tab 1). Describe coordination with other project schedules or external deadlines (e.g., obligation deadlines) that impact the project schedule, if relevant.

The schedule for advertising includes both CMGC selection, which happens early in design phase so prime contractor can provide input, and bidding out the trade subcontractors, which happens after 100% design.

See project schedule attachment, next page.

COST SUMMARY BY PHASE - CURRENT REQUEST

Allocations will generally be for one phase only. Multi-phase allocations will be considered on a case-by-case basis.
Enter the total cost for the phase or partial (but useful segment) phase (e.g. Islais Creek Phase 1 construction) covered by the CURRENT funding request.

	Yes/No	Cost for Current Request/Phase		
		Total Cost	Prop K - Current Request	Prop AA - Current Request
Planning/Conceptual Engineering Environmental Studies (PA&ED)	Yes	\$ 610,000	\$ 470,000	
Design Engineering (PS&E) R/W Activities/Acquisition	Yes	\$ 3,940,000	\$ 3,930,000	
Construction Procurement (e.g. rolling stock)				
		\$ 4,550,000	\$ 4,400,000	\$ -

COST SUMMARY BY PHASE - ENTIRE PROJECT

Show total cost for ALL project phases based on best available information. **Source of cost estimate** (e.g. 35% design, vendor quote) is intended to help gauge the quality of the cost estimate, which should improve in reliability the farther along a project is in its development.

	Total Cost	Source of Cost Estimate
Planning/Conceptual Engineering Environmental Studies (PA&ED)	\$ 610,000	Department of Public Works/Pre-Development Report
Design Engineering (PS&E) R/W Activities/Acquisition	\$ 3,940,000	Department of Public Works/Pre-Development Report
Construction Procurement (e.g. rolling stock)	\$ 25,450,000	Department of Public Works/Pre-Development Report
Total:	\$ 30,000,000	

% Complete of Design: 0 as of 4/12/16
Expected Useful Life: 30 Years

Prop K/Prop AA Allocation Request Form**

MAJOR LINE ITEM BUDGET

1. Provide a major line item budget, with subtotals by task and phase. More detail is required the farther along the project is in the development phase. Planning studies should provide task-level budget information.
2. Requests for project development should include preliminary estimates for later phases such as construction.
3. Support costs and contingencies should be called out in each phase, as appropriate. Provide both dollar amounts and % (e.g. % of construction) for support costs and contingencies.
4. For work to be performed by agency staff rather than consultants, provide base rate, overhead multiplier, and fully burdened rates by position with FTE (full-time equivalent) ratio. A sample format is provided below.
5. For construction costs, please include budget details. A sample format is provided below. Please note if work will be performed through a contract.
6. For any contract work, please provide the LBE/SBE/DBE goals as applicable to the contract.

BURKE RENOVATION PROJECT SUMMARY BY TASK

5-Year Prioritization Program Amount: \$0 (enter if appropriate)

FUNDING PLAN - FOR CURRENT PROP AA REQUEST

Prop AA Funds Requested: \$0

5-Year Prioritization Program Amount: (enter if appropriate)

If the amount requested is inconsistent (e.g., greater than) with the Prop K/Prop AA Strategic Plan amount and/or the 5-Year Prioritization Program (5YPP), provide a justification in the space below including a detailed explanation of which other project or projects will be deleted, deferred, etc. to accommodate the current request and maintain consistency with the 5YPP and/or Strategic Plan annual programming levels.

Funding the subject request requires an amendment to the Facilities - Muni 5YPP to reprogram \$1,903,327 in FY2014/15 funds from the Implementation of Various Facility Plans: Placeholder and \$2,596,673 from cumulative remaining programming capacity to the subject project. See attached 5YPP amendment for details.

Enter the funding plan for the phase or phases for which Prop K/Prop AA funds are currently being requested. Totals should match those shown on the Cost worksheet.

Fund Source	Planned	Programmed	Allocated	Total

FISCAL YEAR CASH FLOW DISTRIBUTION FOR CURRENT PROP K REQUEST

Use the table below to enter the proposed cash flow distribution schedule (e.g. the maximum Prop K/Prop AA funds that are guaranteed to be available for reimbursement each fiscal year) for the current request. If the schedule is more aggressive than the Prop K/Prop AA Strategic Plan and/or 5YPP, please explain in the text box below how cash flow for other projects and programs will be slowed down to accommodate the current request without exceeding annual cash flow assumptions made in the Strategic Plan.

Prop K Funds Requested:

Sponsor Request - Proposed Prop K Cash Flow Distribution Schedule			
Fiscal Year	Cash Flow	% Reimbursed Annually	Balance
FY 2015/16	\$500,000	11.00%	\$3,900,000
FY 2016/17	\$3,900,000	89.00%	\$0
		0.00%	\$0
		0.00%	\$0
		0.00%	\$0
Total:	\$4,400,000

Project Name:

Implementing Agency:

	Action	Amount	Fiscal Year	Phase
Future Commitment to:	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
	Trigger:	<input type="text"/>		

Deliverables:

1. Monthly (in lieu of quarterly) progress reports shall provide the anticipated completion dates of key project milestones, including 35% design, 65% design and 100% design in addition to all other requirements described in the Standard Grant Agreement (SGA). See SGA for definitions.
2. The SFMTA will provide an overview of its Facilities Program at an upcoming Plans and Programs Committee and Citizens Advisory Committee meeting.
3. Upon completion of 35% design (anticipated by July 18, 2016), provide updated scope, schedule, major line item budget and funding plan. See Special Condition 3 below.
4. Upon project completion, provide evidence of completion of 100% design (e.g. copy of certifications page).

Special Conditions:

1. The recommended allocation is contingent upon amendment of the Facilities-Muni 5YPP to reprogram \$1,903,327 in FY 2014/15 funds from the Implementation of Various Facility Plans: Placeholder and \$2,596,673 from cumulative remaining programming capacity to the subject project. See attached 5YPP amendment for details.
2. Transportation Authority staff or its Project Management Oversight consultant will participate in bi-weekly design team coordination meetings and participate on the selection panel for the CMGC.
3. SFMTA may not expend final design and contingency funds (\$2,345,000) until Transportation Authority staff releases the funds pending receipt of updated scope, schedule, major line item budget and funding plan on completion of 35% design (anticipated July 18, 2016). See Deliverable 3 above.

Notes:

1. The SFMTA will need to request that the Transportation Authority waive the Prop K policy prohibiting advertisement of contracts funded with Prop K prior to allocation by the Authority Board. The SFMTA has indicated that it wants to advertise the CMGC contract in May 2016 in order to complete construction of the Burke Facility Renovation project by May 2018.

Supervisorial District(s):

Prop K proportion of expenditures - this phase:	96.70%
Prop AA proportion of expenditures - this phase:	NA

5-Year Project List (FY 2014/15 – FY 2018/19)

Rehab/Upgrade Existing Facilities - MUNI (EP 20M)

Programming and Allocations to Date

Pending 5/24/16 Board Action

Agency	Project Name	Phase	Status	Fiscal Year					Total
				2014/15	2015/16	2016/17	2017/18	2018/19	

Footnotes

- ¹ To accommodate allocation of \$2,598,500 in FY 14/15 funds for the environmental phase of Muni Metro East (MME) Phase 2 (Res. 15-034, 1.27.15): Muni Metro East Paint and Body Shop: Reduced the planning/environmental placeholder from \$6,027,000 to \$3,428,500.
- ² 5YPP Amendment to fully fund the planning and design of the Fall Protection Systems project (Res. 15-041, 2.24.15): Woods Renovation Hoists and Bays: Reduced by \$1,910,777 in FY 2014/15. The SFMTA will identify additional funding for the Woods project through its Capital Improvement Program updated in Spring 2015.
Upgrade Life and Fire Safety Systems placeholder for construction: Reduced by \$250,000.
Fall Protection: Added project with \$2,996,673.
- ³ 5YPP amendment to fully fund the Upgrade Life and Fire Safety Systems project (Res. 16-040, 2.23.16): Cumulative remaining programming capacity: Reduced by \$400,000.
Upgrade Life and Fire Safety Systems (design): Added project with \$400,000 in FY 2015/16 funds.
- ⁴ 5YPP amendment to fully fund the Fall Protection Systems - Presidio Division project (Res. 16-047, 3.22.15): Woods Renovation Hoists and Bays: Reduced by \$706,397 in FY 2014/15. The SFMTA is reprioritizing planned facilities improvements as part of its Capital Improvements Program update, anticipated to be complete in Spring 2016, and the Woods Division project is not expected to move forward.
Fall Protection Systems - Presidio Division: added project with \$706,397 in FY 2015/16 funds for construction.
- ⁵ 5YPP amendment to fully fund the Burke Facility Renovation (Res. 16-XXX, 5.24.15): Implementation of Various Facility Plans: Placeholder reduced by \$1,903,327 in FY 2014/15
Cumulative Remaining Programming Capacity: Reduced by \$2,596,673
Burke Facility Renovation: added project with \$4,400,000 in FY 2015/16 funds for planning and design.

SCOPE

Sufficient scope detail should be provided to allow Authority staff to evaluate the reasonableness of the proposed budget and schedule. If there are prior allocations for the same project, provide an update on progress. Describe any outreach activities included in the scope. Long scopes may be provided in a separate Word file. Maps.

If a project is not already name Project sponsors shall provide a brief explanation of how the project was prioritized for funding, highlighting: 1) project benefits, 2) level of public input into the prioritization process, and 3) whether the project is included in any adopted plans, including Prop K/Prop AA 5-Year Prioritization Program (5YPPs). Justify any inconsistencies with the adopted Prop K/Prop AA Strategic Plans and/or relevant 5YPPs.

Indicate whether work is to be performed by outside consultants and/or by force account.

The SFMTA requests \$199,451 in Prop K Neighborhood Transportation Improvement Programming (NTIP) capital funds and a commitment to allocate \$78,696 in Prop K funds to implement bicycle and pedestrian safety upgrades on Arguello Boulevard between Fulton Street and West Pacific Avenue. These recommended upgrades are the result of a community engagement process funded by a grant of Prop K NTIP planning funding.

Please see attached word document for full scope, background, and task list.

**San Francisco County Transportation Authority
Proposition K Sales Tax Program Allocation Request Form**

The SFMTA requests \$199,451 in Prop K Neighborhood Transportation Improvement Programming (NTIP) capital funds and a commitment to allocate \$78,696 in NTIP capital funds to implement bicycle and pedestrian safety upgrades on Arguello Boulevard between Fulton Street and West Pacific Avenue. This project will utilize funds from the NTIP, which is intended to strengthen project pipelines and advance the delivery of community-supported neighborhood-scale projects, especially in Communities of Concern and other neighborhoods with high unmet needs. This project's recommended upgrades are the result of a community engagement process funded by a District 1 NTIP Planning grant.

Background

In March of 2015, the Livable Streets subdivision of the SFMTA received \$100,000 in Prop K NTIP funds to engage the community, the Supervisor's Office and other relevant stakeholders to plan and develop conceptual designs for improvements to bicycle and pedestrian safety on Arguello Boulevard and for people walking and biking to Golden Gate Park from District 1.

As part of this planning process, the project team split the NTIP Planning project into three parts: The Arguello Boulevard Safety Project, the Inner Richmond Neighborhood Greenways Project, and the 23rd Avenue Neighborhood Greenway Project. The Arguello Boulevard Safety Project was based on a background of community outreach and fell under a SF Public Works paving deadline, so this project was selected to begin immediately. The Arguello project team conducted a planning and community engagement process to plan bicycle and pedestrian safety improvements for Arguello Boulevard, which resulted in a final, legislated design for changes to the roadway striping. These paint-only treatments are ready to be implemented as early as funding is approved for implementation. These changes include:

1. Buffered Bike Lane: Narrowing wide vehicle travel lanes allows for space to paint a 2 foot buffer alongside the existing bike lanes on Arguello Boulevard. This will further separate and clearly delineate spaces on the street for motor vehicles and bicycles
2. Green Paint Treatments: Strategic use of green paint will accentuate the bike lane, increase visibility of the bicycle facility, and discourage cars from driving in/double parking in the bike lane.
3. Bike Boxes and Two-Stage Left Turn Boxes: These paint treatments will allow bicycles to make safe turns into and out of side streets and will create a space for bicycles waiting at red lights.
4. Daylighting at Intersections: "Daylighting" increases the visibility of pedestrians by removing one parking space on the approach to crosswalks.
5. New Continental Crosswalks: Brightly painted continental crosswalks increase pedestrian visibility and improve vehicle yield rates.

Additionally, the project team proposed several concrete pedestrian islands and concrete pedestrian safety bulbouts, which would be constructed along with the Public Works paving project in 2017.

This allocation request would fund the implementation of the paint upgrades and the detailed design of concrete elements proposed by the Arguello Boulevard Safety Project. The SFMTA would seek action on the requested commitment to allocate \$78,696 in Prop K funds for post-paving paint work when SFPW's paving project is ready to proceed with construction.

**San Francisco County Transportation Authority
Proposition K Sales Tax Program Allocation Request Form**

The Inner Richmond Neighborhood Greenways Project and the 23rd Avenue Neighborhood Greenway Project are moving forward on separate timelines. Implementation of those projects will be handled by future funding requests.

Scope

The scope for this funding request can be divided into two parts, (1) the implementation of paint-only upgrades to the roadway striping on Arguello Boulevard, and the (2) detailed design of concrete elements that will be coordinated with the upcoming public works paving project.

It is the recommendation of the SFMTA that the paint-only upgrades be implemented as soon as possible, in advance of the planned Public Works paving project currently scheduled for 2017. Arguello Boulevard is a Cyclist High Injury Corridor, designated by the SFMTA and the SF Department of Public Health, and these safety improvements will increase safety for people riding bikes and walking along Arguello Boulevard. Only necessary striping changes will be implemented before the paving project, with add-on elements like green and khaki paint treatments to be implemented following the paving project.

1. Implementation of paint upgrades:

- \$188,931 of this funding request will pay for SFMTA crews to grind and restripe the roadway striping on Arguello Boulevard in 2016 to install safety improvements for people walking and biking. These paint changes will not include green or khaki StreetBond paint treatments due to the imminent paving project in 2017.
- Following the paving project in 2017, \$78,696 in future Prop K funding will be used to implement the proposed green and khaki StreetBond paint treatments such as bike boxes, green bike lane treatments, and khaki Painted Safety Zones. SFPW will pay for restriping of all the paint work done in the prior bullet.

2. Detailed Design of concrete upgrades:

- \$10,520 of this funding request will be sent to DPW to pay for the design of pedestrian safety bulbouts and pedestrian safety islands.
- This design work will be done by DPW in coordination with their curb ramp design work as part of the Arguello Boulevard paving project.
- *Note:* Construction of these concrete elements will be funded via a future funding request.

Tasks and Deliverables

Tasks and deliverables included in the scope of the project include the following, assuming funding is available June 1, 2016:

Task	Timeline	Deliverable
1. Create work orders for paint upgrades to Arguello Boulevard and obtain signatures	June 2016	
2. Grind and restripe Arguello Boulevard	July/August 2016	2-3 digital photos of implemented roadway striping upgrades

**San Francisco County Transportation Authority
Proposition K Sales Tax Program Allocation Request Form**

Task	Timeline	Deliverable
3. Detailed design by Public Works of concrete upgrades to be coordinated with 2017 paving project	June-September 2016	Final detailed designs and cost estimates for concrete upgrades

Project Results

Firstly, this project will result in the implementation of paint-only safety improvements this summer for people walking and biking on Arguello Boulevard, as planned by the Arguello Boulevard Safety Project. These upgrades will increase the visibility of pedestrians crossing the street, provide a buffer zone to separate people biking from moving vehicle traffic, provide safe waiting zones for people on bikes making left turns, and address documented collision patterns between motor vehicles and people walking and biking on Arguello Boulevard. Second, this project will pay for Public Works to design concrete improvements along with their 2017 paving project that will increase safety for people walking and biking on Arguello Boulevard. This project would result in approximately 30 fewer parking spaces, or about 2% of parking spaces within one block of Arguello.

Benefits

This project will support the following goals from the SFMTA Strategic Plan:

1. **Safety:** Create a safer transportation experience for everyone.
This project will address documented collision patterns and community concerns on Arguello Boulevard and make the corridor safer for all roadway users.
2. **Travel Choices:** Make transit, walking, bicycling, taxi, ridesharing and carsharing the most attractive and preferred means of travel.
The recommended improvements to Arguello Boulevard will create a safe and comfortable environment for people walking and biking on Arguello Boulevard and will make these modes a more popular and attractive choice on this corridor.
3. **Livability:** Improve the environment and quality of life in San Francisco.
This project will improve access to recreational opportunities in Golden Gate Park.

Prioritization

The project will be funded with NTIP placeholder funds in the Bicycle Safety and Circulation and Pedestrian Safety and Circulation categories.

Environmental

For Paint Work:

Prior to approval of the project for construction, SFMTA will conduct review under the California Environmental Protection Act (CEQA). SFMTA shall not proceed with the approval of the project for construction until there has been complete compliance with CEQA. Prior to billing for any construction funds, if requested by the Transportation Authority, the SFMTA will provide the Authority with documentation confirming that CEQA review has been completed.

For DPW Design Work:

The scope of work for which funding is being requested is not considered a project or is otherwise exempt from environmental review.

**San Francisco County Transportation Authority

MAJOR LINE ITEM BUDGET

1. Provide a major line item budget, with subtotals by task and phase. More detail is required the farther along the project is in the development phase. Planning studies should provide task-level budget information.
2. Requests for project development should include preliminary estimates for later phases such as construction.
3. Support costs and contingencies should be called out in each phase, as appropriate. Provide both dollar amounts and % (e.g. % of construction) for support costs and contingencies.
4. For work to be performed by agency staff rather than consultants, provide base rate, overhead multiplier, and fully burdened rates by position with FTE (full-time equivalent) ratio. A sample format is provided below.
5. For construction costs, please include budget details. A sample format is provided below. Please note if work will be performed through a contract.
6. For any contract work, please provide the LBE/SBE/DBE goals as applicable to the contract.

Arguello Boulevard Safety Project – Paving Coordination

The below improvements are concrete bulbouts and islands that the SFMTA is seeking to have SFPW design and construct as part of their 2017 paving project. These measures address safety concerns that were identified by the community for people walking across Arguello Boulevard at Cabrillo Street.

The March 2016 NTIP Capital funding request will include \$30,000 to send to DPW to design these concrete traffic calming measures along with their design activities for the 2017 paving project.

Concrete Island and Bulb-outs:

1. McAllister, Cabrillo, and Golden Gate Islands
 - Convert 3 painted islands to concrete islands with 6" raised curbs (at McAllister Street, Cabrillo Street, and Golden Gate Avenue)
 - Make design changes to islands where necessary to apply with SF Accessibility guidelines
2. Cabrillo Street pedestrian bulb-out
 - Install a wraparound bulb-out in conjunction with Public Works curb ramp/paving work
 - This location was identified by the community for safety concerns and this bulbout will address key crossing locations of Cabrillo/Arguello
